D. TERMS OF REFERENCE

23. Objectives

23.1 The broad objectives of this bid include:

23.1.1 To provide bidders with adequate information to understand and respond to the FSCA's requirements to appoint a service provider to provide close personal protection services for a period of 36 months. The services will be utilised as and when required.

23.1.2 The bidder will be required to provide full time close personal protection services to the FSCA's Commissioner. The security risk assessment will be conducted after a year to determine if the service will be required on a full time or ad-hoc basis thereafter.

23.1.3 To ensure uniformity in the responses received from each prospective service provider.

23.1.4 To provide a structured framework for the evaluation of proposals.

24. Background

24.1 The FSCA has identified a need to appoint a suitable, qualified, and experienced service provider with requisite knowledge, capacity and expertise to provide close personal protection services for designated FSCA employees.

24.2 The mandate of the FSCA requires the employees of the organisation to work on high profile cases. This resulted in some staff members being targeted and receiving threats. Therefore, the FSCA has identified the need to improve security measures to mitigate these risks, amongst others through the provision of close protection services. The organisation currently does not have a service provider that renders close personal protection services to employees.

24.3 The requirement for these services will be based or influenced by a threat or risk emanating from their employment at the FSCA. Projects are on an "as-and-when required" basis and appointment periods may vary depending on the duration of the deployment. The expected outcomes and deliverables will be determined on a project-by-project basis based on the needs.

24.4 The composition of FSCA employees is diverse and complex in nature and include a variety of skilled and semi-skilled professions which includes e.g., Corporate Services, Enforcement department, Information and Communication Technology, Licensing and Business Centre, Office of General Counsel, Governance Risk and Assurance and Conduct of Business Supervision.
