SBD 6.1: PREFERENCE POINTS CLAIM FORM

SBD 6.1 -Preference Points Claim Form: This document must be fully completed. Failure to complete the document fully as indicated by the closing date and time **will** forfeit your Specific Goals points. Appendix C

Failure to complete the document fully as indicated by the closing date and time will forfeit your Specific Goals points. Appendix C

PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 To be completed by the organ of state

(delete whichever is not applicable for this tender).

- a) The applicable preference point system for this tender is the ~~90/10~~ preference point system.
- b) The applicable preference point system for this tender is the 80/20 preference point system.
- c) Either the ~~90/10~~ or 80/20 preference point system will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

POINTS	
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **"tender"** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **"price"** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **"rand value"** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **"tender for income-generating contracts"** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **"the Act"** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} 80/20 & \text{or} & 90/10 \\ P_s = 80 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right) & \text{or} & P_s = 90 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right) \end{array}$$

Where

P_s = Points scored for price of tender under consideration

P_t = Price of tender under consideration

P_{min} = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} 80/20 & \text{or} & 90/10 \\ Ps = 80 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right) & \text{or} & Ps = 90 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right) \end{array}$$

Where

- Ps = Points scored for price of tender under consideration
Pt = Price of tender under consideration
Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
- then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

THE TENDERER IS TO PICK ONLY ONE SPECIFIC GOAL

General Conditions of Contract

1. Definitions

1. The following terms shall be interpreted as indicated:
 - 1.1 "Closing time" means the date and hour specified in the bidding documents for the receipt of bids.
 - 1.2 "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
 - 1.3 "Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
 - 1.4 "Corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution.
 - 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
 - 1.6 "Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
 - 1.7 "Day" means calendar day.
 - 1.8 "Delivery" means delivery in compliance of the conditions of the contract or order.
 - 1.9 "Delivery ex stock" means immediate delivery directly from stock actually on hand.
 - 1.10 "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
 - 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the

RSA.

- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organization purchasing the goods.
- 1.22 "Republic" means the Republic of South Africa.
- 1.23 "SCC" means the Special Conditions of Contract.
- 1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such

obligations of the supplier covered under the contract.

- 1.25 “Written” or “in writing” means handwritten in ink or any form of electronic or mechanical writing.

2. Application

- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

4. Standards

- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract documents and information; inspection.

- 5.1 The supplier shall not, without the purchaser’s prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
- 5.2 The supplier shall not, without the purchaser’s prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier’s performance under the contract if so required by the purchaser.
- 5.4 The supplier shall permit the purchaser to inspect the supplier’s records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6. Patent rights

- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

7. Performance security

- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
 - (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
 - (b) a cashier's or certified cheque
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or

analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2 Documents to be submitted by the supplier are specified in SCC.

11. Insurance

- 11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12. Transportation

- 12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13. Incidental services

- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
- (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
 - (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;

- (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
- (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
- (b) in the event of termination of production of the spare parts:
 - (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
 - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take

such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16. Payment

- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC.

17. Prices

- 17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

18. Contract amendments

- 18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

19. Assignment

- 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

20. Subcontracts

- 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

21. Delays in the supplier's performance

- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the

supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.

21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any

person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

- 23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.
- 23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:
- (i) the name and address of the supplier and / or person restricted by the purchaser;
 - (ii) the date of commencement of the restriction
 - (iii) the period of restriction; and
 - (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

- 23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

24. Anti-dumping and countervailing duties and rights

- 24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which

may be due to him

25. Force Majeure

- 25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.
- 25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for insolvency

- 26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes

- 27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
- 27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
- 27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
- 27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
- 27.5 Notwithstanding any reference to mediation and/or court proceedings herein,
- (a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and
 - (b) the purchaser shall pay the supplier any monies due the supplier.

28. Limitation of liability

- 28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;
- (a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and

- (b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.
- 29. Governing language** 29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.
- 30. Applicable law** 30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.
- 31. Notices** 31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice
- 31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.
- 32. Taxes and duties** 32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.
- 32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.
- 32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue Services.
- 33. National Industrial Participation Programme (NIP)** 33.1 The NIP Programme administered by the Department of Trade and Industry shall be applicable to all contracts that are subject to the NIP obligation.
- 34 Prohibition of Restrictive practices** 34.1 In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder (s) is / are or a contractor(s) was / were involved in collusive bidding (or bid rigging).
- 34.2 If a bidder(s) or contractor(s), based on reasonable grounds or evidence obtained by the purchaser, has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in the Competition Act No. 89 of 1998.

