Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

1. INTRODUCTION

The Council for Geoscience (CGS) is a schedule 3A public entity organization as defined by the Public Finance Management Act (Act 1 of 1999). The CGS derives its mandate from the Geoscience Act 100 of 1993. The objectives of the CGS under the Act, is to produce world-class geoscience knowledge products and to render geoscience-related services to the South African public and industry. The strategic position of the CGS is to ensure that its activities contribute to the national imperatives, namely to free the potential of individuals by improving the quality of life of all citizens, assisting in the growth and wealth of the country and eradicating poverty especially in the rural areas of South Africa. It does this through the mandate of the Geoscience Act, which includes the following activities:

- 1.1. To systematically document and compile the geology of the earth's surface and continental crust, including offshore areas within the territory of South Africa.
- 1.2. To compile geoscience data, especially geological, geophysical, metallogenic and engineering geological information in the form of maps and accompanying explanations and to make this information available to the public.
- 1.3. To do basic geoscience research into the nature and origin of rocks, ores, minerals and the history and evolution of life and to understand the geological evolution of the earth. These findings are published in peer reviewed geoscience publications nationally and internationally.
- 1.4. To collect and curate all geoscience knowledge for the country into the National Geoscience Repository and make such information available to the public.
- 1.5. To render geoscience knowledge services and advice to the State to enable informed and scientifically based decisions on the use of the earth's surface and its resources within the territory of South Africa.
- 1.6. To manage several national geoscience facilities on behalf of the country such as the National Seismograph Network, the National Borehole-Core Repository, the National Geoscience Heritage Collections (Geoscience Museum) and the National Geoscience Library.
- 1.7. To render commercial geoscience services and products to national and international clients.

2. PURPOSE AND BACKGROUND OF THIS REQUEST FOR PROPOSAL (RFP)

The Council for Geoscience requires the supply and install of the necessary hardware and software for a VMware server cluster, the configuration of the server cluster, SAN, support and maintenance on a lease basis for a period of five (5) years.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.	Proposal No. CGS-2023-026THB
--	-------------------------------------

The CGS would like to appoint a service provider for the design and implementation of a complete information technology infrastructure. The project is centralized at Head office and must connect to the entire CGS with offices in the following areas:

- Head Office – 280 Pretoria Street, Silverton, Pretoria
- Bellville Office – 3 Oos Street, Bellville, Cape Town
- Pietermaritzburg Office – 139 Jabu Ndlovu Street, Pietermaritzburg
- Polokwane Office – 30A Schoeman Street, Polokwane
- Port Elizabeth Office – 16, 2nd Avenue, Port Elizabeth
- Upington Office – 24 Josling Street, Upington
- National Core Library, plot 80 Rhenosterfontein and Mooiplaats road, Donkerhoek
- Disaster Recovery site in Pretoria

The CGS requires a competent service provider to implement a scalable future-state technology architecture and to supply ICT infrastructure that:

- Promotes and improves ability of the CGS to share information and to collaborate with other government agencies or organisations particularly in times of emergencies or where rapid decisions are needed.
- Enables the CGS to take advantage of information resources that are available through existing spatial data infrastructure services and networks, and therefore create redundant capabilities.
- Enables consolidation of data that is currently stored in different locations and originates from various sources within and external to the CGS.
- Enables the CGS to efficiently process information or leverage external processing capabilities (for example, High Performance Computing Infrastructure).
- Enables the CGS to respond faster to changes in technology and business needs.

The goal is to design and upgrade the Council for Geoscience IT infrastructure in the main datacentre in Pretoria.

The project deliverables include, but are not limited to the following:

- Decommission obsolete equipment,
- Migration of data and services to new environment,
- Improve operational efficiency,
- Provide disaster recovery infrastructure and solution.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

The expected result of the project is to implement a significantly improved and scalable infrastructure with simplified management and serviceability.

3. LEGISLATIVE FRAMEWORK OF THE BID

- 3.1.3. The Tax Compliance status requirements are also applicable to foreign bidders / individuals who wish to submit bids.
- 3.1.4. It is a requirement that bidders grant a written confirmation when submitting this bid that SARS may on an ongoing basis during the tenure of the contract disclose the bidder's tax compliance status and by submitting this bid such confirmation is deemed to have been granted.
- 3.1.5. Bidders are required to be registered on the Central Supplier Database and the National Treasury shall verify the bidder's tax compliance status through the Central Supplier Database.
- 3.1.6. Where Consortia / Joint Ventures / are involved, each party must be registered on the Central Supplier Database and their tax compliance status will be verified through the Central Supplier Database. The parties must submit Consortia / Joint Ventures agreement with clear role clarifications.
- 3.1.7. Where sub-contracting is involved, the lead partner must submit a sub-contracting agreement with clear role clarification.

