PART 4: SITE INFORMATION

Core clause 11.2(16) states

“Site Information is information which

- describes the Site and its surroundings and
- is in the documents which the Contract Data states it is in.”

In Contract Data, reference has been made to this Part 4 of the contract for the location of Site Information.

1. General description

Site locality

Aerial view of existing Pinotage Substation

2. Existing buildings, structures, and plant & machinery on the Site

Not applicable

3. Subsoil information

Refer to detailed geotechnical investigation report.

4. Hidden services

There are only two hidden underground services, namely the power cable and the water pipe running from the borehole situated in the area of the works which supplies borehole water to the control building.

5. Other reports and publicly available information

Refer to the Pinotage Substation Borehole Drilling and Testing Final draft 20170627 and Pinotage Substation Groundwater Assessment and Borehole Siting Final 20170425
