SECTION 2

BID TERMS OF REFERENCE

2. General rules and instructions

2.1 Precedence of documents

- 2.1.1 This RFB/P consists of a number of sections (see list). Where there is a contradiction in terms between the clauses, phrases, words, stipulations or terms and herein referred to generally as stipulations in this RFB/P and the stipulations in any other document attached hereto, or the RFB/P submitted hereto, the relevant stipulations in this RFB/P shall take precedence.
- 2.1.2 Where this RFB/P is silent on any matter, the relevant stipulations addressing such matter and which appear in the PPPFA shall take precedence. Bidders shall refrain from incorporating any additional stipulations in its proposal submitted in terms hereof other than in the form of a clearly marked recommendation that POSTBANK may in its sole discretion elect to import or to ignore. Any such inclusion shall not be used for any purpose of interpretation unless it has been so imported or acknowledged by POSTBANK.
- 2.1.3 It is acknowledged that all stipulations in the PPPFA are not equally applicable to all matters addressed in this RFB/P. It, however, remains the exclusive domain and election of POSTBANK as to which of these stipulations are applicable and to what extent. Bidders are hereby acknowledging that the decision of POSTBANK in this regard is final and binding. The onus to enquire and obtain clarity in this regard rests with the Bidder(s). The Bidder(s) shall take care to restrict its enquiries in this regard to the most reasonable interpretations required to ensure the necessary consensus.

2.2 Preferential procurement reform

- 2.2.1 POSTBANK supports B-BBEE as an essential ingredient of its business. In accordance with government policy, POSTBANK insists that the private sector demonstrates its commitment and track record to B-BBEE in the areas of ownership (shareholding), skills transfer, employment equity and procurement practices (SMME Development) etc.
- 2.2.2 POSTBANK shall apply the principles of the Preferential Procurement Policy Framework Act, (Act No. 5 of 2000) to this proposal read together with the Preferential Regulations, 2022.

2.4 Objection to brand specific requirements

- 2.4.1 Any bidder who has reasons to believe that the RFB/P specification is based on a specific brand must inform POSTBANK within seven (7) days after the publication of the RFB/P.

2.5 Instructions for submitting bids

- 2.5.1 Bid responses must be submitted to the email address as stipulated on the cover page

SECTION 3

3. Special Conditions of the Bid

- 3.1 POSTBANK shall not make upfront payment.
- 3.2 The preparation of response shall be made without obligation to acquire any of the items included in any bidder's proposal or to select any proposal.
- 3.3 POSTBANK may request written clarification regarding any aspect of this proposal. The bidders must supply the requested information in writing within the specified time frames after the request has been made, otherwise the proposal shall be disqualified.
- 3.4 POSTBANK reserves the right to; cancel or reject any proposal and not to award the proposal to the lowest bidder or award parts of the proposal to different bidders, or not to award the proposal at all.
- 3.5 By submitting a proposal in response to this RFB/P, the bidders accept the evaluation criteria as it stands.
- 3.6 Where applicable, POSTBANK reserves the right to conduct benchmarks on product/services offered during and after the evaluation.
- 3.7 Failure or neglect by either party to (at any time) enforce any of the provisions of this proposal shall not, in any manner, be construed to be a waiver of any of that party's right in that regard and in terms of this proposal. Such failure or neglect shall not, in any manner, affect the continued, unaltered validity of this proposal, or prejudice the right of that party to institute subsequent action.
- 3.8 Should the bidder change any wording or phrase in this document, the RFB/P shall be evaluated as though no change has been affected and the original wording or phrasing shall be used.
- 3.9 This RFB/P is subject to Government Procurement: General Contract Conditions – July 2011, Special Contract Conditions and any other contract conditions to be finalised during contracting.
- 3.10 Late bids shall not be accepted.

