

**TENDER NOTICE AND INVITATION TO TENDER
TENDER NUMBER: CI-VB-0031**

South African National Parks invites tenders for the **UPGRADING OF THE LILYDALE REST CAMP SEWER SYSTEM AND WASTE WATER TREATMENT WORKS** in Mokala National Park close to Kimberley in the Northern Cape Province.

The following pre-qualification criteria for preferential procurement, Preferential Procurement Regulations, 2017 applies to this tender:

- Tenderer must have a minimum **B-BBEE Level 2** status.

Preferences are offered to tenderers for Broad-Based Black Economic Empowerment (B-BBEE) Status Level of Contribution in terms of the Preferential Procurement Regulations, 2017.

It is estimated that tenderers must have a CIDB grading designation of **5CE/4CEPE or Higher**. Tenderers who satisfy criteria stated in the tender data may submit tender offers.

Only tenderers who comply with the following are eligible to submit tenders:

- Have a minimum B-BBEE Level 2 status as per PPPFA pre-qualification criteria.
- Have the required and valid CIDB grading stated
- Achieved the minimum score for Functionality
- Tenderer is not listed in the Register of Tender Defaulters and prohibited from doing business with the public sector.
- The tenderer has not abused the Employer's supply chain management system
- The tenderer has not failed to perform on any previous contract with the employer.

The physical address for collection of tender documents is: **Lilydale Reception Boardroom, Mokala National Park, Off N12 near Kimberley, Northern Cape Province**

Tender documents will ONLY be available at the compulsory clarification meeting.

A non-refundable tender deposit of R 300-00 payable in cash is required on collection of the tender documents.

NB: The tender document published with the tender advert is for information ONLY, it does not contain the BOQs and therefore is not to be used for submission of tender

A compulsory clarification meeting with representatives of the Employer will take place at the **Lilydale site in the Mokala National Park on 23 June 2022 starting at 11:00 hrs.** The Tenderer shall inspect and examine the site and its surroundings and shall satisfy himself before submitting his tender as to the form and nature of the Site, the quantities and nature of the work and materials necessary for the completion of the Works and the means of access of the Site, the accommodation he may require and in general shall himself obtain all necessary information as to risk, contingencies and other circumstances which may influence or affect his tender. The tenderer must be represented at the site inspection by a person who is suitably qualified and experienced to comprehend the implications of the work involved. Attendance of the site inspection is compulsory and a tender will be disqualified if the site inspection is not attended by a representative of the tenderer.

NB: Please note that the road to Mokala National Park is a gravel/dusty road. It is advisable that prospective bidders plan their travelling well in order to be on time for the site clarification meeting.

The closing time for receipt of tenders is 14 July 2022 @ 11:00 hrs. Telephonic, telex facsimile, e-mail and late tenders will not be accepted.

Tenders may only be submitted on the tender documentation that is issued.

Requirements for sealing, addressing, delivery, opening and assessment of tenders are stated in the Tender Data

As part of the eligibility criteria, tenderers shall further be required to satisfy the following functionality criteria and be required to demonstrate their ability to undertake the works considered to be complex and to provide proof of experience, expertise, personnel, plant and equipment to undertake work of this nature.

Tenderers are required to score a minimum of **14 points** out of a possible **20 points** (i.e. 70 %) in order to be responsive: Tender Data, of the proposed functionality criteria and point system for evaluation.

The following functionality criteria apply:

- (a) Construction experience sewer pump lines and concrete works(Maximum 15 points)
- (b) Technical Expertise (Maximum 5 points)

Tenderers who fail to meet the minimum threshold shall be declared non-responsive and subsequently rejected.

***(a) Sewer related pipe lines and civil works for package type Waste Water Treatment Works
(Maximum 15 points)***

Tenderers are required to demonstrate their ability to undertake the work and provide proof of experience in accurate Civil and concrete related construction work. Tenderers are required to score a minimum of 14 points out of a possible 20 points in order to qualify for the tender.

Tenderer who fails to meet the minimum qualifying score is not an acceptable tender and shall be declared non-responsive and subsequently rejected. The onus rests with the tenderer to supply sufficient information to allow for the proper scoring, evaluation and award of points.

Where insufficient information is provided, zero points will be awarded for such particular criterion.

The quality criteria and maximum score in respect of each of the criteria as follows:

Quality criteria	Sub-criteria	Maximum number of points
