	1.2 Each rotation shall not be in excess of six (6) months within the said 24 months term-contract.
	 1.3 Criteria to be used to establish the fifteen (15) bidders to be included on the database will be based on the first fifteen (15) highest scoring bidders of the responsive bidders from the Departmental Scoring Sheet. 1.4 The first initial rotational allocation of the properties to be guarded will be given to the highest responsive scoring bidder, followed by the second highest scoring bidder, until the last fifteenth (15th) bidder is allocated the service, irrespective of the duration of the service period, the period of which should not be in excess of six (06) months per rotation. 1.5 Should the Department receive less than fifteen successful bidders, such bidders will be considered and utilized on rotational basis within a period of 24 months. It is not guaranteed that at the end of the 24 months term, all service providers will have been awarded a service. 1.6 The successful Service Provider will always be requested to submit the quotation depending on the period and number of the guard required.
