

AGREEMENT

APPENDIX 2: PERSONNEL, EQUIPMENT, FACILITIES AND SERVICES OF OTHERS TO BE PROVIDED BY THE CLIENT

1. PROVISIONS BY THE TCTA

In general, TCTA will not provide or make available, free of cost, any personnel, equipment, facilities or services by others to the Consultant for the Services. The cost of any equipment, facilities or services by others is deemed to be covered in the Consultant's remuneration or elsewhere in the Agreement.

1.1 TASK 1 – INCEPTION REPORT

TCTA will not provide personnel, equipment, facilities or services by others to the Consultant during this Task.

1.2 TASK 2 – PROVIDE TECHNICAL MODELLING SUPPORT FOR THE EVALUATION OF THE CURRENT SITUATION

TCTA will not provide personnel, equipment, facilities or services by others to the Consultant during this task.

1.3 TASK 3 – HYDROLOGICAL DATA AND WATER DEMAND UPDATES

TCTA will not provide personnel, equipment, facilities or services by others to the Consultant during this task.

1.4 TASK 4 – PROJECT MANAGEMENT

TCTA will not provide personnel, equipment, facilities or services by others to the Consultant during this task.

1.5 TASK 5 – TRANSFORMATION

TCTA will not provide personnel, equipment, facilities or services by others to the Consultant during this task.

Graduate engineer(s), technologist(s), technician(s) and environmental scientist(s) may, however, be seconded to the Consultant for training and skills development to build capacity in TCTA and the built industry. A Provisional Sum is provided in Appendix 3 of the Agreement.
