RACE FOR GOLDEN BOOT HOTS UP

SA - Three players are holding the lead on the scoring charts as the race to win the DStv premier soccer league (PSL) gathers momentum. While the league matches will only resume on Saturday 31 December 2022, the race to win the top scorer award has become one of the major talking points during the brief break. Every year, the Lesley Manyathela award (popularly referred to as the 'golden boot') is awarded to the player who manages to score the most goals at the end of each season. Kaizer Chiefs striker Bonifis Biranyimana, SuperSport United's Bradley Grobler, and Peter Shalulile from Mamelodi Sundowns are all on six goals after emerging as the most potent strikers of the season. But while these three marksmen have set the pace, the race to win the accolade is set to be a very tightly contested one. With a short stretch left before the year's soccer season is decided, fans eagerly anticipate the scoring winner.
