REQUEST FOR QUOTATION

Iziko Museums of South Africa (Iziko) invites service providers to submit proposals for picture hanging services at Iziko South African National Gallery.

BACKGROUND IZIKO

Iziko Museums of South Africa (Iziko) is a schedule 3A public entity and non-profit organisation, partly subsidised by the National Department of Sport, Arts & Culture (DSAC), bringing together 11 national museums and a Social History Centre situated in the Western Cape under a single governance and leadership structure. Iziko was established in terms of the Cultural Institutions Act, 1998 (Act No. 119 of 1998) and is required to comply with the Public Finance Management Act (PFMA), 1999 (Act No. 1 of 1999, as amended) and its concomitant Regulations.

1. Scope of work/deliverables

The service provider is requested to hang a series of works and remove one complex artwork for the Esther Mahlangu exhibition due to open at the Iziko South African National Gallery on 14 February, 2024. **This project is expected to start on 24 January 2024 and conclude by 10 February 2024.** The service is to include the following:

- Hanging services for small, medium and large framed works (estimation between 120-150 works in total) over the course of **10 days from 29 January to 10 February 2024.**
- There are currently no complicated hanging requirements. Artworks are generally framed and require being affixed to the wall. At present, there are no oversized artworks but we are in discussion with galleries and there may be 2-4 works that are very large. This will be confirmed on appointment. A working list of artworks is attached as a separate document. Please treat this list as confidential.
- R10 000 contingency is to be included in the quote to cover unforeseen hanging expenses. The contingency can only be used in consultation with Iziko's Chief Curator and the use of these funds must be approved by Iziko prior to any service provision.
- A highly specialised artwork needs to be **removed on 24 January 2023**. The work Messages from the Moat is a large scale ± 710 kg work that includes glass bottles, has been installed in the Atrium of the Iziko National Gallery. The work consists of a fishing net that is hung from two

points using a chain. The net holds 1300 glass bottles and is suspended over a fountain. The service provider is to lower and de-install the sculptural work with appropriate certification for OHS. A scissor lift is available for use, should you have the appropriate certifications to drive it. Please see images of the artwork and its fixtures below.

2. EVALUATION CRITERIA

Iziko promotes the concept of “best value” in the award of contracts, as opposed to merely looking for the cheapest price, which does not necessarily provide the best value. Best value incorporates the expertise, experience and technical proposal of the organisation and individuals who will be providing the service and the organisational capacity supporting the project team.

Iziko is committed to achieving Government’s transformation objectives in terms of the Preferential Procurement Policy Framework Act.

- Scoring assessment based on experience and meeting deadlines will be done in terms of the scoring criteria in Table 3 and the minimum threshold of **80** points. A bid will be disqualified if it fails to meet the minimum threshold for scoring as per the bid invitation.
- Proposals will be evaluated on the 80/20 preference points scoring system: that is, 80% of the points awarded will be based on price, as indicated in the table below; and 20% of the points awarded will be based on specific goals, allocated as indicated in the table below:

Table 2 Preferential Points

	Specific goals allocated points	Price
Total maximum points	20	80

Scoring Criteria:

Service providers must meet minimum experience and timeline requirements to participate in the bid. Respondents must score **80 points** from the scoring criteria outlined in Table 3 to be considered for this project. Any bids not achieving 80 points will be disqualified from participating. Scores will be tabulated to 100 points.

Table 3: Evaluation Criteria for scoring

Previous experience and meeting timelines	Maximum number of points /100
Previous Experience in hanging artworks in a museum/gallery/exhibition environment	50
Previous Experience in hanging the Messages in the Moat sculptural work or other highly complex sculptural artworks	10
Ability to meet installation timeline	40
Total evaluation points for quality	100

Experience: The experience of the service provider in projects of similar nature and conditions in relation to the scope of work over the last three (3) years will be evaluated. Bidders should briefly describe his or her experience in this regard and attach this to this schedule.

Meeting timelines: The service provider must stipulate that they can meet our tight deadlines and indicate how many days they expect to be on site to complete the work.

Project duration is estimated from 24 January – 10 February 2024.

2. Compliance Documents (included below)

Service Providers must submit all documents as outlined in Table below.
