NO.	REQUESTS FOR CLARIFICATION	TCTA RESPONSES
1	<p>We are currently preparing our bid submission and would like to seek clarification on a specific aspect of Annexure F: Price Schedule. In Schedule 3: Direct Cost per Deliverable, could you please confirm whether bidders are required to provide only the rates for each item (e.g., without quantities or total amounts), or if full breakdowns including quantities and totals are expected?</p>	<p>Bidders are required to complete schedule 3 entirely including the total amount for each item. 'Unit' means the unit of measure e.g. per KM and 'rate' means rate per unit and the 'total amount' means the total for each item. Bidders may attach breakdown of cost as they deem necessary but dividing the total amount by the rate should give quantities as the unit and the rate would be provided as per this schedule. In essence, yes, bidders must provide all mentioned for Direct Cost.</p>
