The Coega Development Corporation (CDC) is headquartered in the City of Gqeberha, Nelson Mandela Bay Municipality, South Africa, with a strategic operational footprint in South Africa and beyond the borders in the African continent. The CDC's vision is to be the leading catalyst for the championing of socio-economic development. This it seeks to achieve through the development and operation of the 9 003-hectare Coega Special Economic Zone (SEZ), a transshipment hub and a leading investment destination in Africa, providing highly skilled competence and capacity for the execution of quality complex infrastructure and related projects throughout South Africa and selected markets on the African continent, and advisory on the development of industrialization and logistics zones. The CDC's advanced capabilities are successful enablers in economic zone development and management, real assets management, infrastructure planning and development for National, Provincial, Local Government Departments and State-owned Entities, technology integration while realising related socio-economic impact areas such as skills and SMME development. The foundational culture of the CDC's approach, backed by core values, is innovation and continuous improvement.

The Coega Development Corporation (CDC) was appointed by the National Department of Health (NDoH) to act as an Implementing Agent for the implementation of the department's health infrastructure projects under the In-Kind grant funding. These projects range from the construction of Regional & District Hospitals, Community Health Centres (CHC) and Primary Health Clinics (PHC) with associated Staff Accommodation.

INVITATION AND SCOPE OF SERVICES

The CDC is inviting capable and competent Service Providers to submit proposals **as single entities or Joint ventures/consortiums** (which **does not** include subconsulting) for the provision of professional quantity surveying consultant services for Dihlabeng Regional Hospital smart revitalization project, located in Bethlehem in the Free State Province. Respondents are required to have relevant experience and knowledge in the administration of construction contracts, managing and administering the respective consultants for complex infrastructure projects, where sectional completion and decanting are applicable.

The respondents are required to have valid registration as professional quantity surveyor (PrQS) with the South African Council for the Quantity Surveying Profession (SACQSP). The respondents must have relevant experience and knowledge to undertake the professional consultancy duties and complete the identified deliverables from Stage 3 & 4, Stages 5, 6 and 7. The period for this appointment will be valid for 36 months or after the acceptance of the Close Out report for this project, whichever comes first. The successful bidders will subsequently enter into a Service Level Agreement (SLA) with the CDC.

CONDITIONS OF TENDER

Failure to adhere to the conditions stated hereinunder or to provide evidence where specified, will render the submission non-responsive and the submission will be declared as null and void and will not be considered further.
