

WASTE PROFILE			
Item No.	Description	Generating Process	Components
1	Oil	Lubricating oil	SDS provided
2	Cleaning Solvents	Residues (SDS available)	SDS provided
3	Oil Rags	Rags generated from cleaning chemicals (SDS available)	SDS provided
4	Aerosol Cans	To be punctured before disposal	SDS provided
5	Contaminated Water/Liquid Waste/Bilge water	Water from the vessel bilges (rain, water, oil, diesel)	Sampling underway
6	Batteries, AA, AAA, PM3, C, D	N/A	SDS provided
7	Batteries, NiCad	N/A	SDS provided
8	Batteries, Lead Acid	N/A	SDS provided
9	Blasting Grit	Sand Blasting Grit used to blasting paint off, thus contains paint strips and rusts from Vessels (Ships)	Sampling underway
10	Plastic bottles with oil/fuel	Residues and drum (used oil from engines, generators, etc)	SDS provided
11	Plastic bottles with coolants	coolants residues and drum (used coolants from Engines, generators etc)	SDS provided
12	Plastic bottles with acids	coolants residues and drum (used acids from batteries)	SDS provided
13	Empty glass chemical bottles	Solvents e.g toluene and acetone etc	SDS provided
14	Laboratory Broken glassware	Empty broken laboratory glassware	N/A
15	Spectroscopic graphite electrodes	Used for oil wear analysis (Solid pencil looking lid, hazardous)	N/A
16	Paint tins	Left over paints, old paints (liquid and hardened)	SDS provided
17	Plastic bottles with toxic chemicals	to be analysed on demand and as the need arises, Provided for in KD 17.	As the need arises
18	Organic Waste/Organic waste	Vegetation waste (Leaves, branches, food waste)	General Waste
19	Marine Waste	Organisms (barnicles and kelp) stuck on vessels (ships) coupled with paint strips from vessels	General Waste

20	Silica Sand	Burnt sand mixed with chemical binders from the casting mould in foundry	Sampling underway
21	Sludge from paint and carbon stripper tanks in chemical cleaning bay	Sludge from the tanks	Sampling underway
22	Fluorescent tubes	N/A	Hazardous
23	Soda Solvay (Soda Ash) Sodium Carbonate (Na ₂ CO ₃)	Old unused hardened soda solvay powder	Sampling underway
24	TAL Tile Adhesives	Old unused hardened tile adhesive powder	Sampling underway
25	Silicone molding rubber	Empty containers	General
26	Paper	N/A	General
27	Wood	N/A	General
28	Glass	N/A	General
29	Tins	N/A	General
30	Plastic	N/A	General
31	Ferrous Metals	N/A	General
32	Non-Ferrous Metals (Copper/Lead)	N/A	General
33	Electrical and Electronic Equipment	E-Waste	E- Waste
34	Printer, Fax and Copier Toners	E-Waste	E- Waste
35	Ink Cartridges	E-Waste	E- Waste
