Note:

“Eskom reserves the right to award to a supplier who may not be the highest scoring or highest ranked supplier, in line with Section (2) (1) (f) of the PPPFA”, due to “objective criteria” however this would have to be subject to negotiations.

Upon evaluation of tenders received, Eskom may negotiate or conclude orders with one or more suppliers.

***Note:**

Where there is failure on the part of the supplier to submit a certified copy of a current Valid B BBEE certificate/sworn affidavit by stipulated deadline for purposes of evaluation and scoring, the tender submission will not be deemed non-responsive and disqualified exclusively for this reason but will automatically score zero on B-BBEE for purposes of scoring and ranking (if otherwise deemed to be responsive and acceptable in all other aspects).

However, if the certified copy of a current valid original B-BBEE certificate /sworn affidavits etc. are required as evidence to show compliance with pre-qualification criteria; and they are not provided at RFQ tender closing deadline; then the tender will be disqualified.
