### **Obligation of the Western Cape Government Health and Wellness**

The Department shall provide the Service Provider with timely access to information reasonably required by the Service Provider to perform its duties under this agreement.

### **Pricing and payment**

Bids at firm percentages for the duration of the contract may receive preference over bids of which percentages are not firm.

Different percentage structures for various periods during the contract period, which are subject to fluctuation, will not be considered. Bidders wishing to make provision for cost variations during the contract period should bid fixed percentages for various periods, i.e. three tier /year 1, 2 and 3.

No adjustments will be considered, however, before 3 months of the contract period have expired, and after that adjustments will be considered at the utmost three monthly.

In the interest of security and expeditious payment, it is the policy of the Department to effect payments by electronic funds transfer (EFT) into a supplier's South African bank account as far as possible. If a successful bidder is not yet a regular participant in Departmental contracts and has not been registered already, the service-provider will be required to furnish the Department with its banking details for the systems in operation (Logis, BAS, Syspro) to be registered. Successful bidders must ensure, therefore, that their banking details are provided to institutions on request where necessary.

On receipt of the invoice by the Department in accordance with the agreed procedure, the relevant officials will verify its correctness. If the invoice is correct, the amount due will be payable within 30 calendar days from date of receipt of invoice, subject to any penalty deductions by the Department. If the Department identifies any discrepancies, or if penalties are not reflected correctly or at all, the invoice will be returned to the supplier and the amount due will be payable within thirty calendar days from receipt of the corrected invoice.

If a service-provider disputes a penalty amount, the Department will have the right to set-off the penalty amount against any amount/invoice payable to the supplier.

### **General**

- (ii) To cancel the bid or any part of the bid before the bid has been awarded,
- (iii) Not to accept the lowest or any other bid and to accept the bid which it deems shall be in the best interest of the Department,
- (iv) Not to award the bid to the highest points or lowest price,  
To reject all responses submitted and to embark on a new bid process,
- (vi) To withdraw any services from the bid process,
- (vii) To terminate any party's participation in the bid process

(viii) or to accept or reject any response to this invitation to bid on notice to the bidders without liability to any party;

(ix) To extend or expand the contract on written request from the Department.

Accordingly, parties have no rights, expressed or implied, with respect to any of the services as a result of their participation in the bid process,

### **Negotiations**

The Department reserves the right to enter into negotiations with bidders (before the contract is concluded) and contractors (after the contract is concluded) regarding inter alia price revisions, increases and service delivery should it be deemed necessary.

### **Performance monitoring**

Constant performance monitoring will be conducted to ensure that Contractors meet their contractual obligations and that contracts run with as little disruption as possible. Meetings with Contractors will be called when necessary to discuss contract issues. On a quarterly basis the successful supplier will have to provide Supply Chain Sourcing three (3) monthly invoices for auditing purposes

### **Penalties and Pro Rata Deductions**

Deductions and penalties will be incurred against the Service Provider for specific transgressions and/or non-performance issues identified during the contract period.

Where applicable, any bid submitted by a consortium or joint venture of two or more firms must be accompanied by a copy of the consortium formation document or joint venture agreement, as applicable, which sets forth the precise responsibilities of each of the parties thereto. Consortia and joint venture members are advised that each member will be held jointly and severally liable for the performance of the consortium or joint venture in terms of the contract contemplated herein. Where a bid is submitted by a consortium or joint venture of two or more firms, please ensure that:

- The joint venture agreement or consortium information document submitted as part of the bid makes it unambiguously clear that the arrangement between the member firms is either a joint venture or a consortium (as the case may be) and is not a sub-contracting arrangement; and
- All standard bidding forms (i.e. WCBD 1, WCBD 4 and WCBD 6.1) are completed in respect of each member firm.
- A trust, consortium or joint venture (including unincorporated consortia and joint ventures) must submit a consolidated B-BBEE Status Level Verification Certificate for every separate tender. Failure by a group of member firms to adhere to these requirements shall disqualify the bid submitted by such member firms.

No copies of a consortium formation document or joint venture agreement will be accepted after the closing date and time of the bid.

The WCGHW reserves the right to request a preferred Service Provider that is a consortium or joint venture to provide the following prior to the making of the award: (a) a certified copy of such document or agreement duly certified by a Commissioner of Oaths (where the consortium or joint venture is based in South Africa); or (b) an authenticated copy of such document or agreement duly authenticated by a Notary Public (where the consortium or joint venture is based outside of South Africa).

Failure by a preferred Service Provider to provide same within a period stipulated by the WCGHW shall disqualify the bid submitted by that preferred Service Provider.

All WCBD forms provided by a consortium or joint venture must be completed in a manner that makes it clear that the Service Provider is a consortium or joint venture. The WCGHW reserves the right to request clarity in this regard on the WCBD forms provided by a consortium or joint venture.