- 34.3 If a bidder(s) or contractor(s), has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10) years and / or claim damages from the bidder(s) or contractor(s) concerned.

SPECIAL CONDITIONS OF CONTRACT (SCC)

CHANGED REQUIREMENT

1. If Department of Defence institutions participating in this contract are disbanded or relocated or for reasons unknown at the time of concluding the contract, the Department of Defence reserves the right to cancel the contract or parts thereof on written notice of 90 days sent to the contractor at the address appearing in the contract.

CO-ORDINATED ACTIVITIES

2. Whilst on Department of Defence premises, personnel of the contractor will have access to all areas, subject to other stipulations in the relevant contract, to render the services. If the contractor's service is not rendered in a specific area at a given time, access to that area is forbidden.
3. The work to be executed must under no circumstances disrupt the routine activities taking place in the institution or on the premises where the service is to be provided.

CONTRACTOR'S PERSONNEL

4. Identification. To identify the contractor's personnel on the premises of the Department of Defence, the personnel will comply with the following, with any costs for the account of the contractor:
 - a. Personnel will wear company identification cards with an employee photograph on it, conspicuously on his/her person at all times;
 - b. Personnel will wear identifiable uniforms whilst on duty.
5. Attitude towards Safety, Health, Security and Service Delivery. Without prejudice to the contractor's responsibility and right to select and appoint his/her own personnel, the Department of Defence will at all times have the right to identify personnel of the contractor whom are considered to be safety and/or health and/or security risk and/or personnel whom are undesirable. In such case the contractor will be requested not to utilise such person(s) any longer to honour his/her obligations in terms of this contract. The contractor will immediately comply with the request and he/she will not, as a result of such a request, be entitled to institute any claim against the Department of Defence for any loss or otherwise suffered as a result of such a request. The contractor therefore indemnifies the Department of Defence against any claim whatsoever from the employee concerned.

6. Name List. The contractor must submit a complete name list of all personnel to be employed on Department of Defence premises to provide the service according to the contract, to the Department of Defence official at the institution or on the premises where the service is to be provided, who will arrange for entry permits for the contractor. Any changes to the personnel must be communicated to the designated official without delay.
7. Personnel on Site. The contractor must ensure that the total number of personnel offered for the execution of this contract is on duty on a daily basis. Provision must therefore be made for temporary or stand-in personnel for cases where personnel are on leave or sick leave.

VALUE ADDED TAX (VAT)

8. All monies paid in terms of this bid is subject to value added tax calculated at the appropriate tariff from time to time as provided for in the Value Added Tax Act, Act 89 of 1991, the schedules thereto and Rulings as issued by the South African Revenue Services in regard to value added tax.

DAMAGE COMPENSATION

9. The contractor herewith indemnifies the Department of Defence from any claim that may arise from a third party and all costs or legal expenses in this regard, to such a claim for loss or damage resulting from the death, injuries or disability of any such person(s), or the damage to property of the contractor or any other person(s) that may result from or be related to the execution of this contract.
10. The contractor will be held responsible for any damage or theft that may be caused, to the premises or content by him or his employees or be due to their neglect whether in the normal execution of their duties or otherwise and a claim for indemnification can accordingly be imposed by the Department of Defence against the contractor.
11. In the case of damages to premises or content resulting from the work done, the contractor will undertake to rectify the damage immediately to the satisfaction of the Department of Defence. If the contractor fails to act immediately after notification, the Department of Defence will rectify the damage at will and the cost thereof will be recovered from any moneys outstanding.
12. The Department of Defence and its employees will not be held responsible for any claim or injury to the contractor's personnel whilst on Department of Defence property or in the execution of their tasks on Department of Defence property.

WAIVER

13. No waiver of any of the terms and conditions of the contract will be binding or effectual for any purpose unless expressed in writing and signed by the parties thereto, and any such waiver will be effective only in specific instances and for the purpose given. No failure or delay on the part of either party in exercising any right, power or privilege hereunder will operate as a waiver thereof, nor will any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

SEVERABILITY

14. Should any of the terms and conditions of the Contract be held to be invalid or unlawful, such terms and conditions will be severable from the remaining terms and conditions, which will continue to be valid and enforceable.

