Dear Sir/Madam

ADDENDA TO INVITATION TO TENDER FOR ENQUIRY NO LP00209ML:

The repair and maintenance of work under live conditions up to and including 33kV (gloving method) in Mpumalanga OU on an "as and when" required basis for a period of 60 months.

1. The incorrect **SDL&I Strategy Setting for Bidders** was attached on the Eskom tender Bulletin and e-tender portal. The correct one has been added.
2. The following is to be noted with reference to the **Live Work Contractor Technical Evaluation**

<u>4.4</u>	Mandatory Plant/equipment requirements: a) Live work aerial device truck with mechanical and electrical test certificates - Owned: (25) Proof of ownership and picture of the vehicle - Leased: (15) Lease agreement signed by both parties and picture of the vehicle. b) Minimum 5Ton Crane truck with mechanical test certificate - Owned: (20) Proof of ownership and picture of the vehicle - Leased: (15) Lease agreement signed by both parties and picture of the vehicle OR c) Combination of Live work aerial device truck & crane truck with mechanical and electrical test certificates (45) - Owned: (45) Submit Proof of ownership and picture of the vehicle - Leased: (30) Submit Lease agreement signed by both parties and picture of the vehicle	<u>45</u>

The amended Live Work Contractor Technical Evaluation has been uploaded on the Eskom Tender Bulletin as well as E-tenders website. All other information on the NEC3 Engineering and Construction Contract document remains unchanged.

Yours sincerely

A handwritten signature in black ink, appearing to be 'ML', with a horizontal line extending to the right.
