### 3.2 CIDB (Not Applicable)

### 3.3 National Industrial Participation Programme (NIPP) – Not applicable

### 3.4 Mandatory subcontracting, if feasible

## Section 4: SDL&I Objectives in line with Reconstruction and Development Programme (RDP) Goals

**Tenderers who complete and submit the objectives as required, but who do not meet Eskom’s targets, will not be disqualified. SDL&I objectives do not form part of scoring but commitments will form part of contractual obligations**

### 1. Transformation – BBEE Improvement or Retention Plan

Transformation remains an area of focus, where Eskom continuously strives to align itself with national transformation imperatives to unlock growth, drive industrialization, create employment and contribute to skills development.

Eskom encourages its suppliers to constantly strive to improve their B-BBEE rating. Whereas Tenderer/s will be allocated points in terms of a preference point system based on specific goals, Eskom also requests that tenderer/s submits their B-BBEE improvement or retention plan within 30 days of signing the contract.

Tenderer/s are therefore requested to indicate the extent to which they will maintain (only if the respondent is a Level 1) or may improve/maintain their B-BBEE status over the contract period if their B-BBEE status is level 2 or 3. Tenderer/s with a B-BBEE status level 4 at the time of contract award, shall migrate and achieve as a non-negotiable a milestone of B-BBEE Level 3 by the end of the first year of the contract and thereafter improve their B-BBEE status level or migrate by one level higher.

Tenderer/s with a B-BBEE recognition status of Level 5 to Level 8 or non-compliant at the time of contract award, shall migrate and achieve as a non-negotiable a milestone of Level 4 by the end of the first year of the contract and thereafter improve at least one B-BBEE Level higher of each year from the second year of the contract.

Tenderer/s are requested to submit their B-BBEE Improvement Plan as an essential document within 30 days of signing the contract.

**NB:** A valid B-BBEE certificate or Sworn Affidavit is a condition for contract award, if your company’s annual Total Revenue is R10 Million or less you qualify as an Exempted Micro Enterprise therefore you can submit Sworn Affidavit. If your annual Total Revenue is R50 Million or less, you qualify as Qualifying Small Enterprise and must comply with all of the elements of QSE score card relevant to your sector unless an entity is at least 51% Black

owned you are required to obtain a Sworn affidavit. If your Annual Total Revenue is above R50m you need to submit a Valid B-BBEE certificate

**2. Local Procurement Content**

“Local Procurement Content” refers to value added in South Africa by South African resources. Where a single contract involves a combination of local and imported goods and/or services, the tender response must be separated into its components as per the Price Schedule included with the tender documents. Local procurement content is total spending minus the imported component.

Tenderers are required to submit their proposals in the table below.

Local Procurement Content	Eskom target	Propose
	100%	

**3. Enterprise Development (ED)**

The winning tenderer/s will be required to participate in ED initiatives and will be required to identify, select, and develop emerging black owned enterprises as beneficiaries to improve their technical capability. The investment required to be allocated towards enterprise development.

Tenderers shall develop the assigned ED beneficiaries **on behalf** of Eskom and may not own a stake or shares (strictly 0% shareholding) in the assigned ED beneficiary, either directly or through a flow through or modified principles calculation. The ED beneficiary that qualifies for development shall:

- i. Be a legal entity registered with National Treasury’s Central Supplier Database.
- ii. Reside or be located within **rural** municipalities (outside a metro municipality) in the eight provinces of South Africa: and
- iii. Wholly Black Owned, controlled, and managed, classified as an Exempted Micro-Enterprise (EME)

**Requirements for the ED program:**

Tenderers are required to conduct a needs analysis on the ED beneficiaries to identify developmental areas. This will be followed by the formulation of a development program with milestones aimed at eliminating identified gaps. Tenderers will then develop a schedule of activities to address the identified developmental areas.

The tenderer will also allocate resources for the development of the ED beneficiary and assign an ED champion. The ED champion will be suitably qualified and experienced to monitor progress and complete portfolio of proof for the following activities for submission to Eskom every six months.

- Skills transfer with emphasis on innovation.

In addition, tenderers shall comply with requirements from the (non-exhaustive) list below:

1. Management and labor skills transfer. **(See skills development table below)**
2. Establishment of administrative systems.

4. Planning, tendering, and programming skills transfer.
5. Business skills transfer with emphasis on entrepreneurial and negotiation skills.
6. Legal compliance.
7. Procurement skills transfer.
8. Contractual knowledge transfer

From signing of the contract, tender/s will be given 30 days to submit the following, this requirement will further be discussed during negotiations.

<b>Name of Enterprise or names of owners</b>	<b>Ownership (BO, BWO, BYO or BPwD)</b>	<b>Tenderer to insert names of Local Municipality</b>

**Process of monitoring and reporting related to the ED program:**

The Eskom assigned representative shall:

- Ensure that all the pre-requisites for an ED relationship have been met over the agreed timelines of the contract to recognize the ED Program.
- Ensure that the ED Program complies with the requirements; and
- Interview and inspect any relevant documentation including premises for the ED beneficiary and selected staff to verify ED Program is compliant to contractual SDL&I commitments.