SUB-CONTRACTING

15. In the event that sub-contractors are used to execute the contract or part thereof, the following shall apply:
 - a. Prior Approval. Once the contract has been concluded, the contractor shall obtain prior approval from the Department of Defence before the appointment of any sub-contractor.
 - b. Payment. The contractor shall remain liable to reimburse the sub-contractors for goods delivered or services rendered to the Department of Defence.

TRANSPORT AND HANDLING OF EQUIPMETS

16. Equipment shall be conveyed in such a manner that no damage shall be inflicted thereon. The Contractor is to take all necessary precautions in handling delicate equipment to the satisfaction of the SA Navy, and is to ensure that repaired equipment is packed in a suitable manner for transportation.

17. An identification label shall be supplied with each piece of equipment, and it will be the Contractor's responsibility to ensure that this identification label remains with the item until it is eventually returned to the SA Navy.

18. On completion of all work on a piece of equipment it shall be returned to the SA Navy within the completion time the Contractor committed themselves to on their quotation (SAN 3415).

Failure to comply with the work completion date will result in penalties being imposed as prescribed in the General Conditions

of Contract (GCC), pages 9, 10 and 11, clauses 21, 22, 23 and 25. (Price of relevant work in delay, using the current prime interest rate calculated for each day overdue until actual delivery).

19. The Contractor shall in every event obtain a receipt signature on a company delivery note for the equipment concerned from a duly authorised representative of the SA Navy.

20. The SA Navy will refuse acceptance of a piece of equipment when:

- a. It is not accompanied by a copy of Acceptance Certificate (Form SAN 3417).
- b. The identification label as stipulated in paragraph of SCC 17 is missing.
- c. It appears that the equipment has suffered damage during transportation in the Contractors or hired vehicle.

21. The Contractor shall bear the risk of any damage sustained in transit when a company or hired vehicle is used and shall make good such damages at no extra charge to the SA Navy. Transit will include the process of loading and off-loading by the Contractor, his employees or subcontractors.

TRANSPORTATION COST:

22. The rates per kilometre for different vehicle types, allowed to the Contractor to recover costs, shall be those published and periodically amended by the Automobile Association of South Africa. A copy of the latest rates are to be attached to the quotation when claiming for transportation. The Contractor may only use appropriate vehicles for transportation.

23. Should it prove necessary for the Contractor to hire transport/cranage/fork lift vehicles to effect the collection/movement/or delivery of large items of equipment as required on paragraph 2 of SOW, then the rate applicable shall be that of the hire company, provided such rates are agreed upon by the SA Navy in advance. Such charges shall be treated as sub contract work.

24. Should it prove necessary for the Contractor to provide technical assistance from another company, such as an equipment manufacturer, either local or overseas, and at the request of the SA Navy in writing, then the charges required by that company shall apply, provided that

such charges and handling fees are agreed upon by the SA Navy in writing and in advance.

25. When so requested by the SA Navy in writing, the Contractor shall obtain the services of an independent body or firm for the purpose of carrying out a certificated examination or survey. The cost of such services shall be claimed under sub contract work.

ADJUSTMENT OF TRANSPORTATION RATES:

26. Rates adjustment for transportation will be as periodically amended by the Automobile Association of South Africa for various vehicle types.

TOOLS AND TEST EQUIPMENTS

27. The Contractor is to ensure that all their equipment requiring calibration is in date and that the calibration certification is available for inspection at all times during the contract period.

28. The Contractor is to maintain all their equipment that could be used during this contract in a sound state of repair, to the satisfaction of the SA Navy.

29. The Contractor is to possess such measuring and test instruments that will enable them to meet the specifications and tolerances required on the equipment they undertake to repair.

30. Lifting appliances and slings shall be examined or tested to meet requirements of the Occupational Health and Safety Act. Test certificates must be produced by the Contractor on request by the naval representative.

SAFE CUSTODY

31. The Contractor shall warrant that all SA Navy or State equipment related to this contract, held by him, shall be responsibly cared for and kept clear from liens, notarial bonds and encumbrances in favour of third parties.

32. The Contractor shall be held liable for the loss of or damage to SA Navy equipment in the Contractor's care or custody, either by theft, vandalism or any other cause.

33. Any such damage or loss shall be communicated to the SA Navy immediately in writing, with a report on the steps taken to recover such losses or rectify damage.

