## 2. OBJECTIVE

The National Transmission Company of South Africa SOC Ltd (TCSA) was established as a wholly owned subsidiary of Eskom Holdings SOC Ltd in December 2023. The debt allocated to NTCSA during the unbundling remains with external creditors and is recorded on the holding company's balance sheet. It is reflected in NTCSA's accounts as an intercompany loan.

NTCSA also benefits from the debt relief provided to Eskom Holdings under the Debt Relief Act and plans to apply this allocation toward a voluntary partial prepayment of its intercompany loan.

The purpose of this RFP is to appoint a professional service provider to review and revise the loan's repayment profile, ensuring it accurately and transparently reflects the updated terms following the partial prepayment.

### **3. ELIGIBLE TENDERERS**

Tenderers must be recognised financial institutions with proven experience in modelling loan repayment profiles for intercompany loans. Tenderers are deemed **ineligible** to submit a proposal if they have the nationality of a country on any international sanctions list. A tenderer shall be deemed to have the nationality of a country if it has the status of a national or is constituted, incorporated, or registered and operates in conformity with the provisions of the laws of that country.

### **4. CONFLICT OF INTEREST**

A Tenderer shall not have a conflict of interest. All Tenderers found to have a conflict of interest shall be disqualified. Tenderers must submit a form, see Annexure A, stating that none of its personnel have any involvement or interest in Eskom and any of its subsidiaries and likewise no Eskom personnel have any involvement or interest in the Tenderer's business with the response to this document or influence the decisions of Eskom during the bidding process.

A Tenderer may also be considered to have a conflict of interest with one or more parties in this RFP process, if they have a relationship with each other, directly or through common third parties, which puts them in a position to have access to information about or influence on the proposal of another Tenderer.

Alternatively, the bidder must disclose **ALL** such information in its response submission containing sufficient disclosure regarding any interests that may result in an actual or potential conflict of interest. Where any potential or actual conflict of interest arises after the submission of the proposal or during the term of the potential mandate, the Tenderer shall be obliged to immediately notify Eskom thereof in writing. Note that Eskom reserves the right to disqualify a Tenderer or terminate the services as service provider if there is, in the opinion of Eskom, any actual or perceived conflict of interest.

The bidder is to disclose anyone involved in its business that is a Domestic Prominent Influential Person as per section 3 of the Financial Intelligence Centre Act (FICA).
