| 3.   | <b>PROJECT BACKGROUND</b><br>The Marketing and Communications Business Unit of the CDC provides services to the entire Coega Development Corporation (CDC) business, including the sub brands. To                                                                                                                                                                                                                                                                                                                           |        |

deliver on this mandate, the Unit requires the appointment of experienced and capable service providers who can support the full spectrum of marketing, brand management, strategic communications, digital and media services. These partners will be integral in elevating CDC's market positioning, expanding reach across priority segments, and ensuring consistent, credible, and impactful communication across all platforms and touchpoints. The work of these service providers will directly support the CDC's growth ambitions, promote organisational achievements, and reinforce the corporation's reputation as a trusted leader in sustainable industrial development.

The services will be required as and when, and the contract duration is 36 months.

#### 4. SCOPE OF WORK

The detailed requirements and scope of works encompass the following services:

| NO. | CONTRACT NUMBER | PROJECT NAME                  | MAXIMUM NO OF SERVICE PROVIDERS REQUIRED PER OFFICE |

| 6.  | CDC/19/25       | Branded Corporate Merchandise | 3                                                   |

##### (I) Advertising and Marketing Services;

(a) The service provider will be required to develop a brand campaign for the CDC:

##### **Advertising and Marketing Services:**

- (i) a direct marketing campaign, creating concepts and messaging, producing all creative and copywriting, and preparing a detailed advertising plan or media schedule. Bidders must also manage media placements, monitor performance, and report results to support the CDC's objectives.
- (ii) Book, manage, and pay for media space on behalf of the CDC, as and when required, across both local and international media platforms. This includes securing competitive rates, coordinating placements, and ensuring timely flighting of all approved advertising.
- (iii) Submit proof of confirmation of "Credit Terms" from the media houses of not less than R1 million per quarter or R4 million per annum.

(iv) Provide full production services for outdoor branding, including design adaptation, printing, fabrication, and delivery of all approved outdoor and indoor branding materials.

(v) To submit a close-out report upon completion of each project.

## **(II) Public Relations Services;**

**(a)** The service provider is required to undertake the following Public Relations (PR) services when required by the CDC:

- (i) To provide strategic public relations support to the CDC as needed. This includes developing PR and media plans that strengthen the CDC's share of voice while mitigating reputational risk;
- (ii) Offer stakeholder management support in all areas where the CDC operates, including potential engagements elsewhere on the African continent; and
- (iii) Provide the latest qualitative and quantitative PR metrics, supported by clear reporting dashboards on all CDC PR services undertaken.
- (iv) To submit a close-out report upon completion of each project

## **(III) Digital and Online Services;**

**(a)** The service provider is required to perform the following services when required by the CDC:

- (i) Develop mobile applications for the CDC, including full support across Android, iOS and other relevant operating systems or platforms.
- (ii) Support the enhancement, maintenance, and ongoing development of the CDC website, including .NET, CMS, digital functionalities and any related online services.
- (iii) Provide comprehensive Search Engine Optimisation (SEO) services for all CDC websites, including analytics, performance monitoring, and recommendations to improve visibility and ranking.
- (iv) To submit a close-out report upon completion of each project

## **(IV) Event Management Services.**

**(a)** The service provider is required to perform the following services when required by the CDC:

- (i) Support the CDC in the management of small (up to 150 people), medium (between 151 and 500), and large events (beyond 500 people) as per the event management plan provided by the CDC.

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |  |

| 6. | <p><b>PROCUREMENT MATTERS AND SPECIFIC GOALS REQUIREMENTS</b></p> <p><b>Bids will be evaluated on Three (3) stages:</b></p> <p><b>Timeous Submission</b></p> <ul style="list-style-type: none"> <li>• All bids must be submitted before the closing date and time.</li> <li>• Bids must be submitted in a sealed envelope, clearly marked and the bid document securely packed.</li> <li>• Bid submission coming with loose papers may not be accepted. The bid document must be tightly binded.</li> <li>• No late submission will be considered.</li> <li>• Failure to submit on time will eliminate the bid to be evaluated.</li> </ul> <p><b>Stage 1: Responsiveness Assessment</b></p> <ul style="list-style-type: none"> <li>• Bidders must meet all the mandatory requirements to go through to the next stage and failure to submit and complete all mandatory information will result in submissions being deemed null and void and shall be considered “non – responsive”. Bidders were urged to pay more attention and focus on this stage since bidders still tend to fail this stage and not evaluated any further.</li> <li>• The Chairperson emphasized that the bidders must read and provide a true reflection of their entity.</li> </ul> <p><b>Stage 2: Quantitative Assessment (Price and Specific Goals)</b></p> <ul style="list-style-type: none"> <li>• All the bidders that have passed the functionality assessment will be evaluated on quantitative assessment, calculating points for price, and allocating points for specific goals. Bids will be evaluated on Price and B-BBEE applying 80/90 and 20/10 preference point system for income generating contract. Bidders will be evaluated based on the highest acceptable percentage rates for revenue. If the bidder does not submit the B-BBEE certificate/affidavit, they will not be awarded points for Specific Goals.</li> </ul> <p><b>Stage 3: Qualitative Assessment</b></p> <p>Risk Assessment. The bids will be scrutinised for arithmetic errors and assess if the rates offered are market related to ensuring that there is no commercial risk. Previous performance reports will be assessed to mitigate any performance or service delivery risks. Procurement integrity assessment will be conducted</p> |  |
| 7. | <p><b>Mandatory Requirements</b></p> <p>(a) Fully Completed and Signed SBD 1 FORM: Invitations to Bid. In case of a Joint Venture/Consortium the information (CSD registration numbers) of all the entities (members of the JV/Consortium) should be reflected on the SBD 1 Form. (ANNEXURE A)</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |  |