STANDARD OPERATING PROCEDURE(SOP)REPAIR PROCEDURE

34. The Contractor shall affect repairs to the equipment listed in Clause 2, in the following manner:

- a. Assessing the likely cost and nature of any repair work, together with the cost of the replacement parts and consumables required, submit a detailed quotation and obtain SA Navy approval in the form of a Government Order before proceeding with any work.
- b. The above mentioned quotation is to encompass a comprehensive work breakdown, including the man hours and labour rates for each task in the breakdown. The sub-contractors quotations are to give a breakdown of their work, together with a list of spares required and the cost of labour.
- c. Repair of the equipment by the appropriate method.
- d. Re-assembly of the equipment.
- e. Functional testing and/or testing to manufacturers specifications as may be applicable.
- f. Final painting, preservation and crating will be undertaken, unless otherwise instructed, all of which shall meet with the current requirements of the manufacturer and/or the SA Navy.

35. Mechanical damage (aesthetics), which only detracts from the appearance of an item, but does not affect its correct operation, shall not be repaired by the Contractor unless so instructed in writing by the SA Navy.

36. The Contractor shall replace all damaged or worn parts, which could be detrimental to the proper and reliable functioning of the equipment concerned. All such discarded parts shall be returned to the SA Navy.

37. In a case where replacement parts are unobtainable or cannot be timeously obtained to complete repair, the manufacture or repair of such replacement items will be permitted, provided that prior authority is obtained in writing, from the SA Navy.

38. Only the highest standard of workmanship is acceptable. A high standard of cleanliness is to be maintained in the workshop at all times.

39. Where procedures and acceptance specifications differ from normally accepted practice, the SA Navy shall issue documentation detailing the required procedure and acceptance standard(s).

40. The standard specifications to be used, shall where possible, be those to which the equipment was originally constructed/certified. Alternatively an acceptable equivalent standard approved by the SA Navy may be used.

41. Only SA Navy approved cleaning methods, lubricants, materials and paint schemes shall be used.

42. TUE shall be responsible for arranging two monthly progress meetings with the Contractor, following the start of the contract. The following information is to be tabled at these meetings.

- a. Technical progress made.
- b. Any anticipated delays or B.E.R. action.
- c. Details of any actual or anticipated problem areas.
- d. Corrective action taken to overcome actual or anticipated problem areas.
- e. Planned activity schedule relating to costing, including related records.

43. TUE shall also be responsible for arranging biannual progress meetings with the Contractor, Manager TUS, SO TUE and TUE Inspector. These meetings are held to identify any contractual problem areas and to bring Manager TUS up to speed with the Contract progress.

COST CONTROL

44. On receipt of each job, the Contractor is to provide the SA Navy with a cost for the required work. The estimate shall include the man-hours for each labour class, cost of materials, spares, consumables and any sub contract work. The estimate shall also include a list of the spare parts required together with part numbers or other means of identification, and shall include a start date for the repair work and a

completion date. The Contractor is to ensure this costing is made available to the SA Navy within 20 (twenty) working days from receipt of the Invitation to Quote. If the above cannot be met, the contractor must inform the TUE office in writing.

45. The estimate required shall be given on form SAN 3415 for all maintenance, repairs and testing of equipment. The cost of repairs to this equipment shall be in the form of a written quotation with a comprehensive breakdown of all spares, repairs and testing required, to bring the equipment in line with naval standards.

46. Should it prove necessary that a certain amount of work be performed before an estimate can be made (e.g. stripping, cleaning), then the Contractor is to provide an initial estimate for such work on form SAN 3415. **No work is to commence prior to receipt of a Government Order.**

47. All Labour times shall be to the nearest (1/2) hour.

48. The approval of the SA Navy, in the form of a Government Order is to be obtained prior to commencing any work, which shall normally be given within 30 days from receipt of a correct quotation.

49. The SA Navy reserves the right to instruct the Contractor in writing to discontinue repair and maintenance work at any stage including testing, should circumstances warrant such action. In such cases, the Contractor is to claim payment from the SA Navy for labour and material used and/or sub contract work carried out up to that stage. The Contractor is to pack all loose components and parts belonging to the item under repair, as well as items bought for which payment is being claimed, into a sturdy container, in such a way as to prevent damage to them, and return it with the item under repair to the SA Navy.

