

Group 98: glassware		
	DESCRIPTION	SPECIFICATIONS
1	Volumetric flask 1L	<ul style="list-style-type: none"> •Borosilicate glass •Two stoppers per volumetric flask to be included *A-grade *ISO certified
2	Volumetric flask 2L	<ul style="list-style-type: none"> •Borosilicate glass *A-grade *ISO certified
3	Volumetric flask 5L	<ul style="list-style-type: none"> •Borosilicate glass *A-grade *ISO certified
4	Volumetric flask 500mL	<ul style="list-style-type: none"> Borosilicate glass *A-grade *ISO certified
5	Volumetric flask 100L	<ul style="list-style-type: none"> •Borosilicate glass *A-grade *ISO certified
6	Glass beakers 1L	<ul style="list-style-type: none"> •Pyrex beakers •Heavy duty •Graduated *ISO certified
7	Glass beakers 2L	<ul style="list-style-type: none"> •Pyrex beakers •Heavy duty •Graduated *ISO certified
8	Glass beakers 5L	<ul style="list-style-type: none"> •Pyrex beakers •Heavy duty •Graduated *ISO certified
9	Glass beakers 500mL	<ul style="list-style-type: none"> •Pyrex beakers •Heavy duty •Graduated *ISO certified
10	Graduated pipette 1ml	<ul style="list-style-type: none"> •Graduated •Borosilicate glass *A-grade *ISO certified
11	Graduated pipette 2ml	<ul style="list-style-type: none"> •Graduated •Borosilicate glass *A-grade *ISO certified
12	Graduated pipette 5ml	<ul style="list-style-type: none"> •Graduated •Borosilicate glass *A-grade *ISO certified
13	Graduated pipette 10ml	<ul style="list-style-type: none"> •Graduated •Borosilicate glass *A-grade *ISO certified
14	Graduated pipette 20ml	<ul style="list-style-type: none"> •Graduated •Borosilicate glass *A-grade *ISO certified

15	Volumetric bulb pipette 1ml	•Borosilicate glass *A-grade *ISO certified
16	Volumetric bulb pipette 2ml	•Borosilicate glass *A-grade *ISO certified
17	Volumetric bulb pipette 5ml	•Borosilicate glass *A-grade *ISO certified
18	Volumetric bulb pipette 10ml	•Borosilicate glass *A-grade *ISO certified
19	Volumetric bulb pipette 20ml	•Borosilicate glass *A-grade *ISO certified
20	Volumetric bulb pipette 25ml	•Borosilicate glass *A-grade *ISO certified
21	Glass graduated burette 50ml	•Graduated (graduations must not fade) •Borosilicate glass •PTFE key stopcock (additional stopcock per burette to be included) *ISO certified
22	Autoclavable Glass vacuum filtration flasks (1L)	*for filtration of water samples using 47mm 1.2, 0.45 and 0.22 um filters including funnel
23	Autoclavable Glass vacuum filtration flasks (2L)	*for filtration of water samples using 47mm 1.2, 0.45 and 0.22 um filters including funnel
Group 99: Sterile Sample Collection Vessels		
	DESCRIPTION	SPECIFICATIONS
1	Sterile 500mL Sample Collection Vessels	<ul style="list-style-type: none"> • Sterile plastic High Density Polyethylene (HDPE) white plastic • Screw cap included • Sterilised by Gamma irradiation/ ethylene oxide • Proof of sterility to be included
Group 100:		
	DESCRIPTION	SPECIFICATIONS
1	Disposable lab coats (various sizes) pack of 50	Disposable labcoats must close with valcro Long sleeves Pack of 50 units of assorted sizes white
Group 101: KITS FOR THE FLOW CYTOMETRY INSTRUMENT (MOLECULAR LAB)		
	DESCRIPTION	SPECIFICATIONS
1	BD Accuri C6 Plus Flow Cytometer 1-year Maintenance Kit	The manufacturer of the BD Accuri C6 Plus Flow Cytometer maintenance kit must be ISO 9001 certified. The maintenance kit should be manufactured by BD and be suitable for application as the BD Accuri C6 Plus Flow Cytometry instrument is a speciality instrument.
