TERMS OF REFERENCE

THE ESTABLISHMENT OF A PRE-APPROVED LIST OF SERVICE PROVIDERS TO PROVIDE EVENTS MANAGEMENT SERVICES FOR THE PERIOD OF 36 MONTHS

1. PURPOSE

The Department of Human Settlements seeks to establish a pre-approved list of service providers to provide events management services. These companies will collaborate with the department to develop event concepts, plans, and will coordinate events ensuring effective and efficient profiling of the department's programmes and elevated priorities over a period of thirty-six (36) months.

2. BACKGROUND

The Gauteng Department of Human Settlements is responsible for building integrated, sustainable human settlements by facilitating housing development, upgrading informal settlements, and transforming hostels into safe, habitable family units. Additionally, the Department is committed to accelerating the processing and handover of title deeds to deserving beneficiaries and promoting holistic, integrated planning to ensure cohesive and thriving communities.

Key initiatives include the Breaking New Ground (BNG) strategy and the ambitious Mega Projects Human Settlements Strategy, which is aimed at promoting integrated and sustainable human settlements across Gauteng. The department also introduced the First Home Finance program, addressing the housing needs of the 'gap market' by making homeownership more accessible.

Over the past 30 years, the department has provided over 1.3 million housing opportunities, improving the lives of more than 5.2 million people and contributing to greater equity and upliftment in underprivileged communities.

3. COMMUNICATION CAMPAIGN

The Communication Services unit of the Gauteng Department of Human Settlements is responsible for developing and implementing a communication strategy that profiles and markets the Department's work. The overall goal is to create public awareness, showcase achievements, and communicate the key priorities of the 7th Administration in delivering sustainable, integrated human settlements.

Through this campaign, the Department seeks to position itself as a diverse housing solutions provider, offering multiple housing typologies to meet the needs of different market segments —

from subsidised units to bonded and rental housing. The campaign also aims to reshape public perceptions, addressing the misconception that the Department only provides RDP or low-cost housing, while promoting access to information on services such as title deeds, the rental tribunal, and civic education on property ownership.

A further focus is on promoting transparency and managing public perceptions through proactive communication, reputation management, and stakeholder engagement — particularly around challenges such as incomplete or abandoned housing projects and the fraudulent sale of land and houses targeting vulnerable communities.

Within this broader communication framework, events management plays a pivotal role as a key vehicle for implementing the Department's outreach and public engagement initiatives.

The Chief Directorate: Communication Services is mandated to coordinate and manage all departmental and MEC events, outreach programmes, and exhibitions that promote public awareness and profile Department's achievements.

Accordingly, the Department seeks to appoint a panel of professional service providers for Events Management. The appointed service providers will support the Department in the planning, coordination, and execution of strategic events that effectively communicate departmental priorities, strengthen stakeholder relations, and enhance public understanding of the Department's programmes and services.