3.2. Procurement Legislation

Council for Geoscience has a detailed evaluation methodology premised on Treasury Regulation 16A3 promulgated under Section 76 of the Public Finance Management Act, 1999 (Act, No. 1 of 1999), the Preferential Procurement Policy Framework Act 2000 (Act, No.5 of 2000) and the Broad-Based Black Economic Empowerment Act, 2003 (Act, No. 53 of 2003), and all the applicable Instruction note issued by National Treasury from time to time.

3.3. Technical Legislation and/or Standards

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

Bidders should be cognisant of the legislation and/or standards specifically applicable to the services.

4. TIMELINE OF THE BID PROCESS

The period of validity of tender and the withdrawal of offers, after the closing date and time is 120 days. The project timeframes of this bid are set out below:

Activity	Due Date
Tender Issue date	08 March 2024
Closing date of questions relating to bid from bidders	05 April 2024
Bid closing date	12 April 2024 at 11h00am
Notice to bidders	Council for Geoscience will endeavour to inform bidders of the progress until conclusion of the tender.

All dates and times in this bid are South African standard time.

Any time or date in this bid is subject to change at Council for Geoscience's discretion. The establishment of a time or date in this bid does not create an obligation on the part of Council for Geoscience to take any action or create any right in any way for any bidder to demand that any action be taken on the date established.

5. CONTACT AND COMMUNICATION

- 5.1. A nominated official of the bidders can make enquiries in writing, to the specified person, Thabang Kome via email tkome@geoscience.org.za and/or 0128411213. Bidders must reduce all telephonic enquiries to writing and send to the above email address.
- 5.2. The delegated office of Council for Geoscience may communicate with Bidders where clarity is sought in the bid proposal.
- 5.3. Any communication to an official or a person acting in an advisory capacity for Council for Geoscience in respect of the bid between the closing date and the award of the bid by the Bidders is discouraged.
- 5.4. All communication between the Bidders and Council for Geoscience must be done in writing.
- 5.5. Whilst all due care has been taken in connection with the preparation of this bid, Council for Geoscience makes no representations or warranties that the content of the bid or

any information communicated to or provided to Bidders during the bidding process is, or will be, accurate, current or complete. Council for Geoscience and its employees and advisors will not be liable with respect to any information communicated which may not accurate, current or complete.

- 5.6.** If Bidders finds or reasonably believes it has found any discrepancy, ambiguity, error or inconsistency in this bid or any other information provided by Council for Geoscience (other than minor clerical matters), the Bidders must promptly notify Council for Geoscience in writing of such discrepancy, ambiguity, error or inconsistency in order to afford Council for Geoscience an opportunity to consider what corrective action is necessary (if any).
- 5.7.** Any actual discrepancy, ambiguity, error or inconsistency in the bid or any other information provided by Council for Geoscience will, if possible, be corrected and provided to all Bidders without attribution to the Bidders who provided the written notice.
- 5.8.** All persons (including Bidders) obtaining or receiving the bid and any other information in connection with the Bid or the Tendering process must keep the contents of the Bid and other such information confidential, and not disclose or use the information except as required for the purpose of developing a proposal in response to this Bid.

6. LATE BIDS

Bids received after the closing date and time, at the address indicated in the bid documents, will not be accepted for consideration and where practicable, be returned unopened to the Bidders.

7. COUNTER CONDITIONS

Bidders' attention is drawn to the fact that amendments to any of the Bid Conditions or setting of counter conditions by Bidders or qualifying any Bid Conditions will result in the invalidation of such bids.

8. FRONTING

- 8.1.** Government supports the spirit of broad based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. It is against this background the Government condemn any form of fronting.
- 8.2.** The Government, in ensuring that Bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in bid

documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting, issued by the Department of Trade and Industry, be established during such enquiry / investigation, the onus will be on the Bidder / contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from date of notification may invalidate the bid / contract and may also result in the restriction of the Bidder /contractor to conduct business with the public sector for a period not exceeding ten years, in addition to any other remedies Council for Geoscience may have against the Bidder / contractor concerned.