SECTION 4

SPECIFICATION

1. Executive Summary

Postbank requires an integrated IT Service Management (ITSM) and Case Management solution with OCR and automation capabilities to:

- Replace legacy call logging systems
- Automate case creation from emails, WhatsApp, and scanned documents
- Support ITIL processes and banking operations workflows
- Comply with SARB, POPIA, FICA/AML regulations
- Provide workflow management (Pend/Diaries)
- Auto-push work to agents and automated report creation
- Enable auto-responses to clients and customer query tracking.

2. Background

To procure a comprehensive IT Service Management (ITSM) application. The tool will be used by the Service Desk, related IT support resolver teams, ITSM Process owners across Postbank and Banking Customer Requests to enhance service delivery and operational efficiency.

The successful bidder will be responsible for implementation, configuration, migration, knowledge transfer, support and maintenance of the solution. The five (5) year period referred to in this specification relates to the support, maintenance and licensing period of the solution, after which Postbank will retain operational ownership and control of the implemented system and associated configurations, subject to the agreed licensing model.

3. Objectives of the Bid

The objective of this bid is to source a robust, scalable, and ITIL-aligned ITSM solution fully owned by Postbank that will:

- Ensure ownership of the tool
- Replace the current call logging tool
- Improve efficiency and service delivery
- Enable full ITSM lifecycle management
- Support future growth and integration
- Include comprehensive training, support, and reporting
- Enable alignment with ITIL minimum version 3 as minimum and be capable of supporting Version
- 4 and ISO 20000 best practices.

- Support South African regulatory compliance (POPIA, FICA/AML, SARB & Prudential Authority
- ITSCM/DORA).
- Embed governance, risk and compliance controls according to COBIT 2019.
- Facilitate automation, AI-driven self-service and DevOps integration.
- Ensure performance, scalability, security, vendor management, and exit strategies.

Postbank's IT, including its Call Centre, serves as the single point of contact for IT clients, ensuring seamless service delivery. The new ISM system must align and support the Bank's IT strategy. The system will serve as the backbone for managing Postbank's operational functions' requests, incidents, problems, changes, assets, service levels, task management, knowledge management and others.

4. Scope of Work/ Services

Covers selection, procurement, and deployment of ITSM modules: Incident, Problem, Change, Service Request, Configuration Management (CMDB), Release and Deployment, Knowledge Management, Reporting and Dashboards, Automation and AI, and Integrations.

In particular, the successful bidder will be required to:

- Supply, configure, and deploy an ITSM system on select Postbank infrastructure.
- Ensure seamless integration with existing systems
- Provide ongoing support and maintenance as part of the hand over and third tier support to the
 - purchased inhouse system
- Migrate existing data, where applicable, from current or legacy systems into the proposed ITSM solution. This includes, but is not limited to, incidents, service requests, problems, changes, CMDB/configuration items, knowledge base articles, user profiles, attachments, audit logs, historical records and workflow data where required.
- Deliver training and documentation.
- Support future scaling and modular activation.
- Services must not be stopped during the Freeze period as per Postbank's monthly freeze periods (Due to the nature of this entity running a service on behalf of the state, It is required that a suspension of services is the last resort in all engagements between Postbank and the appointed supplier).
- The solution must have reports (Must be able to provide all the relevant ITSM reports as per ITIL V3 or V4 Framework)
- The solution must be integrated with Active Directory so we can confirm the authenticity of users that log incidents, Service requests and changes
- The solution must be able to connect remotely and on Prem. A system requirements table that is required from Postbank to fully establish the On Prem ITSM tool must be made available with the prices and Postbank will remove the requirements that Postbank has and will supply that hardware to the project
 - Network requirements
 - Physical Hardware requirements (On-Prem)

- Cloud AWS
 - OS (Operating System) requirements
 - DB (Database) requirements
- The solution must be able to be hosted either on prem or cloud (AWS) as per Postbank specification.

5. Required Services for System Features & Capabilities

The proposed ITSM system must support the following:

5.1. Core Requirements

The proposed ITSM and Case Management solution must meet the following core requirements:

- ITIL-aligned incident, problem, and change management.
- Omnichannel intake and workflow automation for cases.
- OCR capabilities for emails, WhatsApp, and scanned documents.
- AI-driven routing and automation.

