1. Introduction and background

The South African National Biodiversity Institute (SANBI) is a public entity established under the National Environmental management: Biodiversity Act (NEMBA), Act No. 10 of 2004. SANBI contributes to South Africa's sustainable development by facilitating access to biodiversity data, generating information and knowledge, building capacity, providing policy advice, and showcasing and conserving biodiversity in its national botanical and zoological gardens.

SANBI manages the National Zoological Gardens (NZG) and would like to appoint two (2) service providers to supply and deliver meat carcasses as outlined in the specification to the NZG to feed the diverse captive animal collection under its care. It is the responsibility of the NZG to maintain the welfare needs of these animals on a daily basis, by feeding them good quality food. The captive animals are fed by the NZG using scientifically formulated diets and they receive supplements when necessary. The diet sheet is prescribed by a qualified animal nutritionist and/or wildlife veterinarian. The NZG must purchase meat carcasses for the Pretoria campus to satisfy these nutritional requirements.

2. Invitation to tender

Bidders are hereby invited to submit bids to supply and deliver meat carcasses as and when required to SANBI NZG Pretoria campus over a period of three (3) years. Successful service providers will be used on a rotational basis, but the contract will be managed to ensure equal distribution of expenditure across the two service providers.

The tender process will be co-ordinated by SANBI's Supply Chain Management (SCM) section at the following address:

10. General terms

All documents submitted in the response to this Request for Tender (RFT) must be written in English. Service Providers shall not assume that information and/or documents supplied to the SANBI at any time prior to this RFT are still available or that they will be considered, and shall not make any reference to such information and/or documentation in their response to the RFT.

This tender shall be valid for a period of four months (120 days) calculated from the closing date of this tender.

14. Contract and contract period

This is a three (3) year contract where meat carcasses must be delivered as and when required. Both the service provider and SANBI will enter into a Service Level Agreement (SLA) for monitoring and compliance purposes which will be signed by both parties during contracting.

SANBI intends to enter a negotiation process with the two successful service providers to negotiate the rates based on the prices offered and the current market value. Further negotiations may take place within the duration of the contract where certain conditions drastically affect the market value of beef carcasses. The successful service providers will be used on a rotational basis, with the contract managed to ensure equal distribution of expenditure across the two service providers.

The performance of the successful bidders will be monitored through compliance meetings which will take place when necessary. There will be an annual review of the performance of the contract.

6. MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT

The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that SANBI relies upon the bidder's Tender as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by SANBI against the bidder notwithstanding the conclusion of the Service Level Agreement between SANBI and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

7. PREPARATION COSTS

The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this bid and all other costs incurred by it throughout the bid process. Furthermore, no statement in this bid will be construed as placing SANBI, its employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the bidder(s) in the preparation of their response to this bid.

8. INDEMNITY

If a bidder breaches the conditions of this bid and, as a result of that breach, SANBI incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds SANBI harmless from all such costs which SANBI may incur and for any damages or losses SANBI may suffer.

This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

11. TAX COMPLIANCE

No tender shall be awarded to a bidder who is not tax compliant. SANBI reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder if it is established that such bidder was in fact not tax compliant at the time of the award or has submitted a fraudulent Tax Clearance Certificate to SANBI or whose verification against the Central Supplier Database (CSD) proves non-compliant. SANBI further reserves the right to cancel a contract with a successful bidder if such bidder does not remain tax compliant for the full term of the contract.

12. TENDER DEFAULTERS AND RESTRICTED SUPPLIERS

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. SANBI reserves the right to withdraw an

award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

13. GOVERNING LAW

South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

If SANBI allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and SANBI will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

15. CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with SANBI's examination and evaluation of a Tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by SANBI remain proprietary to SANBI and must be promptly returned to SANBI upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, bidder(s) must secure SANBI's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.