9. SUPPLIER DUE DILIGENCE

The Council for Geoscience reserves the right to conduct supplier due diligence prior to the final award or at any time during the contract period. This may include site visits and requests for additional information. The CGS reserves the right to verify any information supplied by the bidder in the tender document and should the information be found to be false or incorrect, the CGS will exercise any of the remedies available to it in the bid document. Reference letters will also be authenticated.

The proposed design **must** be capable of storing and processing of large geospatial datasets as well as be scalable over the duration of the contract. contract at a growth rate of a minimum of 150TB per annum.

The proposed solution must cater for on-premises hosting of the following, but no limited to:

- CGS geoscientific data (Integrated Geoscience Solution)
- Enterprise Resource Planning (ERP),
- Enterprise Content Management (ECM),
- Security systems (Hardware and Software),
- Migration of data and services from current infrastructure to new infrastructure
- Provide systems that will support the connection to the regional offices and disaster recovery site,
- Provision of software, applications and services for a managed server solution including:
 - Server backup
 - Workstations backup
 - Storage optimisation and file analysis module
 - Storage space archiving
- Support and Maintenance, including the replacement of components when required, updates and upgrades of software, renewal of all licence, and regular reporting.
- Delivery, setup and configuration of systems and infrastructure in the head office and disaster recovery site (Implementation of a dual/redundant site).
- Ensuring that there is comprehensive insurance cover for the duration of the contract.
- The successful bidder is required to deliver the hardware within six (6) months of receipt of purchase order.
- Installation, setup and configuration should be completed within three (3) months after delivery of equipment.

The CGS currently maintains a firewall configuration on its production and disaster recovery environment. The successful bidder is required to maintain the firewall solution and its licences for the duration of the contract.

CGS may consider negotiating with the successful bidder to own the equipment at the end of the lease period or at any stage within the lease period at a cost.

D. Datacentre Server/Storage Refresh and Business Continuity Implementation

- Implementation of a dual site, fully redundant virtualised infrastructure.
- The virtualised platform should simplify daily operations and administrative tasks by combining Compute, Server, Storage and Virtualisation into a single managed appliance providing full application availability.
- The solution provided should leverage a Hypervisor to manage virtualised workloads.
- Datacentre Recovery and Business Continuity implementation.

E. Server and End-user Backup

- System must be able to seamlessly back up changes to endpoints and retain backup data for the period specified by the CGS from the date of the last backup.
- System must allow for Production VMs to be replicate to disaster recover site and backup to tape for long term storage.
- The solution must provide the ability to centrally manage application updates.
- System must work on PCs, Laptops and Virtual machines with all currently supported Windows and Linux platforms.
- System may work on mobile devices such as iPads, Apple and Android cell phones.

F. Services

The successful bidder shall be required to:

- provide a solution design document before implementation and an updated low-level design document after the implementation.

--	-------------------------------------

- provide onsite installation and project management of the servers and storage and network infrastructure hardware in the CGS production environment.
- provide infrastructure and/or perform work (if required) on the following:
 - Any electrical wiring, conduits, power supplies and mains outlet.
 - Any network infrastructure hardware and components.
- provide a managed service agreement for critical IT applications and provide real-time service to proactively monitor and manage critical infrastructure and applications.
- transfer of skills to CGS personnel as part of the design, implementation, transition, and post-implementation services.
- provide all documentation, including standard operating procedures, manuals and checklists relating to the management of the implemented solution.

11. SUBMISSION OF PROPOSALS

- 11.1. Bid documents should be placed in the tender box at the aforesaid address on or before the closing date and time (as specified above).
- 11.2. Bid documents will only be considered if received by Council for Geoscience before the closing date and time, regardless of the method used to send or deliver such documents to Council for Geoscience.
- 11.3. **The bidder must provide a unique reference number (e.g. binder/folio, chapter, section, page) to locate substantiating evidence in the bid response for all stage of evaluations, being, the administrative, mandatory, functionality and price & specific goals.**
- 11.4. The bidders are required to submit three (3) copies of their submission (1) original and two copies (2) by Closing date 12 April 2024 at 11:00am.

