Contracts Engineer

EVALUATION PRICE AND PREFERENCE

80/20 preference point system for acquisition of goods and services for Rand value equal to or above R2 000 and up to R50 million

The following formula will be used to calculate the points out of 80 for price:

$$P_s = 80(1 - (P_t - P_m)/P_m)$$

Where:

P_s is the points scored for price of tender under consideration.

P_t is the price of the tender under consideration; and
 P_m is the price of the lowest acceptable tender.

90/10 preference point system for acquisition of goods and services for Rand value above R50 million

The following formula will be used to calculate the points out of 90 for price:

$$P_s = 90(1 - (P_t - P_m)/P_m)$$

Where:

P_s is the points scored for price of tender under consideration.

P_t is the price of the tender under consideration; and
 P_m is the price of the lowest acceptable tender.

The scorecard shall be submitted as a certificate attached to Returnable Schedule Form D I; and

The certificate shall:

Be valid at the closing date; and

Have been issued by a Verification Agency accredited by the South African National Accreditation System (SANAS); or

Be in the form of a sworn affidavit (accompanied by financial statement or Management Account on the latest financial year) or a certificate issued by the Companies and Intellectual Property Commission in the case of an Exempted Micro Enterprise (EME) with a total annual revenue of less than R1.8 million, if issued in accordance with the amended Construction Sector Codes published in Notice 93 I of Government Gazette No 41287 on 1 December 2017 by the Department of Trade and Industry; and

Have a date of issue less than 12 (twelve) months prior to the tender closing date (see Tender Data C.2.15);

Correction of Arithmetic Errors

After confirmation of errors, omissions or re-balancing of imbalanced rates the tender offer shall be corrected as follows:

- a) If Bills of Quantities or Pricing Schedules apply and there is an error in the line item total resulting from the product of the unit rate and the quantity, the unit rate shall govern and the line item total shall be corrected. Where there is an obviously gross misplacement of the decimal point in the unit rate, the line item total as quoted and the unit rate shall be corrected.**
- (b) Where there is an error in the total of the prices either as a result of other corrections required by this checking process or in the tenderer's addition of prices, the total of the prices shall be corrected.**
- (c) Where the unit rates are imbalanced, the tenderer shall adjust such rates by increasing or decreasing them and selected others while retaining the total of the prices derived after any other corrections made under (a) and (b) above.**

DUE DILIGENCE

The due diligence will evaluate the overall risk associated with the tender.

The due diligence will take into consideration the following:

- assessment of financial statements to assess the financial position of the tenderer and its ability to obtain the necessary guarantees or insurances;
 - integrity risk evaluation;
 - operations, activities, locations and key customers;
 - reference checks from previous clients; and
- risk rating (i.e., high risk, medium to high risk, medium risk or low risk) of the tenderer

Instruction

Tender validity date is 180 days

Where a tenderer, at any time after the opening of his tender offer but prior to entering into a contract based on his tender offer:

withdraws his tender;
gives notice of his inability to execute the contract in terms of his tender; or
fails to comply with a request made in terms of C.2.17, C.2.18 or C.3.9;

such tenderer shall be barred from tendering on any of the Employer's tenders for a period to be determined by the Employer, but not less than 6 (six) months from a date determined by the Employer. This sanction also applies to tenders under evaluation and not yet awarded. The Employer may fully or partly exempt a tenderer from the provisions of these conditions if he is of the opinion that the circumstances justify the exemption.

Returnable Schedule

- 1. Returnable schedules have been based on the CIDB Standard for Uniformity in Construction Procurement and incorporate National Treasury requirements within them.**
- 2. Failure to fully complete the relevant returnable documents shall render such a tender offer to be declared non-responsive.**
- 3. Tenderers shall note that their signatures appended to each returnable form represents a declaration that they vouch for the accuracy and correctness of the information provided, including the information provided by candidates proposed for the specified key positions.**
- 4. Notwithstanding any check or audit conducted by or on behalf of the Employer, the information provided in the returnable documents is accepted in good faith and as justification for entering into a contract with a tenderer. If subsequently any information is found to be incorrect such discovery shall be taken as wilful misrepresentation by that tenderer to induce the contract. In such event the Employer has the discretionary right under contract condition 8.4 to terminate the contract.**
