1. The Project Background and Goals

1.1 Background of Municipal Financial Governance

Municipal Financial Management (MFM) is a branch of the Gauteng Provincial Treasury, established to ensure effective and efficient financial management in Municipalities and coordinated capacity building. MFM is divided into sub programmes to attain its set strategic objectives, deliverables and targets as follows:

- **Municipal Budgets** ensures optimal and sustainable budget – and revenue management processes in delegated municipalities and monitors the compliance with budget funding requirements.
- **Local Government Financial Services** ensures optimal and sustainable in-year budget monitoring and reporting processes in delegated municipalities with keen focus on mSCOA reporting and further monitors the effective and efficient compliance with financial assets and liabilities management.
- **Municipal Asset Management** promotes and monitors the adequate management of municipal assets throughout the municipal accountability cycle.
- **Municipal Accounting and Auditing** monitors compliance with the financial management and annual reporting framework and further promotes the understanding and implementation of accounting standards (GRAP), as well as the reviewing and reporting on the quality of Annual Financial Statements.
- **Municipal Compliance and Intergovernmental Relations** co-ordinates monitors and reports on MFMA implementation and compliance.

Further to the above, there is also a need for **Municipal Supply Chain Management** support (as an interim measure) to monitor and support municipal supply chain management.

Key priorities of MFM include:

- Providing support to improve financial, revenue and expenditure management in delegated municipalities;
- Providing support to monitor and assist with the reduction of confirmed provincial government debt;
- Monitoring expenditure on national and provincial transfers to municipalities;
- Supporting the maintenance of unqualified audits for delegated municipalities;
- Supporting local government in ensuring the maintenance and strengthening of sound financial governance;
- Providing municipal oversight, specifically with respect to MFMA requirements; and
- Progressively gearing towards aligning MFM support activities with the six national Local Government game changers.

1.2 Background to the Municipal Finance Hands-on Support Programme (MFHSP)

As a result of the persistent poor performance of municipalities over the past twenty years, numerous support programmes and interventions have been initiated by both national and provincial governments in an effort to improve the capacity of local government, address inadequate service delivery issues, and enhance good governance through improved accountability and transparency.

The Municipal Finance Hands-on Support Programme is currently institutionalised within GPT: MFM. The aim of the programme is to:

- I. Facilitate improved management of the financial affairs of municipalities;
- II. Promote and support reforms in financial management by building capacity in Gauteng delegated municipalities to implement the provisions of the Municipal Finance Management Act (MFMA) and improve financial maturity;
- III. Improve the capacity of the Provincial Treasury to fulfil its responsibilities in terms of section 5(3) and (4) of the MFMA;
- IV. Improve overall MFMA compliance, financial management and performance in municipalities;
- V. Provide support at an overall Institutional level and direct support to the Municipal Managers and Chief Financial Officers; and
- VI. Support, facilitate and co-ordinate the implementation of all Constitutional support (Section 154) related to financial management matters, review of the mandatory intervention and support to financial management processes in discretionary intervention.

MFM and through the MFHSP support Outcomes 9 and 12 in helping to build a responsive, effective, and efficient local government system, build an efficient, effective, and development - orientated public service, and build an empowered, fair, and inclusive citizenship as it relates to local government financial management.

The MFHSP ended on the 30 April 2026 and was a programme that provided hands-on technical assistance to strengthen, support and build the institutional and technical financial management capacity of MFM and Municipalities. This is mainly achieved through the placement of Technical Advisors within MFM and municipalities.

To provide optimum support under the MFHSP, ideally the positions of Municipal Manager and Chief Financial Officer in municipalities must be filled, or measures should be underway to fill such positions. This will be considered when providing assistance and may potentially impact the timeframes or any condition(s) for such assistance.

	SPECIFICATIONS FOR MUNICIPAL FINANCE HANDS-ON SUPPORT PROGRAMME ADVISORS AT GAUTENG PROVINCIAL TREASURY – GENERAL ADVISORS	Page: 8 of 30

The MFM Deputy Director General (DDG) alongside the entire management team in the branch is responsible for providing the overall strategic leadership, oversight, management, and support required for the successful implementation of the Municipal Finance Hands-on Support Programme (MFHSP). This include:

- Preparing the overall support plan;
- Managing the budget, formulating the scope of work, and executing specific project objectives; and
- Managing, monitoring, and evaluating the performance of all resources, policies, and programme implementation.

