COVERING OF GRAVEL ROADS WITH A DUST SUPPRESSION CHEMICAL SERVICES

CLARIFICATIONS RECEIVED ON/BEFORE BRIEFING SESSION – 21 MAY 2025

Q1	I need clarification on the distances of the roads that need
A1	There is no specified distance, The Service provider should spray 10 - (10 000L) loads per day, irrespective of the distance.
Q2	Do you provide on-site bulk storage facilities, or should the supplier provide this
A2	We provide on-site storage in the form of Jojo tanks
Q3	Please clarify how the operational shifts would work for the team that would be providing this service, and would it be a 7-day (Monday to Friday) service?
A3	7 days a week (Monday – Sunday) -08:00 – 16:00 – shifts should be scheduled by the service provider.
Q4	I have attempted to register on the Transnet tender portal, but upon registration, a Central Supplier Database number is required. Where would I get this number?
A4	This is on your CSD report, a number starting with MAAA. The CSD report can be downloaded online on http://secure.csd.gov.za/
