1. Purpose

The purpose of this document is to describe the business requirements for this Request for Quotation (RFQ-2023/24-0233) required by Interfront for completion, submission and performance of the required services as described in paragraph 4 and to request accredited service providers to submit a response for the services as detailed.

All bids, contracts or orders for goods or services shall be subject to the General Conditions of Contract as published by National Treasury of the Republic of South Africa. In the event of any conflict between the provisions contained in any contract or agreement in place as between Interfront and the supplier / contractor / service provider and the General Conditions of Contract, the provisions as contained in the General Conditions of Contract shall prevail. Kindly familiarise yourself with these provisions at www.treasury.gov.za

2. RFQ is not a contract

This RFQ does not constitute a contract with Interfront but merely serves to request information that may lead to an agreement / order between Interfront and the Service Provider.

3. Preparation Costs

The Service Provider will bear all its costs in preparing, submitting and presenting any response or Proposal to this RFQ and all other costs incurred by it throughout the RFQ process.

4. Description Of Goods/Services Required

Procurement Request for Server Room Access Control with specification as below or equivalent:

Programmable RFID tag reader

- System must be able to capture Access Logs
- Connection to a Door Maglock
- Capable of In and Out Access

Quotation to include setup, installation and any other costs.

Vendors can request for a site visit.

5. Duration of engagement:

Once Off

6. Evaluation

The 80/20 Preference point system will be used for this RFQ for the acquisition of goods and services with the Rand value equal to or below R50mil inclusive of all applicable taxes. The evaluation shall be based on the Preferential Procurement Policy Framework Act, 2000: Preferential Procurement Regulations, 2022 and the points for evaluation criteria are as follows:

Adjudication Criteria	Points
Price	80
Specific goals	20
TOTAL	100

- Price shall be scored as follows:

$$P_s = 80 \left(1 - \frac{(P_t - P_{min})}{P_{min}} \right)$$

Where: **P_s** is the number of points scored for price;

P_t is the comparative price of the quote under consideration;

P_{min} is the comparative price of the lowest acceptable quote.

- Preference points shall be scored as per the attached SBD6.1 document.

See SBD6.1 for further explanation on Price and Specific goals evaluation.

The total number of adjudication points (N_T) shall be calculated as follows:

$$N_T = P_s + N_p$$

Where: **P_s** is the number of points scored for price

N_p is the total number of points obtained for specific goals
