**RE: INVITATION TO TENDER: LP00205IM**

**Dear Sir/ Madam**

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for **maintenance and repairs of various substation buildings in Limlanga cluster on an "as and when required basis, for the period of 5 years (60 months)** due to the following reason/s:

- In accordance with **Eskom Procurement and Supply Chain Management Procedure Rev 5**: Material irregularities such as non-compliance with legislation or where fairness, equitability, transparency, competitiveness or cost-effectiveness has been breached.
- The noncompliance with legislation noted in this tender/enquiry is with the CIDB, which was not included as a prerequisite.

The scope of the tender/enquiry is set by Construction Industry Development Board (CIDB) Act 38 of 2000. Operations such as structural repairs, renovations, and roof placement are considered part of building works, and contractors that undertake them must be registered with CIDB and utilize the correct grading designations for public sector contracts.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
