

**ANNEXURE A: Technical Evaluation for 18E MA Armature Coil - wire electrical:****Technical Evaluation Scoring** (Minimum Threshold: 80%)

REF		Criteria	Points	Bidder's Response		Bidders Comments	Scoring Method
				YES	NO		
1	<b>Technical</b>	The ability to supply wire electrical for 18E MA armature coil material as per Transnet's PO text requirements.  The ability of the bidder to provide a validation method process based on ISO 9001:2015 for detailing the validation of wire electrical as per the purchase order text.	50				50 Points = All technical requirements can be met as specified in the purchase order text. and bidder submit the validation method document as per ISO 9001:2015 and submitted with tender documents at tender stage for verification.  0 Points = One or more of the requirements above cannot be met.
2	<b>Quality</b>	Submission of a ISO certificate or Quality Management System.	30				30 Points = Bidder is ISO 9001:2015 accredited, and valid certificate is submitted or Bidder has a signed QMS (Quality Management System) based on ISO 9001:2015 and it is submitted. 0 Points = No ISO 9001:2015 certificate or quality management system procedure based on ISO 9001:2015 submitted.
3		The ability of bidder to provide warranty on wire electrical	10				10 Points = Warranty is equal or greater than 12 months 00 Points = Warranty is less than 12 Months.
4	<b>References</b>	Previous experience in manufacturing/supply wire electrical materials. The evaluating team will randomly verify the references.	10				10 points =Company provides 3 references provided through customer letter head with details of contacts for verification. 5 points =Company provides 2 reference provided through customer letter head with details of contacts for verification. 0 points =Company provides 1 or less references provided through customer letter head with details of contacts for verification. Note 1: reference letter must be less than 3 years old.