5.2. Core Functionality

- Remote and onsite accessibility (cloud or hybrid architecture).
- Logging of calls via omnichannel support.
- Multiple resolver groups and team-based workflow capabilities.
- A secure platform that separates internal ITSM and customer-facing support.
- Integration with 3rd-party ITSM systems, tools, or services.
- Billing based on activated services/modules, supporting a modular pricing model.
- Automated and customizable reports (daily, weekly, and monthly) including:
 - Incident Management
 - Problem Management
 - Change Management
 - CMDB/Asset Management
 - Service Level Performance (SLA)
 - Request Fulfilment
 - Knowledge Usage

5.3. Functional Requirements

- **Incident Management:** 24×7 single point of contact; tiered escalation; automated diagnostics for common banking issues (e.g., PIN reset, failed transfers).
- **Problem Management:** Root-cause analysis; post-Major Incident Reviews; CAPEX/OPEX savings tracking; RCA dashboards.
- **Change and Release Management:** Integrated CAB with IT, Security, Operations, Front-Office; automated Continuous Integration and Continuous Delivery/Deployment (CI/CD)

pipeline gates; emergency-change workflow.

- **Service Request Fulfillment:** Self-service portal; service catalog; automated approvals and fulfillment workflows. Banking-related customer queries and service requests such as card issues, account queries, PIN resets, documentation uploads, and transaction disputes via the call centre or self-service channels.
- **Configuration and Asset Management (CMDB):** Unified Configuration Items (CI) model covering network, servers, middleware, applications/software, cloud; baseline enforcement for PCI DSS.
- **Release and Deployment:** Version control integration; deployment workflows; rollback and audit trails.
- **Knowledge Management:** In-application help; article approval; user feedback and Customer Satisfaction (CSAT) Scoring.
- **Service Catalog and Self-Service:** Omnichannel (web, mobile, chat, voice); personalized dashboards; chatbot intake.
- **Event Management**
- **Service Asset & Configuration Management (SACM)**
- **Service Level Management**
- **Workflow and Process Automation:** Capabilities including SLA enforcement and Escalations.

The solution should allow flexible remote or onsite access for all features.

5.4. Integrations

- Identity and Access: Active Directory for SSO (Single Sign-On) and automated user provisioning; multi-factor authentication; privileged-access workflows.
- Monitoring and Alerting: Application Performance Monitoring; Graylog for log aggregation; automated alert-driven ticket creation.
- DevOps Toolchain: Source-control (GitLab/Jenkins/Azure DevOps); pipeline gating; automated test results consumption.
- Telephony and Collaboration: VoIP/ Computer Telephony Integration (CTI) integration; MS
- Teams notifications and call center headsets integration.
- Enterprise Systems: ERP/CRM connectors; database query access; email and calendar systems.

Additional Case Management Integrations:

- Auto-case creation from:
 - Emails (NLP classification)
 - WhatsApp Business API
 - Scanned documents (OCR for IDs and statements)
- Fraud and dispute workflow automation.
- Integration with Core Banking System, Active Directory, and Call Centre CTI for

seamless case and request handling.

5.5. Non-functional Requirements

5.5.1. Performance and Scalability

- Support at least 2,000 concurrent users (CSCs, internal and Customer-facing teams); sub 2 second UI response under peak load.
- Load-testing benchmarks: define throughput, latency, and auto-scaling thresholds for hybrid-cloud.

5.5.2. Security and Compliance

- POPIA: Privacy-by-design workflows; configurable data-retention/audit-trail policies.
- FICA/AML: Enforce Multi-Factor Authentication (MFA); detailed user-access logging; report generation for KYC/AML audits.
- SARB and Prudential Authority: ITSCM/BCM (IT Service Management)/Business Continuity Management) controls with RTO/RPO (Recovery Time Objective/Recovery Point Objective) for targets, annual BCP (Business Continuity Planning) and tests table-top exercises.
- ISO 27001: Vendor certification or documented alignment; quarterly vulnerability assessments and patch cycles

5.5.3. Availability and Continuity

- 99.9% uptime SLA; disaster-recovery DR site; automated failover.
- Business Continuity Plan (BCP) and ITSCM aligned to SARB DORA requirements, annual tests and reports.

