5. Software Download

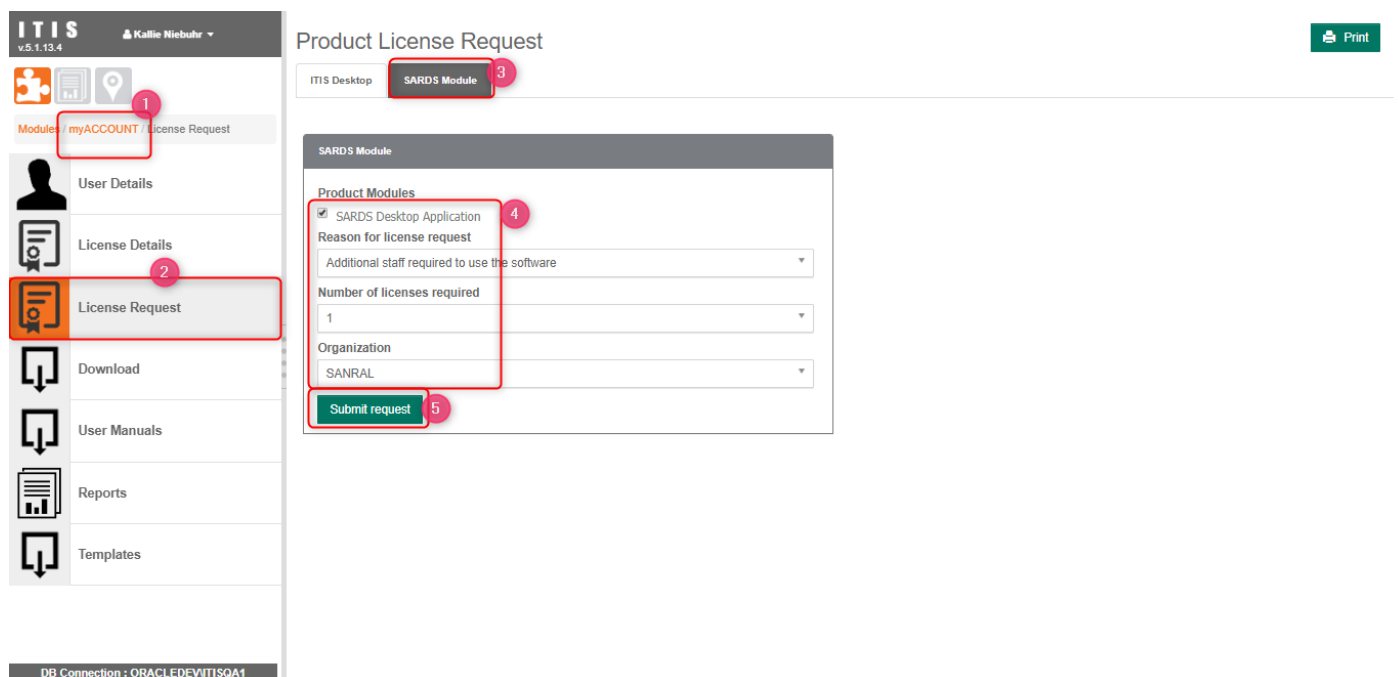

Log onto ITIS Portal Website, <http://itis.nra.co.za/portal/Default/Index>) using User Credential's and navigate to:

- i. Click on **My Account** sub menu>
- ii. Click on **Download** sub-menu on the left side>
- iii. Click on **SARDS Module** Tab on the top right>
- iv. Select **Full Install: SARDS Prerequisites** file on the bottom left for first-time installer Download>
- v. Click on **Setup> Install>**
- vi. Double click on the **SARDS Desktop** shortcut on your Desktop.

6. Registration Process

Log onto On the ITIS Portal Website to request the license number <http://itisqa.nra.co.za/portal/Default/Index>, navigate to:

- Click on **MyAccount** sub-menu>
- Click on **License Request** sub-menu on the left side>
- Click on **SARDS Module** tab top right side>
- Click on SARDS Desktop Application checkbox and select relevant answers on the dropdown line items on **Product Module** box>
- Click on the **Submit Request** button.

