Dear Ms Gugu Mashiteng

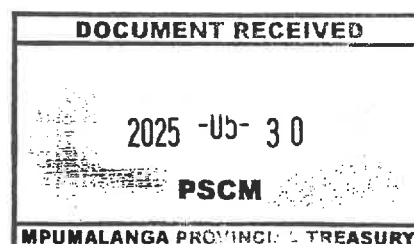

**SUBJECT: SUBMISSION OF ERRATUM – CORRECTION TO TABLE 1: POINTS
AWARDED FOR SPECIFIC GOALS BID NUMBER: HEAL/228/25/MP**

The Department hereby submits an **erratum** for the above-mentioned bid, specifically relating to **Table 1: Points Awarded for Specific Goals** as published in the original bid documentation.

Upon internal review and in the interest of ensuring compliance with applicable procurement legislation and transformation objectives, the Department has identified a discrepancy in the allocation of points under specific designated groups. The correction is necessary to uphold the principles of fairness, equity, and legal compliance as prescribed by the **Preferential Procurement Policy Framework Act (PPPFA)**.

Incorrect Table 1: Points Awarded for Specific Goals

Ownership Category	Points Awarded
Women-Owned	03
Persons Living with a Disability	03
Youth-Owned	03
Black-Owned	01

SUBJECT: SUBMISSION OF ERRATUM – CORRECTION TO TABLE 1: POINTS AWARDED FOR SPECIFIC GOALS BID NUMBER: HEAL/228/25/MP

Corrected Table 1: Points Awarded for Specific Goals

Ownership Category	Points Awarded
Women	03
Locality (Mpumalanga)	03
Youth	03
Persons Living with a Disability	01

Legal and Procedural Justification

The correction is made in accordance with the Department's obligation to ensure that all bid documentation reflects the correct application of preferential points as intended by the legislative framework. The original allocation inadvertently misrepresented the intended scoring matrix, which may have resulted in an inequitable evaluation of bids.

This amendment is issued to rectify the oversight and to ensure that all bidders are evaluated on a consistent and legally compliant basis.

Recommendations

The Department requests that:

1. The corrected Table 1 be formally adopted as an amendment to the bid documentation for Bid Number HEAL/228/25/MP.
2. All relevant stakeholders, including bid evaluation committees, be notified of the correction.

Regards

DR LK NDHLOVU
