ADDENDUM NOTICE

Removal of Item No. 7 from the Scope of Work

Dear Tenderers,

Please be advised that **Item No. 7** listed in the Scope of Work has been removed from the enquiry and should therefore be disregarded when preparing your tender submission.

Item No.	Material Number	Description
7	01XJN10 AA201	Solenoid Valve 1"

Tenderers are requested to note the following:

1. The above-mentioned item has been withdrawn from the Scope of Work and will no longer form part of the requirement.
2. Tenderers are encouraged to exclude this item from their commercial submissions.
3. Should a tenderer inadvertently include pricing for the removed item in their submission, such submission **will not be disqualified** on this basis.
4. For evaluation purposes, Eskom will exclude Item No. 7, including all associated technical requirements and pricing, from the technical, commercial, and price evaluation processes. This is to ensure that all tenders are evaluated consistently and on a common basis.
5. Should a tenderer be recommended for contract award, Eskom will formally communicate the removal of the item and engage with the successful tenderer to reach agreement on the final scope and corresponding contract value prior to contract placement.

All other requirements, conditions, and provisions of the enquiry remain unchanged.

Kind regards,