5.5.4. Regulatory and Audit

- Detailed audit logs for all changes, incidents and access events; exportable for regulatory audits.
- COBIT 2019 control mapping for ITIL processes and domains of (EDM: Evaluate, Direct and Monitor, APO: Align, Plan and Organize, BAI: Build, Acquire and Implement, MEA: Monitor, Evaluate and Assess).

5.6. Automation and AI

- Robotic Process Automation (RPA) Bots: and confirmation that these features are included also: password reset, account unlock, batch-job health check.
- AI Chatbot: Natural-language understanding (NLP)-threshold; seamless escalation to human agents; learning feedback loop.
- Workflow Automation: Automated approvals; SLA-based escalations; email/SMS Notifications.

5.7. Governance and Controls

- Steering Committees: Quarterly IT Steering and Risk and Compliance reviews with documented minutes.
- Change Advisory Board (CAB): Representation from IT, Security, Operations, Compliance, Business.
- COBIT Alignment: Vendor-supplied matrix mapping ITIL processes to COBIT 2019/5 control objectives

5.8. Measurement and Continual Service Improvement

- Key Metrics: First-Call Resolution (FCR) and Average Speed of Answer (ASA), Customer Satisfaction Score (CSAT), Mean Time to Resolve(MTTR), Change Success Rate, Emergency-Change Ratio, SLA Compliance, Service Availability %.
- Dashboards: Real-time Key Performance Indicator (KPI) / Key Risk Indicator (KRI); drill-down analytics; role-based access.
- CSI Program: Maintain Customer Satisfaction Index (CSI) register; quarterly Service-Value workshops; biannual maturity assessments (target ITIL level 3 4 using ISO 20000/ People Capability Maturity Model (CMM) toolkit).

5.9. Vendor Management and Exit Strategy

- Service Reviews: Monthly SLA/OLA reviews; quarterly Vendor Performance Reviews with business sponsors.
- Operational Level Agreements (OLAs) and Underpinning Contracts Agreements (UCAs): Define MTTR, FCR, CSAT targets in operational-level agreements.
- Exit Clauses: Data-portability APIs; CMDB and Knowledge Base Exports (KB exports); 90-day knowledge-transfer support; contractual SLAs for handover.

5.10. Implementation & Roadmap

Phase 1: Core Deployment

- Deploy core ITSM modules: Incident, Problem, Change, Service Request, and CMDB.
- Implement initial integrations and regulatory controls.
- Introducing Case Management capabilities.
- Enable email auto-case creation.
- Configure workflow management.
- Set up SLA dashboards and automated report creation.

Phase 2: Automation

- Integrate WhatsApp Business API for omnichannel intake.
- Implement document OCR (scanned IDs/statements).
- Run Automation Proof of Concepts (RPA bots, chatbot).
- Deploy dashboards and begin CSI program

Phase 3: Optimization & DevOps Integration

- Enhance AI routing improvements for automated case classification and assignment.
- Integrate with DevOps toolchains (CI/CD pipeline gates, advanced analytics).
- Expand automation workflows for approvals and SLA escalations.
- Strengthen governance, reporting, and COBIT-aligned controls.

Phase 4: Handover & Knowledge Transfer

- Complete knowledge transfer (KT) sessions with Postbank internal teams.
- Deliver user and admin documentation, support guides, and training materials.
- Conduct final reviews and sign-off to confirm readiness for full internal ownership.
- Finalize operational handover and close project deliverables.

Timeline: 6-24 months, with quarterly deliverables and maturity checkpoints.

6. Training

6.1. General Conditions

- Training can be conducted Online or Hybrid
- No additional training-related charges will be accepted.
- The onus of preparing the training material will be on the Bidder.

