**(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.**

**Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)**

**To claim preference points, a tenderer must submit the proof of B-BBEE status level of contributor (e.g., a valid B-BBEE certificate issued by a SANAS accredited verification agency / sworn affidavit / CIPC affidavit)**

Failure on the part of a supplier to submit “proof of B-BBEE status level of contributor” for purposes of evaluation and scoring by the tender closing will not result in disqualification (if tenderer is otherwise deemed to be responsive/acceptable in all other aspects). The tenderer will, however, be scored zero on B-BBEE for purposes of PPPFA scoring and ranking.

A tenderer may not be awarded points for B-BBEE status level if the tender documents indicate that the tenderer intends to subcontract more than 25% of the value of the contract to any other person not qualifying for at least the points that the tenderer qualifies for, unless the intended subcontractor is an EME that has the capability to execute the subcontract

Add price points and preference points; and select tender with highest points; and Price Points + Preference Points.
