SPECIFICATION

BACKGROUND

The Community Education and Training (CET) Colleges came into existence on 1 April 2015 when the Public Adult Learning Centres (PALCs) migrated from the Provincial Education Departments (PEDs) to the Department of Higher Education and Training (DHET). The PALCs became the Community Learning Centres (CLCs) and were merged under the CET Colleges.

The mandate of the Colleges is to provide quality and relevant Education and Training programmes for youth and adults to improve their livelihoods. The CET Colleges, through the CLCs, offer programmes that will ensure that students attain skills that will enable them to either find employment or establish their own enterprises which are Community needs based. The College is situated in the Eastern Cape in South Africa. Governance of the College rests with the Council subject to the relevant statutes and policies. Management structure of the College consists of the Principal and three Deputy Principals. CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all Quotations¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when Quotations are considered, reasonable steps are taken to prevent any form of bid-rigging.

To give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.

¹ Includes price quotations, advertised competitive Quotations, limited Quotations and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.