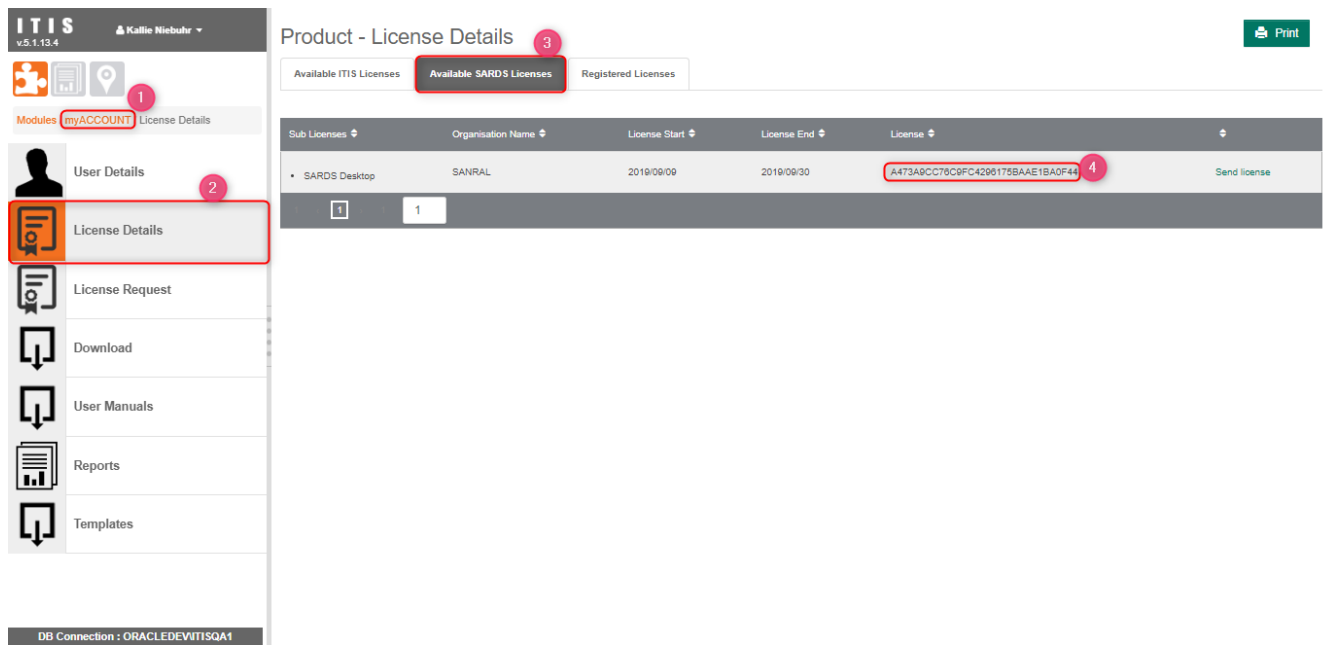

The screenshot shows the ITIS Portal Website interface. The left sidebar contains navigation links: User Details, License Details, License Request (highlighted with a red box and number 2), Download, User Manuals, Reports, and Templates. The main content area is titled 'Product License Request' and contains a 'SARDS Module' tab (highlighted with a red box and number 3). The 'SARDS Module' form includes a 'Product Modules' section with a checkbox for 'SARDS Desktop Application' (highlighted with a red box and number 4). Below this are dropdown menus for 'Reason for license request' (with the selected value 'Additional staff required to use the software'), 'Number of licenses required' (with the selected value '1'), and 'Organization' (with the selected value 'SANRAL'). A 'Submit request' button (highlighted with a red box and number 5) is located at the bottom of the form. A 'Print' button is visible in the top right corner. The bottom status bar shows 'DB Connection : ORACLEDEVITISQA1'.

NOTE: Licence Key Request should be sent to ITIS Support for further processing

7. Approved Licence Number

Log onto On the ITIS Portal Website to access license number <http://itisqa.nra.co.za/portal/Default/Index> , navigate to:

- Click on **MyAccount** sub-menu>
- Click on **Licence Details** sub-menu on the left side>
- Click on **Available SARDS Licenses** tab top right side>
- Copy the **License Number**.

The screenshot shows the ITIS Portal interface. On the left sidebar, the 'myACCOUNT' module is selected (1), and the 'License Details' option is highlighted (2). The main content area shows the 'Product - License Details' page with the 'Available SARDS Licenses' tab selected (3). A table displays the license details for 'SARDS Desktop' under the organization 'SANRAL'. The license number 'A473A9CC78C9FC4298175BAAE1BA0F44' is highlighted with a red box and number 4. A 'Send license' button is visible next to the license number.