SANAS Accredited B-BBEE Verification Certificate. All Exempted Micro Enterprises and Qualifying Small Enterprises with more than 51% black shareholding are to submit a sworn affidavit stamped and signed by the Commissioner of Oaths as per the DTIC B-BBEE template. In case of a JV, a consolidated B-BBEE certificate must be submitted as well as individual B-BBEE Certificates/affidavit of their entities to confirm the type of enterprise.

**(Annexure F)**

2. Company Registration documents (Biz Portal).
3. Company Profile.
4. Completed and signed POPIA Consent Form **(Annexure G)**
5. Completed and signed Form **SBD 6.1** preference points claim form in terms of the Preferential Procurement Regulations 2022. **(Annexure E)**

**Stage 2: Quantitative Assessment**

- ☐ Bids that pass the Responsiveness assessment stage will be further evaluated on Price and Specific Goals.
- ☐ Bids will be evaluated according to the Preferential Procurement Policy Framework Act, 2000:
- ☐ Preferential Procurement Regulations, 2022.
- ☐ 80/20 preferential point system will be used to evaluate Price and Specific Goals.
- ☐ **Please refer to SBD 6.1 for details on allocation of points.**

☐ **Area of Adjudication                      Maximum Points**

|                                      |               |
|--------------------------------------|---------------|
| Tendered Price (Sp)                  | 80.00         |
| Specific Goals (BBBEE level scoring) | 20.00         |
| <b>Total Points (S)</b>              | <b>100.00</b> |

**All JV's must provide a valid consolidated B-BBEE certificate in order to get points for their B-BBEE levels**

**Stage 3: Qualitative Assessment**

- (a) Qualitative Assessment will be conducted on the three (3) highest scoring bidders to determine the acceptable lowest tender price and to ascertain other possible commercial risks pertaining to the bidder's capacity, past performance, and other risks.
- (b) The prices will be scrutinized to check for arithmetic errors to communicate with the bidders to acknowledge and decide if their bottom-line price still stands.
- (c) The rates offered will be compared against the cost estimate as well as the market average to confirm if the rates are market-related with no risks around the pricing.
- (d) The bidders will be assessed on their procurement integrity to establish

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |  |

the Tender Data. An Addendum will be issued, to address some issues identified during the meeting.

- (e) Bidders are required to acknowledge receipt of addendum to the tender documents, which the CDC may issue.
- (f) All tender queries must be received five (5) working days before the tender closing date to allow time to respond, last date to receive queries (**26 January 2026**).
- (g) Bidders who fail to observe the channels of communication will be disqualified.
- (h) The bidders must arrive at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor, any official of the procuring institution in relation to this procurement process prior to and during the bidding process except to provide clarification on the bid submitted where so required by the institution; and the bidder was not involved in the drafting of the specifications or terms of reference for this bid;
- (i) Any inquiry by the bidder that may affect other bidders will be responded to by all the bidders to ensure that the same information is shared with all bidders.
- (j) The request to extend the tender validity period, if required, may be sent to all bidders who have submitted their bids and the letter requesting extension will request bidders to respond to accept or not accept the extension. All bidders who will not accept or respond to the request will be disqualified and eliminated from the procurement process
- (k) The closing date and time for the receipt of complete bid documents is **Monday, 02 February 2026 at 12h00.**
- (l) One original completed bid document contained in a sealed envelope clearly marked: **"CONTRACT NO. CDC/1325/25 - - APPOINTMENT OF PREFERRED SERVICE PROVIDERS FOR THE PROVISION OF MARKETING AND COMMUNICATIONS SERVICES FOR THE COEGA DEVELOPMENT CORPORATION.** shall be placed in the tender box at the CDC's offices:
