The works comprise the upgrading of the B-Field at Pella Park Sportsgrounds, including the construction of a new changing/ablution facility, together with all associated civil engineering services and ancillary works. The changing/ablution building will be enclosed with appropriate fencing and surrounded by paved areas.

The existing grassed playing surface will be extended through the importation and placement of grass sods and seeding on newly prepared and fertilised topsoil. The works will further include the installation of a new underground drainage system to ensure proper field drainage. A new spectator fence will be erected around the sports field, complete with designated pedestrian access points and a vehicular access gate. The sports field will also be equipped with new combination goalposts suitable for multiple sports. A new retaining wall, incorporating a seating area constructed from concrete blockwork, will be built adjacent to the existing sports field.

In addition, an outdoor gym facility will be constructed adjacent to the new changing/ablution building, including the installation of various outdoor exercise and fitness equipment.

All technical enquiries can be addressed to Mr. Jurie Brand at tel. no. +27(0)21 886 6895 or e-mail: jurie@wec-consult.co.za.
