## REQUEST FOR SUPPLY AND DELIVERY OF CONSUMABLES

Good day

1. You are kindly requested to submit a written quotation to the Agricultural Research Council as per below or attached terms of reference (TOR).

| No    | Requisition | Description                                               | Quantity | Unit of Measure (UOM) |
|-------|-------------|-----------------------------------------------------------|----------|-----------------------|
| 1.1.  | REQ-038715  | Horizontal glass staining trough                          | 5        | EACH                  |
|       |             | Horizontal glass staining trough / Coplin jar             |          |                       |
| 1.2.  |             | Microscope cardboard slide tray                           | 15       | EACH                  |
| 1.3.  |             | Stain tray slide staining system                          | 2        | EACH                  |
| 1.4.  | REQ-038722  | Stainless steel dissecting scissors 130mm sharp and blunt | 25       | EACH                  |
| 1.5.  |             | Stainless steel dissecting forceps straight blunt points  | 25       | EACH                  |
| 1.6.  |             | 100 microscope cover slips 22 x 50 mm                     | 500      | BOX                   |
| 1.7.  |             | 76 x 26 frosted end slides pk of 50                       | 100      | EACH                  |
| 1.8.  | REQ-039080  | Single channel finnpipette 20 - 200ul                     | 1        | EACH                  |
| 1.9.  |             | Single channel finnpipette 100 - 1000ul                   | 1        | EACH                  |
| 1.10. | REQ-039085  | pH buffers 4.00 (500ml)                                   | 2        | EACH                  |
| 1.11. |             | pH buffers 7.00 (500ml)                                   | 2        | EACH                  |

| No    | Requisition | Description                                                                                                                         | Quantity | Unit of Measure (UOM) |
|-------|-------------|-------------------------------------------------------------------------------------------------------------------------------------|----------|-----------------------|
| 1.12. |             | Evans blue 5g                                                                                                                       | 1        | EACH                  |

2. Compulsory requirements:
  - 2.1. Valid current Tax Clearance Certificate and the pin code issued by the South African Revenue Services (SARS).
  - 2.2. Only bidders registered on the Central Supplier Database (CSD) will be considered. Bidders shall include the CSD registration number with the bid proposal.
  - 2.3. Only bidders that submit a valid current certified copy of the BBBEE certificate, original BBBEE certificate or the sworn affidavit, will be considered for scoring on the 20 points as per the 80/20 principle. Bidders are therefore required to submit the certified copy of the BBBEE certificate, original BBBEE certificate or the sworn affidavit.
  - 2.4. Completed and signed Standard Bidding Documents (SBD) forms included in the bid document.
3. The above specified goods/services should be delivered / rendered to the ARC-Onderstepoort Veterinary Institute at above-mentioned delivery address.
4. The particulars of the guarantee that will apply to the goods quoted for, with the particular regards to the period and extent of the warranty must be clearly stated. Where services are required, service providers must submit documentation pertaining the relevant experience.
5. Your written quotation must be deposited or emailed depending on the instructions given in the email.
6. All price quotations that have a rand value of R 30,000.00 to below R 50,000,000.00, including VAT, will be evaluated by applying the 80/20 principle as prescribed by the Preferential Procurement Policy Framework Act 5 of 2000 and its Regulations. The lowest acceptable price will score 80 points, the 20 BBBEE points will be allocated as follows:

| <b>B-BBEE Status Level of Contributor</b> | <b>Number of points (80/20 system)</b> |
|-------------------------------------------|----------------------------------------|
| 1                                         | 20                                     |
| 2                                         | 18                                     |
| 3                                         | 14                                     |
| 4                                         | 12                                     |
| 5                                         | 8                                      |
| 6                                         | 6                                      |
| 7                                         | 4                                      |
| 8                                         | 2                                      |
| Non-compliant contributor                 | 0                                      |
