

**Terms of Reference for CIO advisory subscription services for 12 months for the QCTO**

The QCTO, a Section 3A public entity that observes the Public Finance Management Act in procurement, wishes to procure a twelve (12) month subscription for research-backed Chief Information Officer Advisory services to help develop their Master Systems Plan (Information Technology Strategy).

Proof of globally benchmarked Information Technology research capacity must be provided, i.e. the number of IT analysts or researchers working under the supplier.

The QCTO requires two (02) seats for the IT Research and Advisory subscription as follows;

Product	Description	Quantity	Subtotal	Price INCLUDING VAT
1.Reference Membership	Unrestricted Access to core research content - project blueprints, Supplier's Research Academy, software selection content, tools and templates library	2.00		
2. Counselor Membership	Dedicated Executive Counselor, Unlimited IT Vendor Price Benchmarking, IT Vendor Negotiation Assistance for two(02) contracts, Unlimited IT Contract Review Services	1.00		
		<b>TOTAL</b>