50. Should further unforeseen costs come to light after the Contractor has obtained approval from the SA Navy to carry out work (Govt. Order), an additional quotation for any further work must be submitted to the TUE and approved by the SA Navy (Govt. Order) **before additional expenses are incurred**. Any additional costing is to be submitted as an additional written quotation, entered on form SAN 3415.

51. The SA Navy Inspector shall check the repair times claimed against each piece of equipment and compare it with the Contractor's time sheets.

52. The inspector shall certify the spares, replacement parts, and workshop stores used and claimed for against each job.

53. The Contractor shall offer to the SA Navy all facilities and documents as and when required for controlling the cost price of materials and parts supplied by the Contractor in terms of this agreement.

56. Should the overtime structure change during the course of this contract, the contractor is to inform the SA Navy of such changes without delay, in writing, and provide documentary proof of the source of such changes.

57. Overtime will only be worked when authorised in writing by the SA Navy.

58. Should it prove necessary for the Contractor to render prompt technical assistance in terms of Clause 2.1 of SOW, the charges allowed shall be the current applicable labour rates

ADDITIONAL TERMS FOR ADJUSTMENTS

60. Where rate adjustments are in favour of the State such favourable difference shall on demand be paid by the Contractor to the State or the State may deduct such amounts from monies, (if any) which may otherwise be due to the Contractor in terms of this agreement or any other agreement or any other amount which may be due to them.

61. All rate adjustment claims shall be submitted to the SA Navy in writing for written approval prior to commencement using the revised rates. Wage rate adjustment claims are to be submitted within ninety (90) days of the publication of the revised SEIFSA index tables. **Late submissions will not be considered.**

62. Approval shall be given by the SPSC within sixty (60) working days of receiving a correct claim submission.

63. All invoices subject to escalation, while waiting for the publication of the revised SEIFSA Tables, are to be back paid once the revised rate is available.

64. The invoice for the back payment of an Adjustment Claim shall be accompanied by a list of the previously invoiced work for which the claim is made. The list shall show the invoice number, workshop job number, SA Navy order number and the number of hours per labour class for which back payment is being claimed.

PAYMENT OF ACCOUNTS

65. Each order shall be invoiced for separately.

66. Progress part payments will be allowed in respect of major maintenance and repair work I.A.W. the written quotation requesting part payments.

67. The Contractor shall submit an invoice to the SA Navy within **20** (twenty) working days from the date of signature appearing on the Acceptance Certificate for payment purposes. These invoices shall reflect the appropriate government order number, workshop job number and item identification number.

- a. Failure to comply with this 20 working day deadline will result in penalties being imposed as prescribed in the General Conditions of Contract (GCC), pages 9, 10 and

11, Clauses 21, 22, 23 and 25. (Price of relevant work in delay, using the current prime interest rate calculated for each day overdue until actual delivery).

DURATION AND VARIATION OF THE CONTRACT

77. The contract shall be valid for a period of 3 (three) years commencing on the date stipulated in the letter of acceptance of the offer that is issued to the successful Tenderer, hereinafter referred to as the Contractor. The date of commencement may be postponed by written agreement between the State and the Contractor.

78. The State reserves the right to cancel the contract at any time during the period of validity due to non-compliance, and/or poor performance by the Contractor or in the event of a State of Emergency being declared.

79. No amendments to this contract shall be made unless agreed upon in writing and signed by the duly authorised representatives of SA Navy and Contractor.

CONTRACTOR'S STAFF

80. The Contractor shall maintain for the purpose of this contract an efficient, experienced and well-trained staff, working under the direct control of qualified and certified supervisors.

81. Any member of the Contractor's staff who is subsequently found to be unsuitable, shall, without prejudice, and on written instruction from SA Navy, not be allowed to do any further work for the duration of this contract.

82. It is desirable that, where possible, individuals from the Contractors staff complement be kept on naval repair work exclusively, to ensure continuity of expertise.

SPECIFICATIONS, HANDBOOKS AND PATENT RIGHTS

83. The Contractor will, upon written request to the SA Navy, be provided with sufficient information such as drawings, handbooks, specifications, certification, etc. to enable him to carry out such repair work as he may undertake for the SA Navy in terms of this contract.

84. Where such information is not available from naval sources, the Contractor shall endeavour, upon written request from of the SA Navy, to acquire such information and to conform to Industry Standards.

85. The Contractor shall make bound copies of all information acquired by means of Clause 7.2. Such information shall be securely stored in an office on the Contractor's premises with a proper index and cross-reference for easy access.

