SCOPE OF WORK DESCRIPTION / ACTIVITY	PROCEDURE, SPECIFICATION, ENG. REQUIREMENTS / DOCUMENTATION	HOLD POINTS, WITNESS, REPORTS	RESPONSIB LE PARTY
2.2	<p>The transportation service will be rendered in accordance with the following:</p> <p>The Supplier shall abide by the detailed time table and routes as defined by Matla Power Station. Eskom Holdings Limited shall, however, have the exclusive right to amend the aforesaid time tables and routes from time to time in consultation with the Supplier.</p> <p>All drivers should always have a Cellular phone and sufficient airtime to be able to communicate with passengers, with their company and Eskom in case of emergency or any other unforeseen circumstances.</p> <p>The Supplier undertakes to provide a replacement bus of same standard and quality in the case of a mechanical breakdown or vehicle service and to get the Eskom employees to their destination as speedily as possible.</p> <p>Buses are only allowed to pick up and drop off passengers at the designated bus stops at Matla. Only Eskom Matla employees and Eskom Matla students will be allowed on the busses as passengers.</p> <p>Failure by the Contractor to comply may result in cancellation of the contract. Furthermore, Eskom Holdings Limited will not be held liable for possible injuries to 'illegal' passengers if allowed onto the busses by the Contractor.</p> <p>Any changes to this transport service as agreed to between the two parties may result in an increase or decrease in the number of busses required to render the service or discontinue the service at any time.</p> <p>The Supplier / Contractor shall, on request by Eskom Holdings Limited, exchange any of the allocated busses for a smaller or bigger bus depending on Matla's requirements.</p> <p>The Supplier undertakes to make transport available on Eskom's request for any special occasion which may be arranged by Eskom Holdings Limited.</p>	Witness Eskom	Contractor