**NOTE 1:** The tenderer shall submit the following returnable for enterprise development:

- Enterprise development agreement signed by both the tenderer and the ED beneficiaries to confirm ED is on behalf of Eskom.
- Copies of letters from the tenderer to the ED beneficiaries, stating the intent to develop the enterprise. The tenderer should sign both documents and the ED beneficiaries earmarked.
- A schedule of activities to address the identified developmental areas.
- At contract award, Eskom and the ED beneficiary shall sign the ED agreement.

**4. Jobs.** Tenderers are required to submit proposals for the type and number of jobs that will be created and retained in South Africa as a direct result of being awarded a contract.

**5. Skills development**

<b>Skill type / Occupation</b>	<b>Eskom target of people to be trained</b>	<b>Proposed Number of Candidates</b>
Electrician		
Artisan		
SHE Reps Trainees		
Industrial engineering technologist		
Machine operator		
Electrical engineering technologist		
<b>Total Number of Candidates to be Trained</b>		

The successful tenderer will be obligated to train 1 candidate for every R2 Million accumulated through invoices paid to the service provider; this obligation will be for the duration of the contract.

Tenderers are required to submit proposals in a table above for developing the skills of unemployed candidates in the country. Skills development is intended to address Eskom’s core, scarce and critical skills and the Mict SETA scarce and critical skills. These skills are also included in a 2020 list of occupations in high demand as stipulated in the Government Gazette 43937. Candidates shall be from all provinces in the country, and their composition shall be representative of the population demographics of South Africa.

The process of developing these skills shall involve the participation by tenderers directly and through their supply network. In certain cases, the SETA’s accredited training providers can be approached to participate in developing critical and scarce skills.

This obligation will be for the duration of the contract however a supplier needs to demonstrate positive progress on a quarterly basis.

The main objective of this skills development is to empower already existing SMME by upskilling them as part of Enterprise Development.

**The winning tenderer will be requested to submit an Implementation plan within 30 days of signing the contract.**

**Note:** Tenderers are required to take full responsibility for the total cost of developing the requisite skills, and Eskom shall not make any financial contribution towards the fulfilment of this obligation. Tenderers are advised to approach their relevant SETAs to access grants and subsidies as well as South African Revenue Services for tax incentives that are earmarked for skills development initiatives.

## Section 5: SDL&I Retention and Performance Security

**Eskom will apply a retention of 2.5% of the invoice amount for failure to meet SDL&I obligations.**

As security for the fulfilment of SDL&I obligations, Eskom will apply a retention of 2.5% on every invoice amount (excluding VAT) for failure to submit SDL&I performance reports every quarter; or failure to meet the SDL&I obligations in this contract. The retained amounts shall only be released to the contractor upon:

- The tenderer will be expected to submit their performance reports on a quarterly basis towards SDL&I obligations.
- SDL&I will assess the submitted performance report against the Implementation plan then issue a compliance report.
- Should the report yield non-compliance results, Eskom will retain the 2.5%.
- Should the compliance results be positive, Eskom will release the retained funds to the tenderer.

## Section 6: Reporting and Monitoring

- The suppliers shall on a quarterly basis submit a report to Eskom in accordance with Data Collection Template on their compliance with the SDL&I obligations described above.
- Eskom shall review the SDL&I reports submitted by the suppliers within 60 (sixty) days of receipt of the reports and notify the suppliers in writing if their SDL&I obligations have not been met.
- Upon notification by Eskom that the suppliers have not met their SDL&I obligations, the suppliers shall be required to implement corrective measures to meet those SDL&I obligations before the commencement of the following report, failing which Retention clauses shall be invoked.

## Section 7: General Information on Validity of Sworn Affidavits

**The following must be considered when it comes to validity of Affidavits;**

**Tenderers submitting B-BBEE Sworn Affidavits must ensure that the affidavits meet the following key pointers to ensure their validity:**

- Name/s of deponent as they appear in the identity document and the identity number.
- Designation of the deponent as the **director, owner** or **member** must be indicated in order to know that person is duly authorised to depose of an affidavit. **(Mark the applicable option).**
- Name of enterprise as per enterprise registration documents issued by the CIPC, where applicable, and enterprise business address.
- Percentage of black ownership, black female ownership and designated group. In the case of specialised enterprises as per Statement 004, the percentage of black beneficiaries must be reflected. **(No blank spaces to be left).**
- Indicate total revenue for the year under review and whether it is based on **audited financial statements** or **management account**. **(Mark the applicable option).**
- Financial year end as per the **enterprise's registration documents**, which was used to determine the total revenue. **(Financial year end to be stipulated by day/month/year).**
- B-BBEE Status level. An enterprise can only have one status level. **(Tick applicable level)**
- Empowering supplier status must be indicated. For QSEs, the deponent must select the basis for the empowering supplier status.
- Date deponent signed and date of Commissioner of Oath must be the same. **(The sworn affidavit must be signed in the presence of the Commissioner of Oath. Furthermore the Commissioner must also sign and stamp)**
- Commissioner of Oath cannot be an employee or ex officio of the enterprise because, a person cannot by law, commission a sworn affidavit in which they have an interest.