12. DEMONSTRATION AND PRESENTATION

Council for Geoscience **may** schedule presentations/demonstrations **only** with the short-listed Bidders as part of the bid evaluation process.

13. EVALUATION AND SELECTION APPROACH

All tender applications will be evaluated according to the following approach,

- a) Administrative Evaluation Criteria (to determine whether the documentation has been completed correctly)
- b) Mandatory Evaluation Criteria
- c) Functional Evaluation Criteria

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

d) Price and Specific goal

Council for Geoscience has set minimum standards (Gates) that a bidder needs to meet in order to be evaluated and selected as a successful bidder. The minimum standards consist of the following:

Administrative Evaluation Criteria (Gate 1)	Mandatory Evaluation Criteria (Gate 2)	Functional Evaluation Criteria (Gate 3)	Price and Specific Goal Evaluation (Gate 4)
Only bidders who fully complied with administrative requirement submitted all compulsory documents will proceed to Gate 2	Only bidders who fully complied with the mandatory requirements will be evaluated for Functional Evaluation Criteria. Which is Gate 3	Only bidders who achieve 85 points threshold will proceed to Gate 4	Price and Specific Goals.

The CGS retains the right not to award the tender to the lowest bidder.

13.1. Administrative evaluation criteria

Document that must be submitted	Non-submission may result in disqualification	
Invitation to Bid – SBD 1	YES	Complete and sign the SBD1 form
Declaration of Interest – SBD 4	YES	Complete and sign the SBD4 form
Preference Point Claim Form – SBD 6.1	YES	Complete and sign the SBD6.1 form
Registration on Central Supplier Database (CSD)	YES	The companies must be registered as a service provider on the Central Supplier Database (CSD). If you are not registered, proceed to complete the registration of your company prior to submitting your proposal. Visit https://secure.csd.gov.za/ to obtain your vendor number. Submit proof of registration.

Bidders who do not submit the requested administrative documents, will be given a maximum of 2 working/business days to submit, failure will render the bid response/submission as unacceptable, and therefore be disqualified. This is in exception of SBD 6.1 that must be

completed correctly with the original bid submission and none submission or incomplete submission will results in no scoring of points for specific goals.

Bidders who are not tax compliant will be afforded seven working days to correct none-compliance in the CSD; failure will render the bid unacceptable and be disqualified. Bidders must submit proof of tax compliance within the seven-day period, in line with Instruction note 09 of 2017/18, section 4.2.

14. MANDATORY EVALUATION CRITERIA

Bidders must submit the following accreditation documents and failure to comply with all the requirements will lead to disqualification:

1. Valid Authorized Partner letter/certificate with Hardware and software OEM showing the level of certification/partnership (that addresses the CGS requirements as per technical specifications)
2. Valid VMWare Authorized Partner letter
3. Valid Commvault Authorized Partner letter

16. PRICING

When completing the Pricing, kindly take note of the following:

- All pricing to be quoted in South Africa Rands. Where your product is influenced by foreign currency fluctuations, kindly stipulate the exchange rate used. Note that any foreign exchange risk remains that of the supplier. Any exchange control approval remains the responsibility of the supplier. All fees and expenses are inclusive of any export and import tax.
- Cost of implementation must include disbursements and expenses (all-inclusive but marked as such)
- All pricing quoted must be inclusive of VAT.
- Pricing details shall remain valid for the contract period.

Bidders must quote based on a fixed-price approach. No variations to the contract price will be allowed once the fee has been approved.

Bidders are requested to use the information provided to develop and propose a model solution for the CGS and provide a break-down of the pricing for the production and disaster recovery sites as follows (Estimate 150TB growth per year):

16.1. Price and Specific Goals

Either the 90/10 or 80/20 preference point system will be applicable in this tender. The lowest acceptable tender will be used to determine the accurate system once tenders are received.

a) Stage 1 – Price Evaluation (80 Points or 90 Points)

Criteria	Points
Price Evaluation $Ps = 80 \text{ or } 90 \left(1 - \frac{Pt - P \text{ min}}{P \text{ min}} \right)$	80 or 90

The following formula will be used to calculate the points for price:

Where

Ps = Points scored for comparative price of bid under consideration

Pt = Comparative price of bid under consideration

Pmin = Comparative price of lowest acceptable bid

b) Stage 2 – Specific Goals Evaluation (20 Points or 10 points)

a. Specific Goals Points allocation

Specific Goal Status level of Contributor	Number of Points
1. 51% or more Black Ownership	10 or 5
2. 30% or more Women Ownership	10 or 5