86. This documentation, together with any spare copies, its index and cross reference, as described in Clause 7.3, will remain the property of the SA Navy and shall be handed over as directed or upon the termination of the contract.

87. The above information shall be for the sole use of the SA Navy, the Contractor and his appointed contractors. The information referred to in clause 7.2 shall not be revealed or made available to any establishment or person for any reason, except with the written permission of the SA Navy.

88. The SA Navy agrees to respect all patented processes, methods, designs, treatment and data which the Contractor has access to. This does not preclude the SA Navy or its agents from pursuing their own research into repair, calibration or test procedures.

TRANSPORTATION AND HANDLING OF EQUIPMENT LIABILITY

89. The Contractor shall bear the risk of any damage sustained in transit when a company or hired vehicle is used and shall make good such damages at no extra charge to the SA Navy. Transit will include the process of loading and off loading by the Contractor or their Subcontractor.

INSPECTION:

90. The maintenance and repair of all equipment shall at all times be subject to acceptance procedures by the SA Navy.

91. Authorised SA Navy Inspectors in terms of Clause 1.6 shall have access to the Contractor's premises at all reasonable times for the purpose of technical inspection of the work in hand and the relevant documentation.

92. Should it prove necessary, the Contractor shall make available to the inspectors a suitable lockable facility for the safekeeping of documentation and items necessary for the performance of their task.

93. In-line inspections will be carried out during repair operations and the job cards will be endorsed accordingly by the SA Navy Inspector.

94. Inspection break points shall where necessary, be identified and agreed upon at the commencement of each individual job. The Contractor shall be responsible for giving the SA Navy Inspector concerned reasonable notice when the need for a break point inspection is evident.

95. Third Party Inspection by a Government Approved Company. Third Party Inspections of items, which fall within this definition shall be at the discretion of the SA Navy Inspector concerned, these costs will be borne by the SA Navy.

96. Non Destructive Testing and Material Analysis will normally be undertaken by the SA Navy Materials Laboratory. Should this facility be unable to undertake such work within a required timescale, or should a second opinion be required, the Contractor is to use a recognised Laboratory for such work and is to provide the SA Navy with full documentation in respect of results obtained and process used. The above requirement does not prevent the Contractor from undertaking

- a. normal Dye-Penetrant test procedures in the course of examinations, unless specific instructions to the contrary have been issued by the SA Navy Inspector. All costs to be borne by the SA Navy.

97. The contractor is to notify the SA Navy Inspector of the intention to place work with a sub-contractor. The SA Navy reserves the right to examine work in hand at sub-contractors premises and to refuse the use of a specific sub-contractor should circumstances warrant such action.

98. The SA Navy Inspector shall check the repair times claimed against each piece of equipment and compare it with the contractors estimated times. The Inspector shall also certify the spares and replacement parts used.

99. Certification and approval of the various items shall be indicated by the Inspector's counter signature.

100. Should the SA Navy at any time wish to send any of their own personnel, in addition to the SA Navy Inspectors, to work at the Contractor's premises for training purposes, this shall first be mutually agreed upon in writing. Such work shall be controlled and recorded by the Contractor for record purposes. This training is not to interfere with any other work being undertaken by the Contractor, whether in terms of this contract or otherwise. All work carried out shall conform to the appropriate standards/specifications.

101. During the course of maintenance and repair work the Contractor shall where applicable, record in an acceptable format, the various measurements and observations of the conditions of the various components. He shall also record whether the components are re-used, reworked or renewed. Where possible, manufacturers' work sheets shall be used for this purpose. Copies of all test sheets and measurement records shall be passed to the SA Navy Inspector for record purposes.

TRANSPORT COSTS: (AA rates apply)

102. The rates per kilometre for different vehicle types allowed to the Contractor to recover the cost of collection and delivery of equipment shall be those published and periodically amended by the Automobile Association of South Africa. **A copy of the latest rates is to be attached to the quotation when claiming for transportation.**

103. Should it prove necessary for the Contractor to hire transport, cartage or forklift vehicles to effect the collection, movement or delivery of large items of equipment, then the rate applicable **shall be that of the hire company, provided such rates are agreed upon by the SA Navy in advance. Such charges shall be treated as sub-contract work.**

AUDIT CONTROL:

104. The State reserves the right to audit the stock control records of the contractor pertaining to the execution of the contract, and shall have reasonable access to such records, registers and facilities at all reasonable times.
