TERMS OF REFERENCE

APPOINTMENT OF A SERVICE PROVIDER TO CONDUCT A FORENSIC INVESTIGATION OF CERTAIN MICT SETA SERVICE LEVEL AGREEMENTS

1. BACKGROUND

The Media, Information and Communication Technologies Sector Education and Training Authority ("MICT SETA") is a statutory body established through the Skills Development Act of 1998 to enable its stakeholders to advance the national and global training and development needs within the Advertising, Electronic Media, Film, Electronics, Information Technology and Telecommunications sectors and related subsectors in the Large, Medium, Small levy paying and non-levy paying companies in the sector.

The MICT SETA (SETA) has an approved policy on Discretionary Grants (DG) with clearly stipulated guidelines on how allocations should be made to respective stakeholders. These guidelines act as a blue print in how the SETA should award Service Level Agreements (SLAs) to qualifying service providers. The aim of this forensic investigation will be to assess if there are inconsistencies in the process of awarding SLAs, which ultimately contradict the principles of fairness, openness and transparency promoted by the Discretionary Grants Policy. At the end of this investigation, the SETA will expect a forensic report as the outcome of the project, which will highlight details of the investigation, findings and recommendations.

2. TERMS OF REFERENCE (SCOPE OF WORK TO BE CONDUCTED)

2.1 The Forensic Investigation services will include the following, but not limited to:

- 2.1.0. Conduct an investigation in respect of SLAs awarded during the period starting 01 April 2019 through to 31 March 2021 that have an allocation of 100 learners/interns and above in a single contract or combined contracts (i.e. multiple SLAs awarded to companies with at least one common director, or a single company with multiple SLAs, with a cumulative number of 100 or more learners/interns).
- 2.1.1. Perform an in-depth investigation and review into the processes that were followed in selecting stakeholders, during the awarding of Discretionary Grants SLAs offered by the SETA, for the period starting 01 April 2019 to 31 March 2021, that have an allocation of 100 learners/interns and above in a single or combined contracts, to determine whether such SLAs were awarded in compliance with the approved DG policy.
- 2.1.2. Investigate whether the services specified in the SLAs entered into for the period 01 April 2019 to 31 March 2021 were actually delivered by the contracted stakeholders.
- 2.1.3. Determine if any of the expenditure allocated to the stakeholders constitute irregular, unauthorised, fruitless and/or wasteful expenditure in terms of all applicable legislation.
- 2.1.4. Prepare a detailed report on the review and investigation, which report should highlight the cause, consequence, responsible person in law and make relevant recommendations and remedial actions that the SETA can adopt.
- 2.1.5. Conduct forensic investigations on issued SLAs that have an allocation of 100 learners/interns and above in a single or combined contracts and to investigate any instances of fraud and/or corruption on Discretionary Grants (DGs) for the period 01 April 2019 to 31 March 2021.
- 2.1.6. Analyse any other related reports not limited to vetting, minutes etc. and other documents from the SETA to identify possible fraud and corruption, risks and any other incidents of irregularities. Amongst others these include, instances where one individual was funded multiple times using different company names (double dipping);

- 2.1.7. Recommend and support disciplinary actions relating to incidents of fraud and corruption against any identified persons, including testifying during disciplinary proceedings (this includes periods beyond the end of the forensic company's term of contract), should the need arise;
- 2.1.8. - 2.2.9. Determine whether the SETA suffered financial and/or any other losses as a result of the transactions, related to the scope of this investigation, and if so to what extent;
- 2.2.10. Conduct value for money assessment to determine the extent at which the SETA has derived benefit from the transactions related to the scope of this investigation;
- 2.2.11. Assess any breakdown in the designed internal controls that were in place, the impact thereof, and provide recommendations to prevent these control weaknesses in the future;
- 2.2.12. Review the transactions to determine the legal/contractual obligations which SETA has and the extent thereof if the transactions gave rise to a legal contractual obligation, in terms of the issued SLAs;
- 2.2.13. Transactions identified as irregular expenditure should be covered in this project in accordance with Irregular Expenditure Framework issued by National Treasury. This will include identifying the specific officials involved;
- 2.1.14. Perform a value for money assessment to identify unauthorized, irregular, fruitless and/or wasteful expenditure;
- 2.1.15. A determination and identification of sub-contracting companies that have more than one SLA with the SETA;

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregards the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price Bid, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
