80/20 preference points system for tenders for income-generating contracts with Rand value equal to or below R50 million

1. The following formula must be used to calculate the points for price in respect of an invitation for tender for income-generating contracts, with a Rand value equal to or below R50 million,

$$Ps = 80 \left(1 + \frac{Pt - Pmax}{Pmax} \right)$$

Where-

Ps = Points scored for price of tender under consideration;

Pt = Price of tender under consideration; and

Pmax = Price of highest acceptable tender.

2. A maximum of 20 points may be awarded to a tenderer for the specific goal specified for the tender. (The allocation of preference points for tenders above the quotation threshold to be decided and allocated per tender)
3. The points scored for the specific goal must be added to the points scored for price and the total must be rounded off to the nearest two decimal places.
4. Subject to section 2(1)(f) of the Act, the contract must be awarded to the tenderer scoring the highest points.

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/20 system) (To be completed by the tenderer)	Means of Verification for Income Generating Contract
