GENERATION**

BIDNUMBER: SCMU5-23/24-0029

The Eastern Cape Department of Public Works and Infrastructure(ECDPWI) hereby invites proposals from bidders, for the leasing of strategically located properties which are owned by the Provincial Government for development. These properties include vacant land parcels, commercial and coastal properties that carry a potential for various economic opportunities for property practitioners, developers and entrepreneurs.

The aim of the Department is to stimulate economic growth in the Province through the development and utilization of state-owned properties, as well as to unlock economic opportunities, in order to create an enabling environment for job creation and social upliftment.

To give effect to the Property Transformation Charter, it is the intention of the Department to transform the property sector in the Province, by creating economic and investment opportunities, and allowing new entrants specifically the previously disadvantaged groups, to lease state-owned properties for a period of 30 years with an option to renew for a further term at the discretion of the Department.

The Department will enter into a lease contract with the successful bidders/developers after a formal bidding process has been concluded.

Total points for Price and SPECIFIC GOALS	100	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
