**CONFIDENTIAL**

**RE: INVITATION TO TENDER (MPKRI11438GX)**

**Dear Sir/ Madam**

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for **Provision of unit 1-6 cleaning services for offices and ablutions at Kriel Power Station for the period of five years** due to the following reason/s:

- Tender MPKRI11438GX, issued for the cleaning of the offices and ablutions for Unit 1 to Unit 6 not covered by Outside plant cleaning (for five years), has been cancelled by management. This decision follows a directive from the General Executive (GE) requiring all power station General Managers to optimize costs and identify savings opportunities across existing contracts as part of Eskom's broader financial prudence initiative.
- Management determined that continuing with a new long-term cleaning contract in its current form would not be the most cost-efficient approach and that savings could be realised by modifying existing contract arrangements and rationalising cleaning activities.
- The cancellation supports Eskom's mandate to reduce excessive cleaning contract expenditure while maintaining operational standards.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
