**SECTION C**  
TERMS OF REFERENCE / BID SPECIFICATIONS

## **ABOUT ECDC**

### **Vision**

### **Mission**

**To promote sustainable economic development in the Eastern Cape through focused:**

- a) Provision of innovative development finance
- b) Leveraging of resources, strategic alliances, investment and partnerships.

### **Legislative Mandate**

ECDC draws its mandate directly from the Eastern Cape Development Corporation Act (Act 2 of 1997) and is led by the economic development priorities of the provincial government, as detailed in the Provincial Growth and Development Plan (PGDP), Eastern Cape Provincial Industrial Development Strategy (PIDS), the policy statements and budget speech of the Member of the Executive Council (MEC) of Economic Development, Environment Affairs and Tourism (DEDEAT).

Section 3 of the ECDC Act states that the Corporation shall “plan, finance, co-ordinate, market, promote and implement development of the Province and its people in the field of industry, commerce, agriculture, transport and finance”.

## **BACKGROUND TO THIS PROJECT ‘**

The Department of Economic Development, Environmental Affairs and Tourism (DEDEAT) set aside R 30 000 000,00 (R40 million) to support micro businesses and informal businesses that are based in the townships and rural areas. ECDC appointed ECDC to be an implementing agent for the programme. The fund was a once off to support micro enterprises and informal businesses that have been negatively impacted by covid as part of the Provincial Recovery and reconstruction Plan. The programme is known as Informal Business Support Programme (IBSP) which is aimed at providing financial and non-financial support to micro businesses and informal businesses operating in the EC Province. The target was to support 1000 qualifying informal business with equipment, machinery, tools, and inputs to the value of a once off R 30 000,00 per micro business or informal business.

The support targets four (4) subsectors which are manufacturing, aftermarket automotive sector, clothing & textile as well as services sector. The selection of the four sectors / sub sectors was informed by the size of investment to cover the informal business sector as well as the research that was conducted to determine the prevalent business activities that are found in the townships and rural areas. The secondary aim was to collaborate with DSBD on their Township Rural Entrepreneurship Programme (TREP) which has a wide spectrum of products that talk to a variety of sub sectors. Thus, by design IBSP was to leverage on the policy initiatives driven by national department of small business to support township rural based enterprises focusing on youth, women, people with disability and military veterans.

Due to changes necessitated by various factors, the implementation of the programme will now be phased starting with first R 12 million set aside for the current financial year. As a result of this limited budget, three sectors/subsectors have

been chosen. These are clothing and textile, manufacturing, and welding. The purpose of this bid is to get a service provider that will assist in issuing and redeeming vouchers for the identified beneficiaries in these sectors.

## 1. Purpose

The purpose of this bid is to secure the services of a competent service provider located within the Alfred Nzo District to redeem vouchers for goods purchased on behalf of approved informal businesses located in various districts of the Eastern Cape.

## 2. Scope of Work

- The bidders are expected to provide the goods listed below to **approximately 45 approved beneficiaries** in line with instruction letter/voucher issued by ECDC and issue the items listed on the voucher to the identified beneficiaries who will redeem them by using ECDC vouchers.
- The list of items is as follows:

- 11.2** In all instances where bidders (including VAT Vendors) have excluded VAT from the prices quoted , such prices must be evaluated excluding VAT and if the bidder is successful , the letter of award of contract will state that the price at which the contract is awarded is exclusive of VAT and the VAT will not be added on at any stage . The successful bidder will have to absorb the adverse financial implications of not including VAT in the price quoted.
- 11.3** Prices quoted by non-VAT Vendors MUST NOT include VAT. However Non-VAT vendors who submit bids for contracts that would, if successful, take their annual turnover to be above the threshold of R1 million are obliged to include VAT in the prices quoted and must therefore immediately upon award of the contract, register with the South African Revenue Services (SARS) as VAT Vendors.
