

## SD02-08 2024/2025 CONTACT DETAILS FOR SITE VISITS

Due to the number of enquires received from potential bidder on the sizes of the various offices / facilities for the cleaning tender,

the decision was made to allow all potential bidders to visit the various sites (facilities, regions, local offices, SDA's) during the week of 14 – 18 October 2024 between the hours 09:00 – 15:00.

This will not be compulsory for the bidders; therefore, no attendance register is needed.

Please note that you must make arrangements prior to site inspection.

Visits will not be allowed without prior arrangements.

The bidders are required to look at the floor sizing for the various sites and the types of floors ( i.e carpet, vinyl, ceramic) that needs to be cleaned.

The number of kitchens per building and number of urinals per site was amongst the queries that was submitted. The potential bidders will most likely want to confirm these for accurate pricing.

Should there be any further questions, it should be done via the email as per the bid document to Bernitha Ohlson, or Thabisa Maseti at [Thabisa.Maseti@westerncape.gov.za](mailto:Thabisa.Maseti@westerncape.gov.za).