Sub Licenses	Organisation Name	License Start	License End	License	
SARDS Desktop	SANRAL	2019/09/09	2019/09/30	A473A9CC78C9FC4298175BAAE1BA0F44	Send license

8. Register Login Window

- i. Capture **Username** details>
- ii. Capture **Password** details>
- iii. Paste **License Key number**>

10. Software Update

Log onto ITIS Portal Website, <http://itis.nra.co.za/portal/Default/Index> using User Credential`s and navigate to:

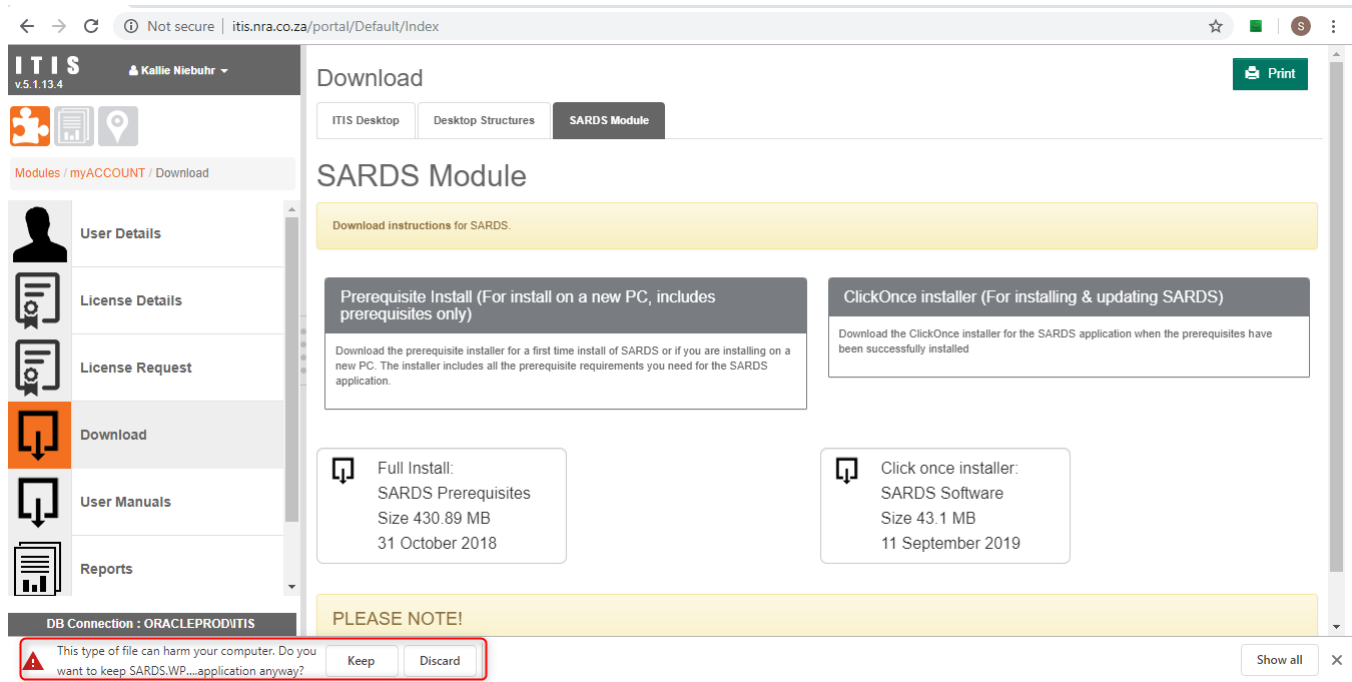

- Click on **My Account** sub menu>
- Click on **Download** sub-menu on the left side>
- Click on **SARDS Module** Tab on the top right>
- Select **Click once installer SARDS: Software** file download>
- Click on **Setup> Install>**
- Double click on the **SARDS Desktop** shortcut on your Desktop.

