Tenderer Query	Eskom's Response
<p>Based on the introduction of the RFI, the Just Energy Transition (JET) journey includes the repurposing and re-powering as one of the projects. There's a list of initiatives that are identified for interested parties to expand on, in response to the RFI.</p> <p>These include the following:</p> <ul style="list-style-type: none"> • Ash beneficiation (ash roads, ash mine back filling and ash brick making) • Copper beneficiation • Community Training Facilities i.e. welding, steel fabrication etc. • Cooling and refrigeration • Alien vegetation removal <p>Please advise, if interested parties can propose something new and outside of the above bulleted points in line with supporting Eskom with its Just Energy Transition plan.</p>	<p>Proposal's are accepted.</p>