6.2. Deliverables

- One (1) hardcopy and one (1) softcopy of user documentation per deliverable.
- The Bank may make additional copies of the Bank- specific Documentation for their internal use.
- In-application online help (context-sensitive support) included in the application to enable the Bank's personnel to use and understand the operations of the deliverables.

6.3. Training Scope

The Bidder will be responsible for training application users, including but not limited to the following areas:

- Full application functionality
- Training and certification are required where applicable
- Customization and configuration modules
- Admin/user provisioning and access management
- Troubleshooting and technical support staff
- Reporting and dashboard customization
- Log monitoring and error analysis
- Incident trend analysis and problem management

7. Service Level Requirements

- System Availability: 24/7 operation required.
- Support Availability: 24/7 incident support, with defined severity response SLAs.
- Reporting Requirements:
 - Daily, Weekly and Monthly call logging reports
 - SLA performance and compliance dashboards
- Service Reviews: Scheduled service review meetings (monthly/weekly/ad-hoc).
- Resolution Timeframes: Clear escalation matrix and resolution timelines for:
 - Critical issues
 - High severity
 - Medium/Low severity

7.1. Success Metrics

The following key success metrics will be used to assess ongoing performance of the ITSM and Case Management solution:

- 80% reduction in manual case entry by the end of Year 1.
- 99% system availability to support 24/7 operations.
- 80% first-contact resolution for banking queries.

8. Security

The bidder should demonstrate that the proposed system is secure from any hacking to safeguard any Postbank customer or Organizational information. The bidder must demonstrate compliance with:

- POPIA (Protection of Personal Information Act)
- General IT security standards (firewall, encryption, access control)
- Role-Based Access Control (RBAC). Ensure full separation of internal ITSM data and external customer-facing request data.
- Audit trail capabilities for all user actions
- Optional: ISO 27001 certification or alignment

The system must be designed to:

- Protect sensitive user and client information
- Prevent unauthorized access or data leaks
- Be regularly patched and penetration-tested

9. Special Bid conditions

- No upfront payment will be made for this service
- The Price for this service must be fixed monthly

- The tool shall remain the property of Postbank
- Postbank shall retain ownership of all data, configurations, workflows, documentation, customizations and operational processes implemented as part of the solution.
- Support and Maintenance shall be extended within the hour of the tool being affected or specific requirements needing handholding for the period of the support and maintenance cycle.
- Knowledge transfer (KT) to enable Postbank to take over the day-to-day operation of the tool.

10. Evaluation Process

The Bid will be evaluated in two phases:

Phase 1: Mandatory Requirements

- Only bidders that have complied with the gatekeeping criteria will be evaluated for functionality.

Phase 2: Commercial – Price (80) and Specific Goals (20)

- Price (80) and Specific Goals (20)

10.1 Phase 1: Mandatory Requirements Criteria

Bidders must complete this section in full. Indicate compliance with (Yes)/ Non-compliance with (No) in the appropriate column in the table below. **Failure to provide the required documentary evidence for any requirement, or indicating "Comply/Do Not Comply," will result in immediate disqualification.**

PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

- 1.1 The following preference point systems are applicable to invitations to tender:
- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
 - the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 To be completed by the organ of state

- a) The applicable preference point system for this tender is the 80/20 or 90/10 preference point system.

- 1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:
- (a) Price; and
 - (b) Specific Goals.

1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;

- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULA FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20or90/10

$$Ps = 80 \left(1 - \frac{Pt - P_{min}}{P_{min}} \right) \text{ or } Ps = 90 \left(1 - \frac{Pt - P_{min}}{P_{min}} \right)$$

Where

Ps=Points scored for price of tender under consideration

Pt=Price of tender under consideration

Pmin=Price of lowest acceptable tender

3.2. FORMULA FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20 or 90/10

$$Ps = 80 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right) \text{ or } Ps = 90 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right)$$

Where

Ps=Points scored for price of tender under consideration

Pt=Price of tender under consideration

Pmax=Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point

system applies, an organ of state must, in the tender documents, stipulate in the case of—

- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
- (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.
(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/20 system) (To be completed by the tenderer)
Historically Disadvantaged individuals (51% and above)	8	
Women (51% and above)	7	
Disabled (51% and above)	5

General conditions of contract

1. Definitions

- 1 The following terms shall be interpreted as indicated:
 - 1.1 "Closing time" means the date and hour specified in the bidding documents for the receipt of Bids.
 - 1.2 "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
 - 1.3 "Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
 - 1.4 "Corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.
 - 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
 - 1.6 "Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing,

processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.