Specific goals points will only be allocated to bidders on submission of the following:

- A duly completed Preference Point Claim Form: Standard Bidding Document (SBD 6.1)
- Submit a valid Certified accredited SANAS BBBEE certificate, DTI Certificate or Sworn Affidavit

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

Either the 90/10 or 80/20 preference point system will be applicable in this tender. The lowest acceptable tender will be used to determine the accurate system once tenders are received.

b. Joint Ventures, Consortiums and Trusts

Bidders must submit concrete proof of the existence of joint ventures and/or consortium arrangements. Council for Geoscience will accept signed agreements as acceptable proof of the existence of a joint venture and/or consortium arrangement.

The joint venture and/or consortium agreements must clearly set out the roles and responsibilities of the Lead Partner and the joint venture and/or consortium party. The agreement must also clearly identify the Lead Partner, who shall be given the power of attorney to bind the other party/parties in respect of matters pertaining to the joint venture and/or consortium arrangement.

c) Stage 3 (80 + 20 = 100 points) or (90 + 10 = 100 points)

The Price and Specific Goals points will be consolidated.

17. GENERAL CONDITIONS OF CONTRACT

Any award made to a bidder under this bid is conditional, amongst others, upon:

- a. The bidders accepting the terms and conditions contained in the General Conditions of Contract as the minimum terms and conditions upon which Council for Geoscience is prepared to enter into a contract with the successful Bidders.
- b. The bidder submitting the General Conditions of Contract to Council for Geoscience together with its bid, duly signed by an authorised representative of the bidder.

18. SERVICE LEVEL AGREEMENT

- 18.1.** Upon award **Council for Geoscience** and the successful bidder will conclude a Service Level Agreement regulating the specific terms and conditions applicable to the services being procured by **Council for Geoscience** more or less in the format of the draft Service Level Indicators included in this tender pack.
- 18.2.** **Council for Geoscience** reserves the right to vary the proposed draft Service Level Indicators during the course of negotiations with a bidder by amending or adding thereto.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

18.3. Bidders are requested to:

- c. Comment on draft Service Level Indicators and where necessary, make proposals to the indicators.
- d. Explain each comment and/or amendment; and
- e. Use an easily identifiable colour font or “track changes” for all changes and/or amendments to the Service Level Indicators for ease of reference.

18.4. Council for Geoscience reserves the right to accept or reject any or all amendments or additions proposed by a bidder if such amendments or additions are unacceptable to Council for Geoscience or pose a risk to the organisation.

19. SPECIAL CONDITIONS OF THIS BID

Council for Geoscience reserves the right:

- 19.1.** To award this tender to a bidder that did not score the highest total number of points, only in accordance with section 2(1)(f) of the PPPFA (Act 5 of 2000)
- 19.2.** To negotiate with one or more preferred bidders identified in the evaluation process, regarding any terms and conditions, including price without offering the same opportunity to any other bidders who has not been awarded the status of the preferred bidders.
- 19.3.** To accept part of a tender rather than the whole tender.
- 19.4.** To carry out site inspections, product evaluations or explanatory meetings in order to verify the nature and quality of the services offered by the bidders, whether before or after adjudication of the Bid.
- 19.5.** To correct any mistakes ten days before bid closure that may have been in the Bid documents.
- 19.6.** To cancel and/or terminate the tender process at any stage, including after the Closing Date and/or after presentations have been made, and/or after tenders have been evaluated and/or after the preferred bidders have been notified of their status as such.
- 19.7.** Award to multiple bidders based either on size or geographic considerations.

20. COUNCIL FOR GEOSCIENCE REQUIRES BIDDERS TO DECLARE

In the Bidder's Technical response, bidders are required to declare the following:

20.1. Confirm that the bidders are to: –

- a. Act honestly, fairly, and with due skill, care and diligence, in the interests of Council for Geoscience
- b. Have and employ effectively the resources, procedures and appropriate technological systems for the proper performance of the services;
- c. Act with circumspection and treat Council for Geoscience fairly in a situation of conflicting interests;
- d. Comply with all applicable statutory or common law requirements applicable to the conduct of business;
- e. Make adequate disclosures of relevant material information including disclosures of actual or potential own interests, in relation to dealings with Council for Geoscience
- f. Avoidance of fraudulent and misleading advertising, canvassing and marketing;
- g. To conduct their business activities with transparency and consistently uphold the interests and needs of Council for Geoscience as a client before any other consideration; and
- h. To ensure that any information acquired by the bidders from Council for Geoscience will not be used or disclosed unless the written consent of the client has been obtained to do so.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

