TERMS OF REFERENCE FOR CONSERVATION SERVICES

Background

The William Humphreys Art Gallery invites qualified and experienced art conservation service providers to submit proposals to be appointed on a panel of providers for a period of thirty-six months. This panel will serve to provide art conservation services for a diverse range of mediums, including but not limited to paintings, works on paper, photographs, ceramics, sculptures, and other art forms.

Scope Of Work

The selected panel of conservators will be called upon to provide services for the conservation of various art mediums. The scope of work may include, but is not limited to:

- a. Examination and Assessment: Conduct comprehensive assessments of artworks to determine their condition and conservation needs.
- b. Conservation Plans: Develop and implement detailed conservation plans outlining the necessary treatment, materials, and techniques for each artwork.
- c. Conservation Work: Execute the conservation work, which may involve cleaning, repair, structural stabilization, varnishing, retouching, and other relevant procedures.
- d. Documentation: Maintain meticulous records of all conservation activities, including condition reports, treatment reports, photographic documentation, and other relevant information.
- e. Quality Assurance: Ensure that all conservation work meets professional standards and adheres to ethical guidelines.