- 1.7 "Day" means calendar day.
- 1.8 "Delivery" means delivery in compliance of the conditions of the contract or order.
- 1.9 "Delivery ex stock" means immediate delivery directly from stock actually on hand.
- 1.10 "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
- 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.
- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the

rendering of a service.

- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organisation purchasing the goods.
- 1.22 "Republic" means the RSA.
- 1.23 "SCC" means the Special Conditions of Contract.
- 1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
- 1.25 "Written" or "in writing" means handwritten in ink or any form of electronic or mechanical writing.

2 Application

- 2.1 These general conditions are applicable to all Bids, contracts and orders including Bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, SCC are also laid down to cover specific supplies, services or works.
- 2.3 Where such SCC are in conflict with these general conditions, the special conditions shall apply.

3 General

- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

4 Standards

- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

1 Use of contract documents and information; inspection

- 5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or

information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

- 5.2 The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.
- 5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6 Patent rights

- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

7 Performance security

- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
 - 7.3.1 a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
 - 7.3.2 a cashier's or certified cheque
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless

otherwise specified in SCC.

8. Inspections, tests and analyses

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organisation acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.
- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9 Packing

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10 Delivery and documents

- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2 Documents to be submitted by the supplier are specified in SCC.

11 Insurance

- 11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12 Transportation

- 12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13 Incidental services

- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
- 13.1.1 performance or supervision of on-site assembly and/or commissioning of the supplied goods;
 - 13.1.2 furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - 13.1.3 furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
 - 13.1.4 performance or supervision or maintenance and/or repair of the supplied goods, for

a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and

13.1.5 training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14 Spare parts

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

14.1.1 such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and

14.1.2 in the event of termination of production of the spare parts:

14.1.2.1 Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and

14.1.2.2 following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15 Warranty

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this

warranty.

- 15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.
- 15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16 Payment

- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfilment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in rand unless otherwise stipulated in SCC.

17 Prices

- 17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorised in SCC or in the purchaser's request for bid validity extension, as the case may be.

18 Contract amendments

- 18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

19 Assignment

- 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

20 Subcontracts

- 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

21 Delays in the supplier's performance

- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
- 21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
- 21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22 Penalties

- 22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the

contract pursuant to GCC Clause 23.

23 Termination for default

- 23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:
 - 23.1.1 if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
 - 23.1.2 if the Supplier fails to perform any other obligation(s) under the contract; or
 - 23.1.3 if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
- 23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.
- 23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.
- 23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.
- 23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.
- 23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:
 - 23.6.1 the name and address of the supplier and / or person restricted by the purchaser;
 - 23.6.2 the date of commencement of the restriction
 - 23.6.3 the period of restriction; and
 - 23.6.4 the reasons for the restriction.

- 23.7 These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.
- 23.8 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

24 Anti-dumping and countervailing duties and rights

- 24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

for performance not prevented by the force majeure event.

26 Termination for insolvency

- 26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

27 Settlement of disputes

- 27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
- 27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
- 27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
- 27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
- 27.5 Notwithstanding any reference to mediation and/or court proceedings herein,
- 27.5.1 the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and
- 27.5.2 the purchaser shall pay the supplier any monies due the supplier.

28 Limitation of liability

- 28.1 Except in cases of criminal negligence or wilful misconduct, and in the case of infringement pursuant to Clause 6;
- 28.1.1 the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and
- 28.1.2 the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this