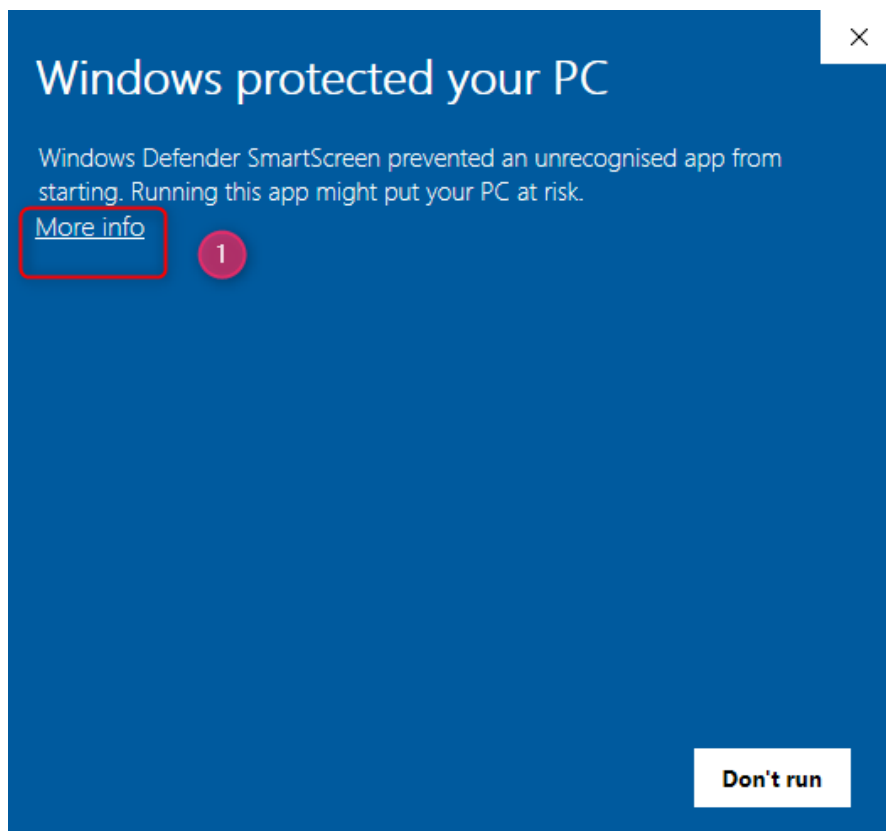

The screenshot shows the ITIS Portal Website interface. The sidebar on the left contains navigation links: myACCOUNT (1), Download (2), User Manuals, Reports, and Templates. The top navigation bar includes links for ITIS Desktop, Desktop Structures, and SARDS Module (3). The main content area is titled "SARDS Module" and contains download instructions. It includes two sections: "Prerequisite Install (For install on a new PC, includes prerequisites only)" and "ClickOnce installer (For installing & updating SARDS)". The ClickOnce installer section has a download link (4) for the "Click once installer: SARDS Software" file, which is 43.1 MB and dated 11 September 2019. A "PLEASE NOTE!" section at the bottom states: "You may require your IT Administrator to perform this installation as you will require administrator rights on your Windows Installation."

Note: Should the user get an warning message on the bottom left on the screen, keep changes and continue with the download

- Click on **Keep** button>
- Click on **More Info** line item on the left side>
- Click on **Run Anyway** button Tab on the bottom left >

The screenshot shows the ITIS portal interface. The top navigation bar includes the ITIS logo and user information. The left sidebar contains navigation links for User Details, License Details, License Request, Download, User Manuals, and Reports. The main content area is titled 'SARDS Module' and contains download instructions. It includes two main sections: 'Prerequisite Install (For install on a new PC, includes prerequisites only)' and 'ClickOnce installer (For installing & updating SARDS)'. Below these sections are two download boxes: 'Full Install: SARDS Prerequisites' (Size 430.89 MB, 31 October 2018) and 'Click once installer: SARDS Software' (Size 43.1 MB, 11 September 2019). At the bottom, there is a 'PLEASE NOTE!' section and a warning message: 'This type of file can harm your computer. Do you want to keep SARDS.WP...application anyway?' with 'Keep' and 'Discard' buttons.

The screenshot shows a Windows Defender SmartScreen warning message. The message is displayed in a blue box with white text. It states: 'Windows protected your PC. Windows Defender SmartScreen prevented an unrecognized app from starting. Running this app might put your PC at risk.' Below the text, there is a 'More info' link and a 'Don't run' button. A red circle with the number '1' is placed next to the 'More info' link.

Windows protected your PC

Windows Defender SmartScreen prevented an unrecognized app from starting. Running this app might put your PC at risk.