21. CONFLICT OF INTEREST, CORRUPTION AND FRAUD

21.1. Council for Geoscience reserves its right to disqualify any bidder who either itself or any of whose members (save for such members who hold a minority interest in the bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a 15% interest in the bidder other than in the context of shares listed on a recognised stock exchange), directors or members of senior management, whether in respect of [Institution name] or any other government organ or entity and whether from the Republic of South Africa or otherwise ("Government Entity")

- a. engages in any collusive tendering, anti-competitive conduct, or any other similar conduct, including but not limited to any collusion with any other bidder in respect of the subject matter of this bid;
- b. seeks any assistance, other than assistance officially provided by a Government Entity, from any employee, advisor or other representative of a Government Entity in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- c. makes or offers any gift, gratuity, anything of value or other inducement, whether lawful or unlawful, to any of Council for Geoscience officers, directors, employees, advisors or other representatives;
- d. makes or offers any gift, gratuity, anything of any value or other inducement, to any Government Entity's officers, directors, employees, advisors or other representatives in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- e. accepts anything of value or an inducement that would or may provide financial gain, advantage or benefit in relation to procurement or services provided or to be provided to a Government Entity;
- f. pays or agrees to pay to any person any fee, commission, percentage, brokerage fee, gift or any other consideration, that is contingent upon or results from, the award of any tender, contract, right or entitlement which is in any way related to procurement or the rendering of any services to a Government Entity;
- g. has in the past engaged in any matter referred to above; or
- h. has been found guilty in a court of law on charges of fraud and/or forgery, regardless of whether or not a prison term was imposed and despite such bidder, member or director's name not specifically appearing on the List of Tender Defaulters kept at National Treasury.

22. MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT

22.1. The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that **Council for Geoscience** relies upon the bidder's Tender

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

- 22.2.** It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by Council for Geoscience against the bidder notwithstanding the conclusion of the Service Level Agreement between Council for Geoscience and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

23. PREPARATION COSTS

The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this bid and all other costs incurred by it throughout the bid process. Furthermore, no statement in this bid will be construed as placing **Council for Geoscience**, its employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the bidders in the preparation of their response to this bid.

24. INDEMNITY

If a bidder breaches the conditions of this bid and, as a result of that breach, **Council for Geoscience** incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds **Council for Geoscience** harmless from any and all such costs which **Council for Geoscience** may incur and for any damages or losses **Council for Geoscience** may suffer.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

25. LIMITATION OF LIABILITY

A bidder participates in this bid process entirely at its own risk and cost. **Council for Geoscience** shall not be liable to compensate a bidder on any grounds whatsoever for any costs incurred or any damages suffered as a result of the Bidder's participation in this Bid process.

26. TAX COMPLIANCE

No tender shall be awarded to a bidder who is not tax compliant. **Council for Geoscience** reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder in the event that it is established that such bidder was in fact not tax compliant at the time of the award, or has submitted a fraudulent Tax Clearance Certificate to **Council for Geoscience** or whose verification against the Central Supplier Database (CSD) proves non-compliant. **Council for Geoscience** further reserves the right to cancel a contract with a successful bidder in the event that such bidder does not remain tax compliant for the full term of the contract.

27. TENDER DEFAULTERS AND RESTRICTED SUPPLIERS

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appears on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. **Council for Geoscience** reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

28. GOVERNING LAW

South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

29. RESPONSIBILITY FOR SUB-CONTRACTORS AND BIDDER'S PERSONNEL

A bidder is responsible for ensuring that its personnel (including agents, officers, directors, employees, advisors and other representatives), its sub-contractors (if any) and personnel of its sub-contractors comply with all terms and conditions of this bid. In the event that Council for

Geoscience allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and Council for Geoscience will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

30. CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with Council for Geoscience's examination and evaluation of a Tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by Council for Geoscience remain proprietary to Council for Geoscience and must be promptly returned to Council for Geoscience upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, bidders must secure Council for Geoscience's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

31. COUNCIL FOR GEOSCIENCE PROPRIETARY INFORMATION

Bidder will on their bid cover letter make declaration that they did not have access to any Council for Geoscience proprietary information or any other matter that may have unfairly placed that bidder in a preferential position in relation to any of the other bidders.

32. AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this bid. The Council for Geoscience may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder who shall immediately make arrangements to stop the performance of the services and minimize further expenditure: Provided that the successful bidder shall thereupon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension.

PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 **To be completed by the organ of state**

- a) Either the **90/10 or 80/20 preference point system** will be applicable in this tender. The lowest/highest acceptable tender will be used to determine the accurate system once tenders are received.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
(b) Specific Goals.

1.4 **To be completed by the organ of state:**

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80 or 90
SPECIFIC GOALS	20 or 10
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

$$Ps = 80 \left(1 - \frac{Pt - Pmin}{Pmin} \right) \text{ or } Ps = 90 \left(1 - \frac{Pt - Pmin}{Pmin} \right)$$

Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmin = Price of lowest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:

4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—

- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
- (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (90/10 system) (To be completed by the organ of state)	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (90/10 system) (To be completed by the tenderer)	Number of points claimed (80/20 system) (To be completed by the tenderer)

General Conditions of Contract

1. Definitions

1. The following terms shall be interpreted as indicated:

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

- 1.1 “Closing time” means the date and hour specified in the bidding documents for the receipt of bids.
- 1.2 “Contract” means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- 1.3 “Contract price” means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
- 1.4 “Corrupt practice” means the offering, giving, receiving, or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution.
- 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
- 1.6 “Country of origin” means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
- 1.7 “Day” means calendar day.
- 1.8 “Delivery” means delivery in compliance of the conditions of the contract or order.
- 1.9 “Delivery ex stock” means immediate delivery directly from stock actually on hand.
- 1.10 “Delivery into consignees store or to his site” means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
- 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.
- 1.12 ”Force majeure” means an event beyond the control of the supplier and not involving the supplier’s fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

- 1.13 “Fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 “GCC” means the General Conditions of Contract.
- 1.15 “Goods” means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 “Imported content” means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 “Local content” means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 “Manufacture” means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 “Order” means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 “Project site,” where applicable, means the place indicated in bidding documents.
- 1.21 “Purchaser” means the organization purchasing the goods.
- 1.22 “Republic” means the Republic of South Africa.
- 1.23 “SCC” means the Special Conditions of Contract.
- 1.24 “Services” means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
- 1.25 “Written” or “in writing” means handwritten in ink or any form of electronic or mechanical writing.

2. Application

- 2.1 These general conditions are applicable to all bids, contracts and orders

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.

2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.

2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.

3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

4. Standards

4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract

5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

5.2 The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause

5.1 except for purposes of performing the contract.

5.3 Any document, other than the contract itself mentioned in GCC clause

5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.

5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

documents
and information;
inspection

6. Patent rights

6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

arising from use of the goods or any part thereof by the purchaser.

- 7. Performance security**
- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC
- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- (a) The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms: a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
- (b) a cashier's or certified cheque
- 7.3 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected

Proposal No. CGS-2023-026THB

supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC

9. Packing

9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.

9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.

10.2 Documents to be submitted by the supplier are specified in SCC.

11. Insurance

11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12. Transportation

12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13. Incidental services 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:

- (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
- (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
- (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
- (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
- (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
- (b) in the event of termination of production of the spare parts:
 - (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
 - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

- 16. Payment**
- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC.
- 17. Prices**
- 17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.
- 18. Contract amendments**
- 18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.
- 19. Assignment**
- 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.
- 20. Subcontracts**
- 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.
- 21. Delays in the supplier's performance**
- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause without the application of penalties.

21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause.

23. Termination for default

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

24 Anti-dumping and

countervailing duties and rights

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

25. Force Majeure

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

Appointment of a service provider for the supply and ongoing support of the server, storage and backup infrastructure for the Council for Geoscience on a lease basis for a period of sixty (60) months.

Proposal No. CGS-2023-026THB

25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for insolvency 26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes 27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.

27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.

27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.

27.5 Notwithstanding any reference to mediation and/or court proceedings herein,

(a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and

(b) the purchaser shall pay the supplier any monies due the supplier.

28. Limitation of liability 28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;

(a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and