The MFHSP also works in close consultation with the relevant MFM sub programmes and other programmes within GPT to ensure integration and consistency of policy implementation, technical support and the co-development of initiatives, tools and systems to strengthen the implementation of local government financial management.

1.3 Challenges of the Municipalities

While there are some municipalities that are in reasonably good shape there are a lot more municipalities that are in varying degrees of financial distress. There is a significant number of municipalities that continue to perform poorly and remain a cause for concern. This contributes to a negative impression of the performance of the municipal system as a whole. Billions of funds allocated to municipalities are managed in ways that are contrary to the prescripts. In some cases those responsible for transparent management of these resources do not do it; while no proper oversight over these lapses is effected. This makes for a very weak accountability and consequently, exposure to abuse of the public purse and the following challenges continue to be raised:-

- Municipalities continue to have insufficient cash coverage to fund their operations
- Overspending of operating budgets has decreased
- Underspensing of capital budgets continues to be a challenge
- Some municipalities are adopting unfunded budgets
- Total outstanding consumer debtors has expanded significantly
- Total creditors outstanding remains very high
- Asset management spending remains inadequate funded
- Recorded water and electricity losses remain high
- Municipal audit outcomes continue to decline and the number of unqualified audit opinions with findings decreasing
- Irregular expenditure and Unauthorized expenditure is constantly increasing
- Fruitless and wasteful expenditure incurred by municipalities is still on a rise

30. GOVERNING LAW

This Agreement is governed by and interpreted in accordance with the law of the Republic of South Africa.

31. RELATIONSHIP OF THE PARTIES

The Parties' relationship is that of independent contracting Parties and is governed by this Agreement. Nothing in this Agreement is intended, nor may be interpreted or deemed to constitute any Party to be a partner, employee, agent or representative of the other Party. It is not the intention of the Parties to create, nor may this Agreement be construed to create any commercial or other partnership. No Party may act for or assume any obligation or responsibility on behalf of the other Party without the latter's prior written consent. No Party may hold itself out as a partner of the other Party.

32. SEVERABILITY

Any provision in this Agreement which is illegal, invalid or unenforceable is ineffective to the extent of such prohibition or unenforceability and must be treated *pro non scripto* and severed from the balance of this Agreement, without invalidating the remaining provisions of this Agreement.

33. ASSURANCE THAT THIS AGREEMENT IS BINDING

- 33.1 The Parties warrant to each other that they have taken or caused to be taken all steps, actions and corporate proceedings necessary to cause this Agreement to be binding on themselves.
- 33.2 A Party must, if requested by the other Party, furnish to the latter sufficient evidence of the authority of a person who takes any action or executes any documents under this Agreement on behalf of the Party so requested.

34. GENERAL

- 34.1 This Agreement constitutes the whole agreement between the Parties.
- 34.2 No amendment, consensual cancellation of this Agreement or settlement of any dispute arising under this Agreement, is binding unless recorded in a written document that clearly specifies the intention to amend, cancel or settle and signed by a duly authorised representative of each Party.
- 34.3 No extension of time, waiver, relaxation, suspension of or discharge from any provision of this Agreement is binding unless recorded in a written document that clearly specifies the intention to extend, waive, relax, suspend or discharge and signed by the Party granting such extension, waiver, relaxation, suspension or discharge. Any extension, waiver, relaxation, suspension or discharge must be construed as relating strictly to the matter in respect whereof it was given.
- 34.4 An extension of time, waiver, relaxation or suspension of any provision of this Agreement does not operate as an estoppel against any Party in respect of its rights under this Agreement, nor does it operate so as to preclude such Party thereafter from exercising its rights strictly in accordance with this Agreement.
- 34.5 The Service Provider's Broad-based Black Economic Empowerment (BBBEE) status will be monitored on a bi-annual basis and should it be found to be unsatisfactory, the Service Provider must rectify its BBBEE status within a reasonable period, failing which this Agreement may be terminated.
- 34.6 Each Party must pay its own cost pertaining to the negotiation, drafting and execution of this Agreement.
