This RFP is an invitation for person(s) to submit information for the provision of the services as set out in this RFP. Accordingly, this RFP must not be construed, interpreted, or relied upon, whether expressly or implicitly, as an offer capable of acceptance by any person(s), or as creating any form of contractual, promissory, or other rights. No binding contract or other understanding for the supply of products/services will exist between Denel Dynamics and any Supplier unless and until Denel Dynamics has executed a formal written contract with the successful Supplier.

E2: ACCURACY OF THE RFP

Whilst all due care has been taken in connection with the preparation of this RFP, Denel makes no representations or warranties that the content in this RFP or any information communicated to or provided to Suppliers during the RFP Process is, or will be, accurate, current or complete. Denel Dynamics, and its officers, employees and advisors will not be liable with respect to any information communicated which is not accurate, current or complete. If a Supplier finds or reasonably believes it has found any discrepancy, ambiguity, error or inconsistency in this RFP or any other information provided by Denel Dynamics (other than minor clerical matters), the Supplier must promptly notify Denel Dynamics in writing of such discrepancy, ambiguity, error or inconsistency in order to afford Denel Dynamics an opportunity to consider what corrective action is necessary (if any). Any actual discrepancy, ambiguity, error or inconsistency in this RFP or any other information provided by Denel Dynamics will, if possible, be corrected and provided to all Suppliers without attribution to the Supplier who provided the written notice.

E3: ADDITIONS AND AMENDMENTS TO THE RFP

If Denel Dynamics exercises its right to change information, it may seek amended RFP from all Suppliers.

E4: CONFIDENTIALITY

All persons (including all Suppliers) obtaining or receiving this and any other information about this RFP must keep the contents of the RFP and other such information confidential, and not disclose or use the information except as required for the purpose of developing feedback in response to this RFP.

The Supplier is required to provide details of any interests, relationships or clients which may or do give rise to a conflict of interest in relation to the supply of the products/services under any contract that may result from this RFP.
