##### CITY'S VISION FOR THE ROSSLYN AREA IN REGION 1

77% of the total land area for manufacturing activity is located in Region 1 of the city, of which Rosslyn contains the automotive cluster and contributes greatly to job creation and economic stability within the area.

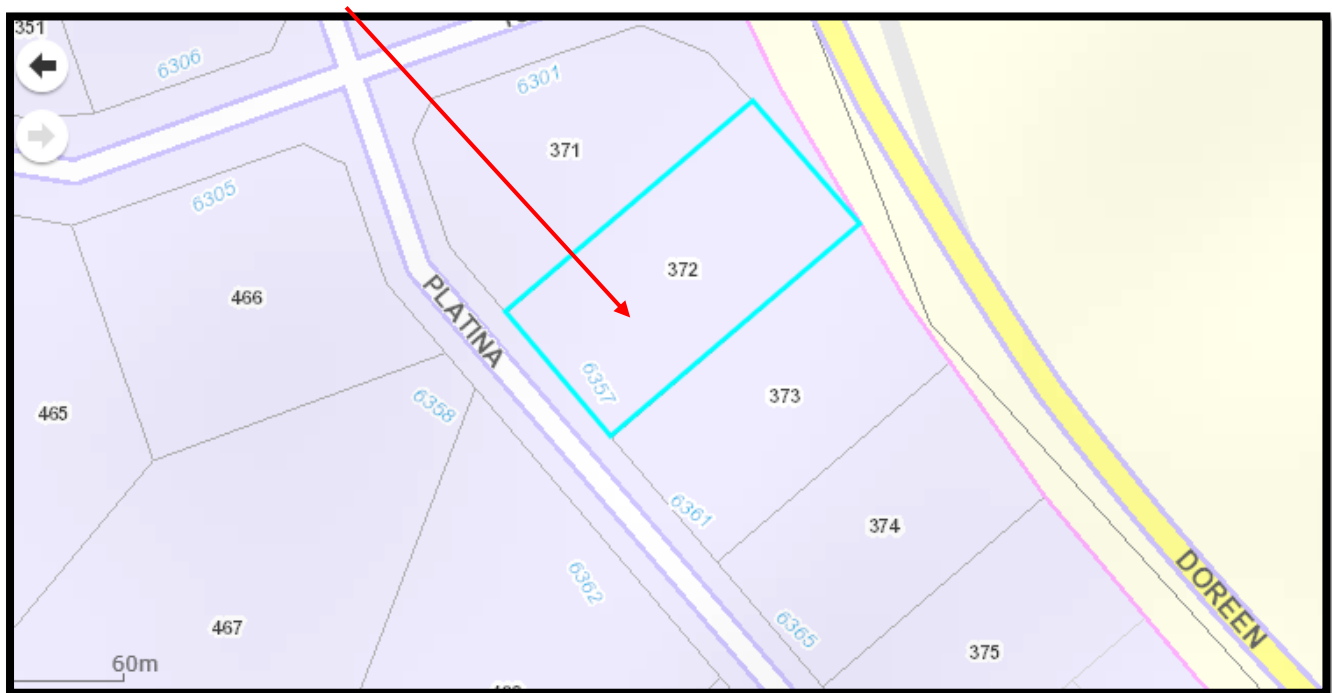

Rosslyn currently accommodates the automotive cluster, with a major focus on the export market. This is one of the Provincial Blue IQ projects and could result in numerous positive spin-offs for the region and the greater metropolitan area.

The approved Development framework provides for a clear understanding of the development opportunities to expand on the existing automotive activities in the Rosslyn area. The main aim of the framework is to transform Rosslyn and Klerksoord into a concentrated manufacturing cluster and the CoT into an automotive investment destination.

If the Parties are unable to resolve the dispute within 14 (fourteen) days of the notice of the dispute (or such longer period as they may have agreed to in writing), then either Party may, on written notice to the other Party, require that the dispute be submitted to and decided by arbitration, in terms of the Arbitration Act, 42 of 1965 of South Africa ("the Arbitration Act").

The arbitration shall be held under the provisions of the Arbitration Act provided that the arbitration shall be:

at any place which the Parties agree, in writing, to be mutually convenient.

The arbitrator may:

investigate or cause to be investigated any matter, fact or thing which he considers necessary or desirable in connection with the dispute and for that purpose, shall have the widest powers of investigating all documents and records of any party having a bearing on the dispute;

interview and question under oath the parties or any of their representatives;

decide the dispute according to what he considers just and equitable in the circumstances; and

make such award, including an award for specific performance, damages or otherwise, as he in his discretion may deem fit and appropriate. The arbitration shall be held as quickly as possible after it is requested, with a view to it being completed within 30 (thirty) days after it has been so requested.

The arbitrator's decision and award shall be in writing with reasons and shall be final and binding upon the Parties.

The arbitrator's award may, on application by either Party to a court of competent jurisdiction and after due notice is given to the other Party, be made an order of court.

Notwithstanding the provisions of clauses 0, 0, 0, 0, 0, 0, and 0, in the event of either Party having a claim against the other Party for a liquidated amount or an amount which arises from a liquid document, or for an interdict or other urgent relief, then the other Party having such a claim shall be entitled to institute action therefore in a court of law rather than in terms of the above clauses, notwithstanding the fact that the other Party may dispute the claim.

## CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids<sup>1</sup> invited.
  
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
  
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
  - a. take all reasonable steps to prevent such abuse;
  - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
  - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
  
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
  
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.

<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
