## 2. DEPARTMENTAL AND PROGRAMME OVERVIEW

- 2.1 The Enterprise Development Chief Directorate co-ordinates small enterprise development support services and promotes the development of sustainable SMMEs and co-operatives/social enterprises that contribute to wealth and job creation. Further it aims at improving the state of readiness of small enterprises towards contributing to economic growth, inclusion and local economic development.
- 2.2 The Enterprise Development programme amongst other things identifies market failures that contribute towards the exclusion of small enterprises in the mainstream economy and provides appropriate business support and business development services to such small enterprises.
- 2.3 The Executive Council approved the ground-breaking socio-economic transformation programme for the Province, namely Operation Vula. This happened after the adoption by Cabinet of the Procurement Indaba resolutions held on on the 13th - 14th of August 2015.
- 2.4 The Procurement Indaba resolved that the Provincial Government must immediately identify commodities/sectors for Targeted Procurement in the Province. The Procurement Indaba further set specific targets for the implementation of KZN Targeted Procurement commodities/sectors: 35% Youth, 30% Women, 10% Military Veterans, 5% for People with disabilities, and an overall 60% for Africans must be achieved. The Cabinet mandated the Department of Economic Development Tourism & Environment Affairs, Treasury, and the Public Works to convene an urgent Procurement Indaba Resolution Implementation Workshop to finalize, among others, the KZN commodities/sectors for Targeted Procurement. The workshop identified 58 KZN commodities/sectors for Targeted Procurement which was later presented and approved by the Cabinet, and six commodities were identified for implementation in the first phase. Immediately, after the Cabinet approval of the commodities for targeted procurement the Technical Steering Committee was established to develop a detail implementation plan, which again, has been approved by the Cabinet for implementation. The following are six commodities for implementation in the first phase: infrastructure development, clothing & textile, paper & pulp, office furniture, bakery, and fertilize.
- 2.5 Enterprise Development: targeted Procurement commodities/sectors will be accompanied by an enterprise and supplier development programme to deal with technical training. In this regard, the Provincial Government, Organ of state and public entities should empower the Historically Disadvantaged Individuals in consistence with transformation policy framework. Such enterprise and supplier development programme will ensure sustainability of awarded contracts, increase participation of blacks, women and youth in commodities/sectors identified for this initiative.
