

PART C2: PRICING DATA

Document reference	Title	No of pages
C2.1	Pricing Assumptions: TSC Option E	3
C2.2	Pricing Schedule	9

C2.1 Pricing Assumptions: TSC Option E

The conditions of contract

2.1.1. Pricing Instructions

- 2.1.1.a. The *Contractor* shall be paid under Option E for services performed.
- 2.1.1.b. The staff rates are the prices charged for staff and shall include for all the costs to the *Contractor*, including basic salary, any additional payments or benefits and social costs, overhead charges incurred as part of normal business operations including the cost of management, as well as payments to administrative, clerical and secretarial staff used to support professional and technical staff in general and not on a specific project only.
- 2.1.1.c. The total annual cost of employment of a person is the total amount borne by the *Contractor* in respect of the employment of such a person per year, calculated at the amounts applicable to such a person at the time when the services are rendered, including basic salary, or a nominal market related salary, fringe benefits not reflected in the basic salary, including normal annual bonus; *Employer's* contribution to medical aid; group life insurance premiums borne by the *Contractor*; the *Contractor's* contribution to a pension or provident fund; and all other benefits or allowances payable in terms of a letter of appointment, including any transportation allowance or company vehicle benefits, telephone and/or computer allowances, etc and amounts payable in terms of an Act including, but not limited to, the Basic Conditions of Employment Act. Hence, staff rates are to include for all burdens/on-costs, statutory holidays and all leave entitlements (normal leave, sick leave, family responsibility leave, etc.) in terms of such person's conditions of employment and/or in terms of the Basic Conditions of Employment Act.
- 2.1.1.d. The staff rates shall include for all necessary protective clothing, standard equipment required to carry out their duties.
- 2.1.1.e. Rates quoted in Part C2.2 of the Pricing Schedule are deemed to include for tools, consumables and all other equipment required to carry out the required scope of service.
- 2.1.1.f. The *Contractor* and their employees will be required to undergo a medical examination and safety induction on commencement of service and exit medical examinations on completion of contract.
- 2.1.1.g. The staff rates derived from the Part C2.2 which include *Contractor's* mark-up but excludes value added tax.

2.1.2 Expenses

- 2.1.2.a All costs for materials, medicals, access permits and all other costs (approved by the *Service Manager*), other than the man hours costs are to be charged at cost plus the agreed fee (as per C1.2 Contract Data)

C2.2 Pricing Schedule

2.2.1 Staff Rates and Expenses
