## 1. INTRODUCTION

Housing is a functional area of concurrent National and Provincial Legislative competence in terms of Schedule 4, Part A of the Constitution (1996). The Housing Act (1997) details the functions of Provincial Government and Municipalities in relation to housing provision. Whilst municipalities have a clear mandate to ensure the access of communities to adequate housing and services, the specific function of executing National and Provincial housing programmes lies with Provincial Government. The policy intent, however, is to progressively enable municipalities to manage the full range of housing instruments to allow for better co-ordinated and accelerated capacitation mechanism to allow for the administration of National Housing Programmes by municipalities.

The provincial department has accredited six (6) municipalities for level one (1) municipal accreditation during the 2017/18 and 2019/20 financial years respectively as well as one (1) municipality for level two (2) during 2017/2018 financial year. The department will be providing technical support for two accredited municipalities for 36 months at starting from 2022/23 to administer national housing programmes in line with the Draft 2017 Revised National Accreditation and Assignment Framework obtainable from [www.salga.org.za](http://www.salga.org.za).

Given that the capacity of municipalities is not uniform, two levels of accreditation for the administration of National and Provincial Housing Programmes are possible:

- 1.1 Accreditation Level 1: Beneficiary management, subsidy budget planning and allocation, and priority programme management and administration.
- 1.2 Accreditation Level 2: Full programme management and administration of all housing instruments/programmes (in addition to level one responsibilities).

Accreditation is applicable to all National and Provincial Housing Programmes, with the exception of individual and relocation subsidy mechanisms, which remain the responsibility of the provincial department responsible for human settlements.

## 2. PURPOSE

The purpose of the Municipal Capacity and Support Plan (Capacity Plan) for Accreditation is to state the support that will be provided by the relevant Provincial Department responsible for Human Settlements (PDHS) and other stakeholders in addressing the capacity and support needs identified within the municipality's Accreditation Business Plan (ABP). It will also state the municipality's commitment to addressing specific capacity gaps. The Capacity Plan is jointly worked out between the municipality and the PDHS.

The capacity plan must address the following:

- 2.1 Capacity and capabilities that will be provided.
- 2.2 The cost of the planned interventions.
- 2.3 The timeframe linked to the programme.

TERMS OF REFERENCE FOR THE APPOINTMENT OF SERVICE PROVIDER (TECHNICAL SUPPORT TEAM) TO PROVIDE TECHNICAL SUPPORT AND CAPACITY BUILDING IN THE 2 LIMPOPO MUNICIPALITIES [POLOKWANE MUNICIPALITY (LEVEL 2) AND LEPHALALE MUNICIPALITY (LEVEL 1)] IN THE ADMINISTRATION OF NATIONAL AND PROVINCIAL HOUSING PROGRAMMES FOR A PERIOD OF 3 YEARS.

- 2.4 The roles of all stakeholders in line with the Draft 2017 Revised National Accreditation and Assignment Framework.
- 2.5 How will the programme be managed?
- 2.6 How does the plan integrate with the municipality's Workplace Skills Development Plan?

The Capacity Plan for an accredited municipality is fundamental given that accreditation is regarded as a capacitation mechanism towards assignment. There is a direct correlation between the Municipality's Accreditation Business Plan (ABP) and the Capacity Plan, and in many respects the Capacity Plan translates the ABP into an action plan.

The department therefore seeks to appoint a Professional Service Provider to under-take the following processes for both Lephalale and Polokwane Municipalities that were accredited for level 1 and level 2 respectively.

- 2.2 Post accreditation support and activities for level 1 and 2 accredited municipalities which involves, amongst other activities, the following:
  - 2.2.1 Facilitating the development and signing of Implementation Protocols between the provincial department and the accredited municipality.
  - 2.2.2 Develop and implement the Municipal Capacity and Support Plan that addresses the capacity and support needs of the municipality to effectively perform accredited functions.
  - 2.2.3 Coordinate, monitor performance and provide performance reports on the roles and responsibilities of the municipalities with regard to accreditation as outlined in the Draft 2017 Revised National Accreditation and Assignment Framework obtainable from [www.salga.org.za](http://www.salga.org.za).
